School Accountability Report Card

Reported Using Data from the 2018-19 School Year

Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2019-20)

Ralph Dunlap Elementary School, located in the Orcutt Union School District, is in the southern region of the Santa Maria Valley and serves students in grades kindergarten through six following a traditional calendar. For the 2019-2020 school year, 575 students are enrolled, which includes 11% in Special Education, 7% qualifying for English Language Learner support, and 37% qualifying for free or reduced price lunch. Two Special Day Classes are serving students in 1st-2nd grades and 4th-6th grades this year.

School Vision:

Ralph Dunlap School has a strong tradition of outstanding student achievement. To carry on this practice of excellence, the staff "commits" to maintain high expectations and promote academic superiority for all students through essential curriculum. We will create rich, varied experiences in curricular learnings that accommodate different learning styles and abilities. We will foster a positive school climate that results from a caring community which respects and values diversity and provides a nurturing environment for positive self-esteem. This environment will be orderly, safe, inviting and stimulating for all. We will create an atmosphere where the staff learns, works and shares as a collaborative team and where the leadership is supportive, encouraging and promotes positive changes. We will build a cooperative link between home, school and community, that recognizes and embraces the unique community in which we serve.

School Mission:

Ralph Dunlap Elementary School's mission is to have a learning community where students, staff and parents work in partnership to ensure a superior academic educational experience for students. All students will achieve their personal best in this collaborative environment that is equipped with the educational technology and resources to create life-long learners able to excel in a world of constantly changing technology, culture and social values.

Therefore, Ralph Dunlap teaching staff makes the following commitments:

1. Be professional and accountable.
2. Be consistent in implementing student expectations.
3. Protect instructional time.
4. Celebrate and educate our students and each other.
5. Be open to embrace changes and take risks.
6. Respect everyone's uniqueness and level of expertise.
7. Be an encouraging, caring and supportive staff member.
8. Be enthusiastic, positive, motivated, fun and creative.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

Year and month in which data were collected: December 2019

All textbooks used in the core curriculum at Ralph Dunlap Elementary School are aligned to the California Content Standards and Frameworks. Instructional materials are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. The district follows the State Board of Education's six-year adoption cycle for core content materials (English/language arts, math, science, and social science).

On Wednesday, September 11, 2019, the Orcutt Union Elementary's Board held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Education adopted Resolution No. 2 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, and (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts.

In addition to core subject areas, districts are required to disclose in their SARCs the sufficiency of instructional materials used for their visual/performing arts curricula. Orcutt Union Elementary did not offer visual/performing arts classes and therefore did not require the distribution of respective textbooks and instructional materials.

School Facility Conditions and Planned Improvements (Most Recent Year)

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Ralph Dunlap Elementary School's original facilities were built in 1962. Ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Every morning before school begins, the custodian inspects the facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One day custodian and one evening custodian are assigned to Ralph Dunlap Elementary School. The day custodian is responsible for:

- Classroom cleaning
- Groundskeeping

- Lunch area setup/cleanup
- Restroom cleaning

Restrooms are checked throughout the day for cleanliness and

subsequently cleaned as needed. The evening custodian is

responsible for:

- Classroom cleaning
- Office area cleaning
- Restroom cleaning

The principal communicates with the custodial staff daily concerning

maintenance and school safety issues and responds to staff concerns as they arise.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

Year and month of the most recent FIT report: January 2020

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)	47	43	45	44	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

School Safety Plan (School Year 2019-20)

The Comprehensive School Site Safety Plan was developed for Ralph Dunlap Elementary School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most recent school safety plan was reviewed, updated, and discussed with school staff in the winter of 2020.

Ralph Dunlap School seeks to provide for all students:

Safety arriving to and departing from school; Safety in the classroom; Safety on the playground; Safety in the hallways; Safety in the cafeteria/multi-use room; Safety from bullying, harassment, prejudice.

Ralph Dunlap staff also promotes the following Guidelines for Success: DOLPHIN

That our students will be:

Dedicated learners; Organized and prepared; Listening and learning; Polite students; Hardworking; Involved citizens; Nurturing; Striving to do their best

Ralph Dunlap Staff Commitments:

Be open to embrace changes and take risks. Celebrate and educate our students and each other. Be professional and accountable. Protect instructional time. Respect everyone's uniqueness and level of expertise. Be consistent in implementing student expectations. Be an encouraging, caring and supportive staff member. Be enthusiastic, positive, motivated, fun and creative.

Types of Services Funded (Fiscal Year 2018-19)

The goal of Ralph Dunlap Elementary School is to support every student in reaching their highest potential. In addition to Core Services such as English learner support and specialized instruction for students qualifying for Special Education Services, Ralph Dunlap Elementary School also offers designated time within the school day for targeted intervention. Students on or above grade level receive enrichment or challenge activities during this time. All students also receive weekly music and art education along with physical education instruction from a fully credentialed teacher. Students without access to a computer and/or internet in the home are invited to complete homework in the computer lab or with a teacher that can help support them in gaining access.

All training and curriculum development activities at Ralph

Dunlap Elementary School help support staff knowledge and implementation of California Common

Core Standards. The District is very supportive in hosting relevant training and meetings indicated below.

- Grade level writing meetings
- iPad, Chromebook, and Digital Media Academies
- Leadership Team meetings with "partner" schools
- Science and History adoption support training/meetings
- Professional Learning Communities
- Examining Student Achievement
- Grade Level Math Workshops
- Differentiated Instruction
- Addressing the Needs of English Learners
- Positive Behavior Interventions and Support

Decisions concerning selection of staff development activities

are made by the principal and district Educational Services.

Tools such as teacher input and data analysis help to determine

the areas in which additional teacher training may enhance

classroom instruction and increase student achievement levels.

Ralph Dunlap teachers meet in grade level PLC groups weekly

to discuss essential standards and student achievement and progress towards almost meeting, meeting and exceeding those standards.

Ralph Dunlap Elementary School encourages ongoing professional

growth throughout the year as trainings arise. Teachers meet in both grade level and department level teams to conduct data analysis to identify areas of need. Teaching staff are provided the opportunity to participate in district-sponsored staff development workshops or training sessions such as 1) a supplement to site-based staff development, 2) for reinforcement of or follow-up on previous training, or 3) follow-up training for newly implemented programs/curricula.

Ralph Dunlap Elementary School offers support to new and veteran teachers through peer coaching and mentoring.

Substitute teachers are invited to participate in designated staff development activities. All staff are encouraged to attend professional workshops and conferences. Classified support staff receive job-related training from department supervisors and district representatives.
