School Accountability Report Card

Reported Using Data from the 2018-19 School Year

Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2019-20)

Rudolph Rivera was a district superintendent who believed in providing equal opportunities for all children. His dedication to children prompted the district to name the school in his honor. Rivera Elementary is a traditional calendar school serving grades preschool through sixth grade. The school's inception was August 2015 as an integral part of the Rivera Middle School campus, in effort to serve those elementary students considered "unhoused" and bused to their boundary school for the last several years. The school lies in the north-central part of the city of Merced on the corner of R and Buena Vista Streets. As its top priority, the entire staff strives to meet the social, emotional, and physical needs of students. Rivera Elementary School is committed to ensuring that its students receive a well-rounded educational experience that will serve them well in the future, as positive contributing members of our community. Our primary goal at Rivera Elementary is to promote student achievement through the use of collaborative, reflective practices that afford students multiple opportunities to learn. Students, parents and staff members alike will prepare all Rivera Dragons to achieve in both academic and personal endeavors. It is through our professional collaborative efforts that all students will reach higher levels of achievement, thus becoming lifelong learners.

In addition to meeting/exceeding Common Core Standard targets every Rivera Elementary School student will:

1. Develop English literacy necessary to read at grade level by the end of third grade.
2. Master computational and applied mathematics skills enhancing critical thinking skills.
3. Develop respect and appreciation for oneself, others, the community and the environment.
4. Become technologically literate and capable of enhancing learning through the use of technological resources.
5. Develop skills necessary to be successful in higher education and career readiness of the 21st Century.

Rivera Elementary School Mission Statement

Our mission is to provide a safe, enriching, common core, academically rigorous program that will enable all children to reach their personal potential thinking critically, communicating effectively and behaving responsibly.

School Facility Conditions and Planned Improvements (Most Recent Year)

Rivera Elementary School was built and opened in 2015. We have 30 classrooms which include a temporary teachers' work room, a room housing our Speech Pathologist and Counselor, a band room we share with Rivera Middle School and 1 empty room which will house our third 6th grade class in the Fall of 2016. Additional installations include two new play equipment structures, one parking lot with lighting, security fencing and surveillance equipment. Our new administrative office and library was opened in January 2016. In addition, a preschool building has been approved for Rivera Elementary School and will be built and opened in the Fall of 2016. 2017-2018 upgrades included the replacement of fall-safe material, interior upgrades to the cafeteria and the addition of three new modular classrooms. Three modular buildings were added in 2018-19 for student enrollment growth. The School Facility Inspection occurred on 12/17/19.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19

Mathematics (grades 3-8 and 11)	26	29	25	27	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2019-20)

The staff of Rivera Elementary School uses a professional learning community approach to providing a rigorous core curriculum for our students. It is also our mission to employ our students' primary teachers, their parents as an integral part of this team. We recognize the importance of this team approach and encourage all parents/guardians to participate in the following opportunities in order to better serve their children in conjunction with the academic course. We inform our parents of these opportunities in English and Spanish the following ways; Weekly and special Ed. Connect phone calls, flyers, newsletters, parent board notices.

- Back to School Night
- Parent Teacher Conferences
- Problem Solving Team and/or Individual Education Plan Meetings as needed
- Classroom volunteers
- School Site Council
- English Learners Advisory Committee
- District Advisory Council
- Local Control Accountability Plan (LCAP) AdHoc Committees
- Parent Teacher Club
- Family Movie Nights

School Safety Plan (School Year 2019-20)

Rivera Elementary School provides a safe, clean environment for students, staff and volunteers. The School Safety Plan is revised and updated annually and reviewed with administrators, staff, and School Site Council members. The School Safety Plan is designed to assist in preparing for emergencies, managing emergency response efforts, and maintaining a safe school environment. The plan requires identification of security needs, development of prevention and intervention techniques, evaluation of facilities, and communication with staff and students. Components of the School Safety Plan include strategies and programs that will provide and maintain a high level of school safety, assess current school crime occurring on campus and at school functions, and address procedures related to the compliance of existing laws as they affect school safety. Safety of students and staff is a primary concern at Rivera Elementary School. The school complies with the laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The school's disaster preparedness plan includes steps for ensuring student body and staff safety during an emergency. Fire drills are held monthly, while other disaster drills are conducted on a regular basis throughout the school year. Teachers and other staff members monitor the school grounds before, during, and after school each day. All visitors are required to check in at the office before entering the campus. The initial plan will be finalized by the Spring of 2016. The school safety plan was reviewed, updated, and discussed with school faculty and a student representative on October 30, 2019.
