**Principal:** Jason Campbell

**Phone:** 916-714-5520

**Grade Span:** K-6

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

**DataQuest**

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

**Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### School Description and Mission Statement (School Year 2019 - 2020)

Dear Batey Families,

Vice Principal Mrs. Keating and I are proud to be Batey Bobcats! The educational foundation in place at Edna Batey speaks to the hard work and dedication of the staff and community in the previous years and we are excited to be a part of this school.

The EGUSD mission is to challenge all of our students to realize their greatest potential. That is clearly evident in all that our staff supports for our students. We are committed to a region-wide effort that supports our district's mission, from our Transitional K classes through 12th grade. The administrators of the Pleasant Grove Region recognize that it takes all of us to work together.

We welcome parents as partners in their child's learning adventure. Parent involvement is an essential component of our school. Your support is given, recognized, and appreciated. Some parents help plan the programs and policies, while others serve as classroom volunteers, plan family activities, or serve as art docents. We welcome parental input at any time through our School Site Council meetings, English Language Advisory Committee, the PTA, or any number of other committees. Parents also support student success by providing space, time, and encouragement for daily homework and by sending a clear message that education and regular school attendance are important to the family.

At Batey, our Positive Behavioral Interventions and Support (PBIS) system continues to be successful. Together we support the BOBCAT PACT and expect students and staff to honor our agreements to Be Safe, Responsible, Respectful, and Resourceful. We enjoy a positive school environment not only for our students, but for our staff and parents as well. Thank you for your continued support.

Respectfully,  
Jason Campbell

## School Facility Conditions and Planned Improvements (School Year 2019 - 2020)

Edna Batey has 36 classrooms spread across five main instructional wings. Each wing contains shared storage and workrooms for teachers. We have a multipurpose room that serves as a cafeteria and auditorium with a performance stage. Our library wing contains the library, computer lab and learning center that houses some of our special education programs. We also have an administration building. Currently, we have students in grades Transitional Kindergarten (TK) through 6th grade including six self-contained special education classrooms. Our campus was built in 2003 with permanent classroom spaces. We have two playgrounds: one for our 1st - 6th grade students and one for our TK and Kindergarten age students. Our field has a running track, soccer fields, shade structure, and a baseball diamond.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

The district’s maintenance and grounds departments work in concert with the school site custodial team to ensure that school buildings, classrooms, and grounds are maintained at top levels to provide a safe and functional environment for all students. The district utilizes the latest electronic work order system enabling site administration and custodians to communicate maintenance needs, urgent repairs, or necessary projects. Emergency repair needs are immediately resolved by either the school custodian or district maintenance staff. The school’s custodians work as a team and with the principal to develop a daily cleaning process and schedule. Each morning the custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary. The Board of Education has adopted cleaning standards for all schools in the district.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

Maintenance continues to keep the site upgraded. Our main playground was resurfaced during the summer of 2015.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students  
Grades Three through Eight and Grade Eleven  
Percent of Students Meeting or Exceeding the State Standards

Subject	School 2017 - 2018	School 2018 - 2019	District 2017 - 2018	District 2018 - 2019	State 2017 - 2018	State 2018 - 2019
English Language Arts/Literacy (grades 3-8 and 11)	63%	65%	55%	56%	50%	50%
Mathematics (grades 3-8 and 11)	63%	59%	45%	45%	38%	39%

Note: Percentages are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes students that did not receive a score; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using students with scores.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

#### Opportunities for Parental Involvement (School Year 2019 - 2020)

As stakeholders in your child's education, we rely on your input and support of our school and programs. We have a very active PTA that supports us in many ways. Our School Site Council, English Language Learners Advisory, and GATE Advisory, guide the administration with school governance and our LCAP Priorities. We have art docents and parent volunteers in many of our classrooms. We encourage you to contact Mr. Campbell (Jcampbea@egusd.net), Mrs. Keating (TKeating@egusd.net) or your child's teacher to learn more about getting involved.

### State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

#### School Safety Plan (School Year 2019 - 2020)

Your child's safety is important to us. We are committed to providing a safe, secure environment for learning. Our staff and SSC updated our Comprehensive Safe School Plan in March 2019. The plan includes our anti-bullying policy, character education and safety practices. A review of the plan also occurs the beginning of the year with our staff. An "Emergency Packet" outlining a plan of action for emergencies is posted in all public areas and in each classroom. Periodic school safety inspections are conducted by the County of Sacramento. Visitors are asked to check in and enter the premises through the office. Access is controlled during the day and adult supervision is provided before and after school. EGUSD Police Services works closely with us to provide a safe and secure environment for our students.

## Types of Services Funded (Fiscal Year 2019 - 2020)

We have a highly qualified staff to assist students in many ways. Our Learning Center team works with teachers to support students who are on an Individualized Education Program (IEP) or are not meeting grade level standards. Strong collaboration between the general education staff and the Learning Center ensure that all students have an opportunity to be successful in school. We support an Inclusion program and ASD classes for students who qualify for the programs. Our intervention team includes teachers that support English Learners in the classroom in small groups. We offer some Intervention and Extended Day classes based on student need. Our GATE program has been revitalized and currently being developed to meet the needs of 4-6 graders who are ready for the challenge of an accelerated program. We will seek out students who are eligible for GATE testing and support them in the classroom as needed. We pride ourselves on meeting the needs of all.

## Professional Development

Our school and district offer a variety of professional learning opportunities for teachers, instructional aides, and non-instructional support staff. New teachers who have been teaching fewer than two years are supported by the district's BTSA program. Our school is focused on the implementing Professional Learning Communities that will support all of our school initiatives. Our site has two leadership teams that plan and guide professional development needs on campus - one supports all instruction including our "On Grade Level Reading" Initiative and Math, and the other that supports the implementation of our PBIS Program and School Climate. Our special education staff also meets regularly to determine their instructional needs. Our district offers a variety of opportunities for teachers to pursue other areas of interest as well. EGUSD also offers many opportunities for our support staff with topics related to their positions. Staff development is provided on a continual basis at site and district level through the Curriculum and Professional Learning Department.
