Principal's Message

Welcome to Miramonte! We are proud of the academic achievement made possible by our outstanding staff, students and parents. Miramonte Elementary School has received the National Blue Ribbon Schools award, has been recognized as a California Distinguished School three times and a Title I Academic Achievement Award school seven times. Most currently, Miramonte is named a California Gold Ribbon School. Our foundation for success is a result of teachers working collaboratively in their professional learning communities to ensure student learning.

We place an emphasis on character development for our students, and everyone practices Trustworthiness, Respect, Responsibility, Fairness, Caring and Citizenship (TRRFCC). The Positivity Project helps students understand their character strengths as an individual, and value the different strengths of their peers. We believe we are a dynamic school that values the diversity of our students by creating a positive, nurturing environment for all kids to learn and succeed!

We are "Loud and Proud" at Miramonte as a blazing sea of orange and blue on Fridays, with everyone wearing school colors! Practically every individual on campus on Fridays wears orange and shows "Mustang Pride in Every Stride!" We believe in the Sparthenian concept that focuses on the involvement of students in co-curricular activities in order to expand their scope of talents.

We set the bar high at Miramonte and everyone is expected to do nothing less than their absolute best! We focus on developing learning systems where students are involved in planning and able to explain the what, why and how of their learning. The teaching staff is highly trained and qualified to provide differentiated instruction to meet the diverse needs of our students. You will find instructional strategies that are research-based and targeted to the state standards, as well as tiered intervention systems utilizing push-in teachers and reading specialists to provide powerful support and acceleration to targeted students.

We truly appreciate the strong community partners who continually support us in ensuring the success of our students. Together we make a positive difference in the lives of our students and their families!

Sincerely,

Laura Hart
Principal

School Mission Statement

Our mission is to ensure students demonstrate positive character while learning the academic and social skills required for success by creating rigorous, engaging learning environments and providing timely interventions that lead to mastery learning.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

Clovis Unified School District sets a high priority upon ensuring there are sufficient textbooks and materials to support the district's instructional program. CUSD Board Policy Number 3301 establishes criteria and procedures for the adoption of all textbooks. All K-8 textbooks purchased have been approved by the State Board of Education and adopted by the Clovis Unified Governing Board. Textbooks and instructional materials purchased for grades 9-12 are aligned to the state content standards and adopted by the Clovis Unified Governing Board.

The Department of Supplemental Services continues to support the school sites with funding that allows for the purchase of supplementary instructional material for our students, including English learners in grades K-12. The supplemental material is designed to accelerate pupils as rapidly as possible toward grade-level proficiency in the core subjects of English-language arts, math, social science and science. These supplemental materials are used in addition to the basic reading/language arts and other core materials provided for every student and are correlated to state content standards.

School Facility Conditions and Planned Improvements (Most Recent Year)

Built in 1980, Miramonte School contains 32 classrooms on-site. The students and staff are accountable for maintenance of a clean, safe and orderly campus. As a result, the Miramonte campus promotes enjoyment, safety and learning. Our custodial staff consists of a daytime plant manager and two evening custodians. The custodians perform basic cleaning operations daily and maintain the grounds and buildings. In addition, we conduct deep cleaning twice a year. Our SART committee conducts eight clean-campus inspections each year.

This committee of parents inspects the campus grounds and restrooms on a regular basis to provide feedback to our student body. When asked to grade how well the buildings and grounds are maintained at their child's school, 90 percent of parents rated the grounds as "good" to "excellent." Monthly clean-campus reports are conducted by SART members and reported to the district. The school's Human Relation/Leadership students are responsible for the care and use of the facilities and report their findings at weekly leadership meetings. While not perfect, we are striving to improve student responsibility and community support in keeping our campus safe and clean.

We are pleased with our after-school program ASES, which runs until 6 o'clock each night. Students are supervised, engaged in physical activities, supported with homework and engaged in academic learning activities.

School improvement and modernization funds have allowed for vast upgrades and improvements to the school. The interior and exterior of the school has been modified and provides a more aesthetically pleasing and functionally sound learning environment. All of these features have helped to promote pride in Miramonte as a community center. As a community center, the facilities are used nightly and on weekends for community sports and activities.

Philosophically, the district believes schools are the hub of their neighborhoods. As a result, a high priority is placed on building and maintaining excellent facilities. The latest bond measure passed in June 2012, which provided funding for major renovations at Miramonte to improve technology access; expand the main office, library, kindergarten wing; and upgrade the entire campus to be more energy efficient. The projects were completed at the end of 2013.

