SCHOOL ACCOUNTABILITY REPORT CARD

2018-19 SCHOOL ACTIVITY PUBLISHED IN JANUARY 2020

PRINCIPAL'S MESSAGE

At Hollow Hills, emphasis is placed on achievement of the standards and traditional values, which include accountability, punctuality, diligence, personal responsibility, respect for authority, courtesy, and teamwork. As a STEAM school we infuse Science, Technology Engineering, the Arts and Mathematics into our daily curriculum. We also have a STEAM Makerspace, or Collaboratory as we like to call it, to give the students a space to design, create and build solutions for many different problems and activities. We highlight these accomplishments twice a year at our Family STEAM Nights where students and their families are able to create, explore, design and complete STEAM challenges together. Hollow Hills won the VC Golden Gear award for STEAM nights in the 2019-20 school year! Goals for this year include: expanding student achievement in the areas of math, reading comprehension, and writing. Software programs, such as Nearpod, have been implemented to reinforce reading, grammar, math skills and the new science standards. We are also continuing our Medal of Honor character education program throughout the school. In a partnership with the Medal of Honor Foundation our student strive to emulate the 6 core values of the Medal of Honor program; courage, commitment, integrity, citizenship, sacrifice and patriotism in their daily lives. We recognize students quarterly for demonstrating these qualities on campus and we invite local leaders such as the mayor, chief of police and the school board president to speak at these awards assemblies. Due to our commitment to these 6 core values in the Medal of Honor program we were recognized as a California Civic Learning School of Merit for the 2017-18 and 2018-19 school years.

Our highly active PTA enhances the basic curriculum with such programs as Great Works of Art, ceramics, and music. Our many volunteers assist with our PE program, library, computer lab, Red Ribbon Week, Junior Olympics, Field Day and Variety Show. The theme at Hollow Hills is "Together We Make a Difference," which reflects the school philosophy. We look forward to a rewarding and productive school year. We are proud to announce that one of our teachers was awarded the Medal of Honor Teacher of the Year award!

DISTRICT & SCHOOL DESCRIPTION

SIMI VALLEY UNIFIED SCHOOL DISTRICT

Simi Valley Unified School District offices are located in the northwest region of the city of Simi Valley. During the 2018-19 school year, the district's eighteen elementary schools, three middle schools, three comprehensive high schools, one continuation school, and one alternative/independent study school served a total of 16,451 students in grades TK-12. The district's student population is comprised of 11.2% identified as English learners, 12.4% receiving special education services, 0.3% identified as foster youth, 0.3% identified as homeless, and 34.8% enrolled in the Free & Reduced-Price Meal program.

OUR PROMISE

The Simi Valley Unified School District offers the families of Simi Valley and the surrounding area a vibrant portfolio of educational choices built on a common sense of community, and the common purpose of inspiring each and every student to succeed in school, career and life.

We believe that the best student outcomes are achieved when we provide:

Rigorous academic programs, relevant to a diverse and changing world;

High expectations that respect the differences in our students;

Exceptional instruction in an innovative learning environment;

Opportunities for our students to build confidence and strong character; and

Participation of everyone in our students' success.

We are driven, proud, and passionate about the personal and intellectual success of each and every student.

No matter where the future takes you, the road to success runs through Simi Valley.

HOLLOW HILLS FUNDAMENTAL SCHOOL

During the 2018-19 school year, Hollow Hills Fundamental School served 673 students in grades K-6. Student enrollment included 6.4% receiving special education services, 5.3% qualifying for English learner support, and 19.3% enrolled in the Free & Reduced-Price Meal program.

LOCAL CONTROL ACCOUNTABILITY PLAN (LCAP)

As part of the new Local Control Funding Formula, school districts are required to develop, adopt, and annually update a three-year Local Control and Accountability Plan (LCAP). The following components of this SARC address some of the priorities identified in the District's LCAP:

Conditions of Learning (Basic Services) – State Priority 1: Degree to which teachers are appropriately assigned and fully credentialed in the subject areas and for the pupils they are teaching; pupils have access to standards-aligned Instructional materials and school facilities are maintained in good repair. Covered in Teacher Assignment, including the Teacher Credentials & Misassignments chart; Instructional Materials, including the Textbooks chart; and School Facilities & Maintenance, including the Campus Description and School Facility Good Repair Status charts.

