School Description

Union Street Charter (USC) is a unique K-5 school that balances arts and academics in a family atmosphere. The school began operation in August of 2006 and is housed on a rural campus that is an integral part of the surrounding community. It is within walking distance of Humboldt State University, the Arcata Community Center, a marsh and forest. We believe we are high performing in part because we attract highly qualified, dedicated and enthusiastic teachers, as well as invested parents and students from the surrounding communities. The teachers and principal collaboratively choose engaging research-based curriculum. USC is a highly sought after school for multiple reasons: small class size (17 students), parent involvement, engaging academic content, and twice weekly instruction in Spanish, art and music.

The initial school years are crucial to a child's educational attitudes and future success in learning. We are committed to providing a nurturing environment and fostering high self-esteem and confidence. The students are part of a learning community that emphasizes collaboration, critical thinking, and creativity. Student success at Union Street Charter is based on academic growth, a well-developed sense of self worth, and a willingness to accept challenges.

At Union Street Charter, we believe in the unique value of each student, family, and teacher - both as individuals and as members of the school community. We work together to create an environment that minimizes the pressures of popular culture and the use of academic competition as motivation. Our ultimate aim is to turn a child's natural curiosity and desire to explore into a lifelong love of learning. We value the trust that families place in us, as we guide students toward a deeper understanding of themselves and the world around them.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

California Charter Schools are not required to use materials adopted by the SBE. Union Street Charter uses Everyday Math in all grades (SBE adopted). Union Street Charter has a rich and diverse curriculum. Our highly qualified and inspired teachers emphasize an interactive approach to language arts, social studies, science, and math. In addition, talented and experienced, art, music and Spanish teachers lead twice weekly classes in all grades. Physical education, computer literacy, drama, camping, backpacking, positive social skills, and cultural events, supplement the core curriculum throughout the school year.

School Facility Conditions and Planned Improvements (Most Recent Year)

Our commercial kitchen was updated with new vinyl flooring, cabinets and counter tops in August 2013. Six outdoor picnic tables were replaced in August 2013. Second grade classroom expansion was completed in August 2014. Blinds were added to classroom windows for safety during lockdown drills 2017. The electrical panel, the heaters and the main playground equipment were replaced in 2018 and 2019. School grounds are maintained by Arcata School District personnel, by parent volunteer work parties, and by staff. Cleaning and maintenance is done by Arcata School District staff.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

CAASPP Test Results in ELA and Mathematics for All Students Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 17-18	School 18-19	District 17-18	District 18-19	State 17-18	State 18-19
ELA	88	82	62	59	50	50
Math	86	80	48	47	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Cells with N/A values do not require data.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018-19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

2018-19 Percent of Students Meeting Fitness Standards

Grade Level	4 of 6	5 of 6	6 of 6
5	11.8	52.9	29.4

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)

Parents are partners in the school community, and have the opportunity to serve on the board of directors, the Site Council and Advisory boards. They participate in annual LCAP stakeholder parent meetings and provide input through yearly parent surveys. Parents volunteer in classrooms, participate in field trips, consult with teachers on student progress, volunteer for periodic school work parties, participate in school social events, and support the school with donations of time, talent, and dollars for special events.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

A school safety plan exists for all disaster/lockdown situations. The Union Street Safe Schools Plan was reviewed and revised 2/6/19 and the plan is updated as needed. The crime rate in the community around Union Street Charter is very low. We have had very few incidents of vandalism over the years. Disciplinary suspensions average 0 to 3 per year. The entire school campus is visible to the principal's office and to several classrooms. The staff reviews and enforces school rules to ensure a safe learning environment.

Suspensions and Expulsions for the School	2016-17	2017-18	2018-19

Professional Development provided for Teachers

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	5	5	5

The primary areas of staff development were informed by input of stakeholder groups and by staff interest and discussion. The major area is fostering student engagement through mindfulness and visible thinking. Our staff also attending writing workshop and guided reading workshops this summer. Professional development is delivered in minimum day seminars, half day and all day in-service sessions, and through webinars, conferences, and peer or principal mentoring. Teachers are supported by allocating time for staff development, principal and peer collaboration, and substitutes for teachers to attend webinars and conferences.

Types of Services Funded

Union Street Charter provides special education services for students with specific learning disabilities and with speech IEP's. These services are funded through the local SELPA and from the general school budget. Charter School funding includes an LCAP plan that supports our programs including art, Spanish, and music. We currently have 30% Socioeconomically disadvantaged students for whom we receive concentration funds that are used to increase classroom aides and provide lunch service. We started receiving federal Rural education funding in 2016-17, which provides opportunities for our students to have more experiences through field trips. Title 1 provides student intervention in English Language Learning, math and language arts, while Title II is for professional development of teachers. Title IV funds support teacher training and intervention.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