Scheduled maintenance projects include the repainting of the stripes and markings in the parking lot and entryways. The school has had extensive upgrades over the last 10 years, and no current upgrades are scheduled beyond regular maintenance.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

Math	46	53	58	59	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)

Since 1973, Clovis Unified School District has benefited from the formation of a strong parent advisory group known as the School Assessment Review Team (SART). The Miramonte SART is representative of the school's ethnic diversity and meets once a quarter, providing a forum for school personnel and interested parents to meet and discuss items related to the effectiveness of the school's operation. Parents are encouraged to contact the school and become a member of SART. Miramonte also has an active and involved Parent Teacher Club, which meets monthly. Other parent committees include the following:

- English Learner Advisory Committee (ELAC)
- School Site Council (SSC)
- Inter-Diversity Advisory Council (IDAC)

Miramonte has a longstanding partnership with Grundfos Pumps, a major pump manufacturer for water, industry and HVAC. Other community agencies that support our school include the Clovis Police Department, Save Mart Supermarkets, Target, Mountain View-Community Church, and The Old Town Clovis Kiwanis club. Miramonte continues to actively reach out and broaden our community partnerships.

For further details on how to become involved at Miramonte, please contact Michelle Dodson, Guidance Instructional Specialist, at (559) 327-7400 or michelledodson@cusd.com.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

Miramonte has a school safety plan and a School Crisis Intervention Plan on file, and both are available to parents as well as the general public. Faculty reviews and updates the school plans annually. The staff develops both plans with input from parents and community members who work to ensure a safe and nonviolent environment. Specific areas of focus coupled with appropriate strategies to address concerns feature in our school plan. The yearly SART survey rates school safety as a positive element of school life. Key elements of the plan include monthly safety drills and crisis-intervention plans.

The school safety plan was last reviewed, updated and discussed with the school faculty in October 2019 and with the SART in November 2019.

We pride ourselves in our sky-high standards and our commitment to nonviolence. We use Time to Teach in conjunction to Positive Behavioral Interventions and Supports (PBIS) as our school-wide behavior system that reinforces positive behavior and rewards students for making appropriate choices.

Professional Development provided for Teachers

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	5 days	5 days	5 days

Miramonte teachers and staff members are committed to continued professional growth and are involved in the selection of staff-development activities. These activities are based on individual and staff needs. Institute week in August was used to do follow-up trainings around the Key Learning Principles, reading-comprehension strategies, and the new reading series, Benchmark Literacy. The staff learned about some of the strategies from the Positive Behavioral Interventions and Supports (PBIS) program and incorporated them in our schoolwide discipline system. Miramonte Staff will also participate in training with AVID, as well as Trauma Informed Schools to support students in ALL areas of need.

As an ongoing professional development, after three years of building Internal Coherence, the teachers will participate in Instructional Rounds with a focus on reading comprehension. This process allows teachers to conduct peer observations, discuss their findings and make recommendations for overall school improvement. Teachers also attend several workshops provided by the District's Curriculum, Instruction, and Assessment Department, technology trainings and state conferences each year.

The district focused all professional development activities around five identified needs: first time best instruction, mastery learning, multi-tiered system of supports, implementation of the California Content Standards and NGSS Standards, and cultural relevant understanding. In the 2018-19 school year, the district dedicated five professional development days for certificated staff. Teachers were offered professional development opportunities on staff development days, substitute release days, and on early release days. A variety of after-school workshops were also offered throughout the school year. One hundred mentors and one hundred and thirty-five participating teachers received ongoing professional development and classroom coaching through the CUSD Induction program. In addition, all certificated teachers participated in site-based training and district sponsored training that included: curriculum training, utilization of AVID strategies, Visible Learning, multi-tiered systems of support, and culturally relevant instructional practices.

Types of Services Funded

“Children Are Our Most Precious Resource”

On an annual basis, Clovis Unified School District (CUSD) submits the Application for Funding Consolidated Application and Reporting System for Categorical Aid Programs commonly called CARS. The application is submitted in two (2) parts: Part I, which contains program and demographic information, is submitted by June 1 each year; and Part II, which contains the budget information and additional program data, is submitted by January 31 each year. The categorical programs included in the application are Title I, Part A – Improving the Academic Achievement of the Disadvantaged Improving, Title I, Part C – Migrant Education, Title II, Part A – Preparing, Training and Recruiting High Quality Teachers and Principals, and Title III – Language Instruction for Limited English Proficient and Immigrant Students. Essentially, these funds are designed to assist students in mastering state standards.