Conditions of Learning (Implementation of State Standards) – State Priority 2: Implementation of academic content and performance standards adopted by the state board for all pupils. Not covered in the School Accountability Report Card.

Parental Involvement – State Priority 3: Efforts to seek parent input in decision making, promotion of parent participation in programs for unduplicated pupils and special need subgroups. Covered in Parent Involvement.

Pupil Achievement – State Priority 4: Performance on standardized tests, score on Academic Performance Index, share of pupils that are college and career ready, share of English learners that become English proficient, English learner reclassification rate, share of pupils that pass Advanced Placement exams with a 3 or higher, and share of pupils determined prepared for college by the Early Assessment Program. Covered in California Assessment of Student Performance and Progress, including the CAASPP charts.

Engagement (Pupil Engagement) – State Priority 5: School attendance rates, chronic absenteeism rates, middle school dropout rates, high school dropout rates, and high school graduation rates. Covered in Dropout Rates, including the Dropout chart; and Graduation Rates, including the Graduation Rate chart for high schools only.

School Climate – State Priority 6: Pupil suspension rates, pupil expulsion rates, other local measures including surveys of pupils, and parents and teachers on the sense of safety and school connectedness. Covered in Discipline & Climate for Learning, including Suspension & Expulsion chart; and School Site Safety Plan.

Conditions of Learning (Course Access) – State Priority 7: Pupil enrollment in a broad course of study that includes all of the subject areas. Not covered in the School Accountability Report Card.

Other Pupil Outcomes – State Priority 8: Pupil outcomes in the subject areas. Covered in Physical Fitness, including the Physical Fitness Test chart.

SCHOOL NEWS

Parents stay informed on upcoming events and school activities through email, flyers, the bi-annual PTA newsletter, the electronic school marquee, the school website, signage on the school fence, Aeries Portal, Facebook, Instagram, Twitter (@HollowHillsEL1), and Blackboard Connect (automated telephone message delivery system). Contact the PTA President or the school secretary at (805) 520-6720 for more information on how to become involved in your child's learning environment.

STUDENT ACHIEVEMENT

CALIFORNIA ASSESSMENT OF STUDENT PERFORMANCE AND PROGRESS (CAASPP)

The California Assessment of Student Performance and Progress (CAASPP) System includes the Smarter Balanced Summative Assessments (SBAC) for students in the general education population, and the California Alternate Assessments (CAAs) for students with the most significant cognitive disabilities. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternative achievement standards, which are linked with the Common Core State Standards (CCSS). CAASPP results are a measure of how well students are mastering California's standards in English language arts/literacy (ELA) and mathematics, and are given to grades three through eight and grade eleven. SBAC tests assess student performance in ELA/Literacy and mathematics utilizing computer-adaptive tests and performance tasks, and CAAs test items are aligned with alternative achievement standards which are linked with the Common Core State Standards (CCSS).

The CAASPP results shown in this report include overall results comparing the school, district and state scores as well as the school's overall score in each applicable subgroup. Results are shown only for subgroups with ten students or more taking the exam. For those categories that are blank in the tables, no students met subgroup criteria. More information on CAASPP can be found on the California Department of Education's website www.cde.ca.gov/ta/tg/ca/.

PHYSICAL FITNESS

In the spring of each year, Hollow Hills Fundamental is required by the state to administer a physical fitness test to all students in grade five. The physical fitness test measures each student's ability to complete fitness tasks in six major areas. Students who either meet or exceed the standards in all six fitness areas are considered to be in the "healthy fitness zone." The chart disclosed in this document reports only the percentage in each category, not a cumulative total of the results for categories 4 of 6 and 5 of 6. Comparative district and state results can be found at the CDE's website.

Note: ELA & Mathematics test results include the Smarter Balanced Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

SCHOOL FACILITIES & SAFETY

FACILITIES PROFILE

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Hollow Hills Fundamental's original facilities were built in 1968; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. The District Governing Board has adopted cleaning standards for all schools in the District. A summary of these standards is available at the school office, at the District Office, or on the Internet at www.simivalleyusd.org

A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority.

