School Description

Joshua is a Capturing Kids Hearts National Showcase School. We believe if we capture kids hearts, we can capture their mind and lead them to success.

Joshua Mission Statement: Why do we exist? The mission of Joshua Elementary School is to provide an appropriate, meaningful and goal-oriented education in an equity-driven and safe environment, preparing all students for personal and professional success in the community.

Joshua Vision Statement: What must we become in order to accomplish our fundamental purpose?

In order to develop our capacity to function as a professional learning community. We envision a school in which staff:

1. Work together - interdependently - in collaborative teams.
2. Regularly monitor every student's progress toward mastery of grade-level standards through the use of common formative assessments as reflected through data.
3. Commit to the academic and personal success of every student.
4. Seek and implement strategies to address barriers regularly within lessons and the classroom environment.

Values/Commitments: What agreements will the adults make to each other in order for the vision to become real?

In order to achieve the shared vision of our school, Joshua staff make the following collective commitments:

1. We will make decisions with student learning as our focus.
2. We will have high expectations for all students and ourselves.
3. We will work collaboratively in identifying the essential standards, choosing instructional strategies, and designing common formative assessments to monitor each student's learning.
4. We will use the results of assessments to guide us through the PLC cycle of continuous improvement (4 questions).
5. We will initiate individual and small-group instructional programs to provide additional support for all students.
6. We will engage in and implement meaningful, job-embedded staff development to enhance our professional skills.
7. We will model what we expect from our students including life-long learning, behaviors, and respect.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

All textbooks were selected from the most recent list of standards-based materials adopted by the California State Board of Education and are consistent with the content and cycles of the curriculum frameworks adopted by the SBE. Textbooks are chosen after careful review and piloting by teachers and then are approved by the Board of Trustees. There are textbooks/instructional materials for each student in each subject. All adopted textbooks are in fair to new condition.

School Facility Conditions and Planned Improvements (Most Recent Year)**General**

The district takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the Los Angeles County Office of Education. The results of this survey are available at the school office or at the district office.

School Buildings

Joshua School was built in 1955 and modernized in 1989. The main building houses our front, health, and principal's offices, staff lounge, library, and cafeteria. There are a total of 47 classrooms—38 permanent and 9 re-locatable and a computer lab.

Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

Cleaning Process and Schedule

The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the district office. The Supervisor of Operations works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

Deferred Maintenance Budget

Although the State no longer requires a Deferred Maintenance contribution, Lancaster School District is still dedicated to maintaining the facilities for our students. These expenditures would include but not be limited to roofing, plumbing, heating, air conditioning, electrical, painting, and flooring. For the 2019-20 school year, the district has budgeted \$940,000 for deferred maintenance projects.

Deferred Maintenance Projects

Modernization of the cafeteria/kitchen is under way with completion of the project completing in December of 2019. Prob 39: 26 classroom HVAC units were replaced.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 17-18	School 18-19	District 17-18	District 18-19	State 17-18	State 18-19
ELA	11	10	32	31	50	50
Math	7	5	17	18	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Cells with N/A values do not require data.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018-19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

2018-19 Percent of Students Meeting Fitness Standards

Grade Level	4 of 6	5 of 6	6 of 6
5	26.1	19.6	2.2

Note: Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)

Joshua seeks to build positive partnerships with families and the community. "It doesn't take a village to raise a child, it takes villagers!" Together, we can ensure our students' success. The following opportunities for involvement exist at Joshua Elementary School:

- Parent Teacher Student Association (PTSA)
- AVID Parent University workshops
- Family Nights
- Parenting Partnerships
- Lunch on the Lawn (4 times per year)
- Pastries for Parents
- School Site Council
- African American Action Council
- English Learner Advisory Committee
- School Volunteer (Parent Partner Training and Current TB Test Required)

There are numerous other ways to get involved in your child's education. For further information, contact Lorraine Zapata at 661-948-0743.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

Safety Plans are revised and reviewed annually with the staff and School Site Council at the beginning of each school year. Key elements addressed by the plan include:

- Child abuse reporting procedures
- Disaster and emergency procedures
- Incident Command System (ICS) responsibilities
- Teacher notification of dangerous students
- Sexual harassment policy
- School-wide dress code
- Provisions for safe ingress and egress to and from school
- Provisions for a safe and orderly environment conducive to learning
- Rules and procedures on school discipline
- Procedures for reporting hate crime
- Emergency response procedures
- Bullying prevention, programs, and reporting procedures
- Suicide prevention policy and programs
- Threat assessment procedures
- Visitor policies and procedures
- School rules
- Equipment and supplies
- Communication systems

A full description of all elements is available from the school office or from the Pupil Safety and Attendance Department of the District Office.

Professional Development provided for Teachers

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	25	25	26

The Lancaster School District provides professional development throughout the school year that trains and supports staff in the effective implementation of our adopted core and cornerstone programs including, but not limited to: 21st Century Instructional Strategies, Unit and Lesson Design and Delivery, Data Analysis, Leadership Training, Writing Instruction, Coaching, Direct Instruction, Conceptual Development, Building Academic Vocabulary, Culturally Responsive Teaching and Learning (including Capturing Kids Hearts), Integrating Technology into the Classroom, PBIS, Intervention, and Differentiation in Strategies for teaching EL, GATE, and at-risk students. High-quality, ongoing professional development opportunities are recognized as an important component in our work towards continuous improvement in student learning.

Ongoing opportunities include in-services during and after the work day as well as through site and district in-class and on-site coaching. All teachers are provided multiple opportunities to receive optional paid professional development. The school year calendar allows for 38 minimum days in which 17 days are utilized to provide 1-2 hours of district and site designed professional development specific to their needs. Outside workshops, conferences and other in-services that provide more in-depth training and further prepare our staff members to become trainers for our district are available as approved by the Board of Trustees.

Professional development supporting our instructional programs and services for students is also provided for our classified staff members. Additionally, workshops designed to improve technology skills, provide training with key software programs utilized in the district, and offer information on personal excellence and social responsibility are included in the professional development course offerings for classified staff throughout the school year.

Types of Services Funded

Local Control Funding Formula (LCFF) Base, Supplemental, and Concentration funds are utilized as outlined in the Local Control Accountability Plan (LCAP) to ensure that all students receive the intervention or enrichment support and services that are needed to help them become proficient in academic areas and details the actions associated with meeting the specific needs of English Learners, foster and homeless youth, and low-income students. Before and after school tutoring for at risk and EL students is available through Title I funding.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