Clovis Unified Schools are committed to establishing a true partnership with all facets of the Clovis Learning Community. CUSD values feedback and input. Parents continue to make positive differences in the lives of the children we all support. We know from research that participation in your child’s education will not only bring success to your child but other children in the school. Our parents truly make a difference in the lives of Clovis kids!

CUSD is pleased and proud to offer a variety of parent involvement opportunities that improve our overall program. Depending on the type of categorical funding a site may receive, district or school parent councils and committees are required under certain requirements and guidelines. Such advisory committees in the CUSD include:

- School Site Council (SSC)
- English Learner Advisory Committee (ELAC)
- District Advisory Committee (DAC) and School Advisory Committee (SAC)
- District Learner Advisory Committee (DELAC)
- District Migrant Education Parent Advisory Committee (DMEPAC)
- District Indian Education Parent Advisory Committee (IPAC)
- School and District level School Assessment Review Team (SART)
- Intercultural and Diversity Advisory Council (IDAC)
- Local Control Accountability Plan Public Forums (LCAP)

We encourage all parents and guardians to become involved with their child’s education at the classroom level the school-wide level as well as the district level. Each school’s School Plan for Student Achievement (SPSA) describes the school’s basic educational program and the categorical supplementary programs/services that are designed to support student achievement of each and every student. Parental involvement is a necessary and vital part of developing the SPSA as well as our overall program. At the district level, parent committees provide input into each of the site’s SPSA and to the District’s Local Education Agency Plan (LEAP). If you would like additional information on any of the District Parent Councils or Committees, please call your child’s school. The Principal, Learning Director, or Guidance Instructional Specialist (GIS) would be happy to assist you, or go to: <http://www.cusd.com/supplementalservices>.

Listed below are several parent committees that assist with categorical programs and funding.

School Site Council (SSC): All schools receiving categorical funds are required to form a SSC. The SSC is composed of parents, students at the secondary level and school personnel. It is responsible for developing, implementing and evaluating the School Plan for Student Achievement programs. Members serve for two years and are elected by their peers.

District Advisory Committee (DAC) & School Advisory Committee (SAC): The entirety of the SSC acts as the SAC. The SAC serves as an advisory committee for the purpose of advising schools regarding supplemental education programs and acting as a liaison for their school community. They serve to share information and comments both at the district and site level. These education programs are supplemental education opportunities that provide services to students who are disadvantaged, English learners, foster youth and/or at-risk. The SSC has approved to designate our SSC pursuant to California Education Code (EC) Section 52852 to function as the School Advisory Committee.

English Learner Advisory Committee (ELAC): All schools enrolling 21 or more English learners are required to form an ELAC. The ELAC is composed of parents and school personnel. The ELAC provides input and makes recommendations to the principal, staff and SSC regarding services for English learners and conducts an annual survey. Members serve for two years.

District English Learner Advisory Committee (DELAC): Whenever there are 51 or more EL students in the district, there shall be a functioning District English Learner Advisory Committee (DELAC). It is important that each school site ELAC elect a DELAC representative and arrange to have that representative attend every DELAC meeting. Currently the DELAC bylaws require each DELAC representative to be 1) a parent/guardian of an EL or former EL (i.e., a reclassified fluent English proficient student) currently enrolled at the site he/she represents, and 2) elected to serve as the DELAC representative by the site's ELAC.

District Indian Education Parent Advisory Committee (IPAC): The CUSD Native American Indian Education Parent Advisory Committee meets four times a year to discuss program issues, services provided, and other needs related to the student achievement of our students, community agencies and outreach programs. CUSD Indian Education Program addresses the needs of American Indian and Alaskan Native students in grades K - 12. The program assists eligible students to achieve at the same challenging state performance standards expected of all students in grades pre-K -12.

Local Control Accountability Plan (LCAP) Forums: CUSD develops an LCAP annually that works to better align the academic plan with the district expenditure plan that is approved by our CUSD Governing Board each June. Parents and other stakeholder groups are invited to participate in the development of the LCAP through participation of school and district committee meetings and community forums. LCAP School, District Meetings and Community Forums are exciting opportunities for all stakeholders and school committees to engage with the District and share their ideas on how CUSD can provide quality opportunities and support for CUSD youth and schools. Community participation and feedback in the forums will inform the District's LCAP's funding priorities over the next several years.