2018-19 Campus Improvements:

- Installation of surveillance cameras
- Installation of an electronic marquee

2019-20 Campus Improvements in Progress:

- Roof repairs to one building

Every morning before school begins, the custodian inspects facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One day custodian and one evening custodian are assigned to Hollow Hills Fundamental. The day custodian is responsible for:

- Classroom cleaning
- Cafeteria setup/cleanup
- General grounds maintenance
- Lunch area setup/cleanup
- Restroom cleaning

Restrooms are checked regularly throughout the day for cleanliness and subsequently cleaned as needed. The evening custodian is responsible for:

- Classroom cleaning
- Office area cleaning
- Restroom cleaning

The principal communicates with custodial staff daily concerning maintenance and school safety issues.

SCHOOL INSPECTIONS

On an annual basis, schools are required by the state to perform a comprehensive inspection and report those findings to the school community. The most recent inspection for Hollow Hills Fundamental School took place on September 17, 2019. The School Facility Good Repair Status table illustrated in this report identifies the state-required inspection areas and discloses the operational status in each of those areas. During fiscal year 2019-20, all restrooms were fully functional and available for student use at the time of the inspection.

SUPERVISION & SAFETY

School administration and teaching staff place a high priority on providing adequate adult supervision on campus before, during, and after school. As students arrive on campus each morning, administration and campus supervisors are strategically assigned to designated entrance areas and the playground. During recess and lunch, campus supervisors monitor playground activity. At the end of the day when students are dismissed, administration and campus supervisors monitor student behavior to ensure a safe and orderly departure.

Hollow Hills Fundamental is a closed campus. During school hours, all visitors must sign in at the school's office and wear identification badges while on school grounds.

SCHOOL SITE SAFETY PLAN

The Comprehensive School Site Safety Plan was developed for Hollow Hills Fundamental in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most recent school safety plan was reviewed, updated, and discussed with school staff in October 2019.

CLASSROOM ENVIRONMENT

DISCIPLINE & CLIMATE FOR LEARNING

Hollow Hills Fundamental School's discipline practices and behavior management strategies comply with approved board policies and are designed to create effective learning environments and minimize classroom disruptions. Progressive discipline and proactive measures are employed in the classroom for those students experiencing difficulty following school rules and demonstrating positive behavior. Disciplinary intervention is managed by school administrators in a fair, firm, and consistent manner based upon the nature of each situation. Golden Bear Awards are awarded to a minimum of two students per class to recognize their character traits each month.

Hollow Hills Fundamental School has implemented the CHAMPS program schoolwide. CHAMPS is a positive behavior support program focused on improving classroom behavior, establishing clear behavior expectations, reducing misbehavior, motivating students to put forth their best effort, increasing academic engagement, and teaching students to behave respectfully and to value diversity.

All teachers at the Hollow Hills Fundamental School have been trained on Classroom Instruction That Works (CITW) and the program has been fully implemented. CITW is a program that consists of effective research-based strategies that are proven to increase student achievement.

The Simi Valley Unified School District maintains a firm policy prohibiting all forms of bullying. Everyone is to be treated with respect and dignity. Bullying by anyone, including students, teachers, administrators, or other adults will not be tolerated by any circumstances. Administrators will respond to all reports of alleged bullying in a timely manner.

CLASS SIZE DISTRIBUTION

The Class Size Distribution table in this report illustrates the distribution of class sizes by grade level, the average class size, and the number of classes that contain 1-20 students, 21-32 students, and 33 or more students. Calculations exclude classrooms of 50 or more students.

CURRICULUM & INSTRUCTION

STAFF DEVELOPMENT

All training and curriculum development activities at Hollow Hills Fundamental revolve around the California State Standards. During the 2018-19 school year, Hollow Hills Fundamental held site-based staff development centered around the District's focus for staff development, which included:

- Active Shooter Training
- CAASPP Test Training (SBAC)
- California State Standards: Math
- Classroom Instruction That Works (CITW)
- Creation of Depth of Knowledge Lessons
- Digital Citizenship
- Distinctive Educator's Institute
- Google Training
- Grit and Math 360
- Math Mindset
- Nearpod Training
- Professional Learning Communities
- Response to Intervention
- Team Building Activities
- Writing

Decisions concerning selection of staff development activities are performed by all staff using tools such as teacher input, state assessment results, and data analysis to determine the areas in which additional teacher training may enhance classroom instruction and increase student achievement levels. Hollow Hills Fundamental supports ongoing professional growth throughout the year at after school staff meetings once a month. Teachers meet in grade level teams to conduct data analysis to identify areas of need. Teaching staff are provided the opportunity to participate in district-sponsored staff development workshops or training session as 1) a supplement to site-based staff development, 2) for reinforcement of or follow-up on previous training, or 3) follow-up training for newly implemented programs/curricula.

Simi Valley Unified School District offers supplemental training and support for new and ongoing program implementation. Training activities take place throughout the school year and generally focus on curriculum, teaching strategies and methodologies. During the 2017-18, 2018-19, and 2019-20 school years Hollow Hills Fundamental School's teachers had the opportunity to attend supplemental professional development offered by the district in the following areas:

- CUE Power Up
- Google Suite
- Google Apps
- Response to Intervention
- ELA / ELD Curriculum
- History / Social Science Curriculum
- Mathematics
- Next Generation Science Standards
- Formative Assessments
- Classroom Instruction That Works
- Medal of Honor Curriculum
- Educational Technology
- English Language Development (ELD) Training

Hollow Hills Fundamental offers support to new and veteran teachers through peer coaching and mentoring. Instructional aides are provided targeted training focused on teaching strategies and curriculum content. All staff are encouraged to attend professional workshops and conferences. Classified support staff receive job-related training from department supervisors and district representatives.

INSTRUCTIONAL MATERIALS

All textbooks used in the core curriculum throughout Simi Valley Unified School District are currently being aligned to the California State Standards. Instructional materials for core content areas are approved by the district's Board of Education. The district follows the State Board of Education's adoption cycle for core content materials and for textbook adoptions in foreign language, visual and performing arts, and health.

On October 8, 2019, the Simi Valley Unified School District's Board of Education held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Education adopted Resolution No. 09-19/20 which certifies as required by Education Code §60119 that (1) sufficient textbooks and instructional materials have been provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and context of the curriculum frameworks in the following subjects: history/social science, mathematics, reading/language arts, and science, (2) sufficient textbooks or instructional materials were provided to each pupil enrolled in foreign language or health classes, (3) laboratory equipment was available for science laboratory classes offered in grades 9-12, inclusive. In addition, each student enrolled in a performing arts class was provided sufficient textbooks or instructional materials to use in class or to take home.

TEACHER ASSIGNMENT

During the 2018-19 school year, Hollow Hills Fundamental School had 27 teachers who met all credential requirements in accordance with state guidelines. The chart below identifies the number of teachers at both the school and district who are 1) fully credentialed; 2) without full credentials; 3) teaching outside subject area of competence; 4) misassignments for English learners; 5) total teacher misassignments; and 6) vacant teacher positions. The term "misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

COUNSELORS & SUPPORT PERSONNEL

Hollow Hills Fundamental provides professional, highly qualified staff that provide additional services and support centered on the whole student academically, physically, and mentally. The Counseling and Support Services table in this report illustrates the availability of non-instructional support staff to Hollow Hills Fundamental School's students. Full-time equivalent (FTE) is a standard measurement used to identify an employee's regular work load on a weekly basis. For example, an FTE of 1.0 designates a full-time position and the employee is on campus and available all day every day of the week; an FTE of 0.5 indicates that the staff member is available and on campus a portion (50%) of the week.

DISTRICT EXPENDITURES

SALARY & BUDGET COMPARISON

State law requires comparative salary and budget information to be reported to the general public. For comparison purposes, the State Department of Education has provided average salary data from school districts having similar average daily attendance throughout the state.

EXPENDITURES PER STUDENT

For the 2017-18 school year, Simi Valley Unified School District spent an average of \$10,407 to educate each student (Current Expense of Education per ADA, based on 2017-18 audited financial statements and calculated in accordance with Ed Code 41372). The table below 1) compares the school's per pupil expenditures from unrestricted (basic) sources with other schools in the District and throughout the state, and 2) compares the average teacher salary at the school site with average teacher salaries at the District and state levels. Detailed information regarding expenditures and salaries can be found at the CDE website at www.cde.ca.gov/ds/fd/ec/ and www.cde.ca.gov/ds/fd/cs/. (The figures shown in the table below reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)