These forums are designed to provide an opportunity for school communities to hear about CUSD's current efforts to support youth and families and to provide input and feedback on future plans and opportunities. Sites also have an opportunity to work together in teams to share new ideas to support identified groups and to plan for site engagement and implementation.

The following is an overview of the categorical funding and programs in CUSD. These funds are further discussed and outlined in each school's SPSA and at the committee meetings.

Rationale

General District funds provide support for the District's base/core curriculum program. Some children have special characteristics, not reflective of the general school population, that affect their success in the base/core programs. Some come from economically disadvantaged homes; some are educationally disadvantaged or lack English language proficiency because they have a primary language other than English. Children, such as those described above, require supplemental services and materials not generally provided through the base/core curriculum program. The needs of our children are identified and supplemental services and materials are planned and targeted to meet their special needs. Categorical funds are to be used to provide the financial support to meet these special needs.

Philosophy

All CUSD schools offer students with special needs the same kinds of high quality learning opportunities and access to the core curriculum in all curricular areas. Categorical funds are designed to support additional assistance to help students succeed in the regular classroom program (base/core curriculum) and address any learning gaps. The focus is on the effective utilization of supplementary materials, personnel, and staff development. Staff development activities are used to improve instructional practices and strategies to increase the ability of teachers and other staff to challenge and assist all students to reach their fullest potential.

Categorical Program Descriptions

After School Safety and Education Funds (ASES): This state funded and administered program provides three-year grant funding to establish or expand after school programs that provide students with academic support and intervention, enrichment opportunities and supportive services to help the students meet state and local standards in core content areas. The purpose of the ASES program is to create additional educational and recreational opportunities for students within the learning community while providing a safe environment for students. The goals of this program are to: 1) improve academic achievement, and 2) provide enrichment opportunities that reinforce and complement the academic program.

1. Title I, Part A (Improving the Academic Achievement of the Disadvantaged): A federal-funded program to provide high-quality opportunities for students in high-poverty schools to meet district and state content and performance standards.
2. Title I, Part A, Title X, Part C, Education for Homeless Children and Youths: Title I, Part A funds provide comparable services to homeless children that assist them to effectively take advantage of educational opportunities as provided to children in schools funded under Title I, Part A. These comparable services shall be provided to homeless children in public and private schools, shelters and other locations where children may live, institutions for neglected children and, where appropriate, local institutions such as local community day school programs.
3. Title I, Part A Equity Performance and Improvement Program: Designed to support and build capacity within school districts and schools to promote equity for disadvantaged student populations in California schools. The CEPPI will build the capacity of school districts and schools in order to implement proven or promising evidence-based program and practices, specially targeted at building equity and narrowing the achievement and opportunity gaps for all underserved students.
4. Title I, Part C (Migrant Education Program): A federal-funded program focused on providing services for migratory students and their families.
5. Title II, Part A (Preparing, Training and Recruiting High Quality Teachers and Principals): A federal-funded program focused on teacher and principal training and recruitment programs.
6. Title III (Language Instruction for English Learners (ELs) and Immigrants): A federal-funded program focused on assisting school districts in teaching English to limited English proficient students (English learners) and immigrants and helping these students meet the same challenging State standards required of all other students.
7. Title IV, Part A Student Support and Academic Enrichment: The Student Support and Academic Enrichment program under Title IV, Part A of the Elementary and Secondary Education Act as amended by the Every Student Succeeds Act (ESSA) is a federal categorical program contained in the Consolidated Application. These funds are intended to increase the capacity of local education agencies (LEAs) to meet the goals of the

ESSA by providing all students with access to a well-rounded education, improving school conditions for student learning, and improving use of technology in order to improve the academic achievement and digital literacy of all students

8. Title VI (Indian Education Formula Grant): A federal-funded program focused on helping Native American/Alaskan Native students meet the same challenging state standards required of all other students.

The goal of the CUSD staff is to create and maintain the best educational environment possible. This can be accomplished with your support and input. If you have any questions, concerns, or would like to become more involved in the educational process at your school, please contact your school principal. Your school can assist you in learning more about categorical programs. You may want to become involved in your school's School Site Council (SSC), English Learner Advisory Committee (ELAC) and/or attend the Annual Title I Parent Meeting. During the fall, each school will send you additional information about these activities. At the district level, we encourage you to become involved with our DELAC. We encourage and look forward to your involvement in the programs we offer our learning community. If you have any questions, please call your child's school or the CUSD Department of Supplemental Services @ 327.0661, additional information may be found @ <http://www.cusd.com/supplementalservices>.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
