School Description

Stokoe Elementary School is located in the western region of Riverside and serves students in the grades Preschool-5th following a traditional calendar.

Stokoe Elementary School's student body includes includes Head Start Preschool and a full continuum of specialized educational services for students with autism and other learning disabilities. Stokoe staff is focused on bringing the highest quality instruction to meet each students' individual needs so that they can realize their unlimited potential.

As part of this high quality instruction, we have many supplemental programs that make our campus unique. We have developed a STEM program where all students participate in interactive learning STEM rotations every Tuesday. We are in our third year of AVID implementation which is teaching students organization, time management planning and communication skills to support college readiness. Stokoe follows the "Character Counts" model and promotes the pillars of character: trustworthiness, respect, responsibility, fairness, caring, and citizenship. We proudly display community and district exhibits to promote visual arts in our Museum. In addition, all of our staff and students have worked hard to build a healthy school environment through physical activity and healthy choices.

Mission Statement

Alvord Unified School District, a dynamic learning community that embraces innovation, exists to ensure all students attain lifelong success through a system distinguished by:

- Active and inclusive partnerships
- Relationships that foster a culture of trust and integrity
- High expectations and equitable learning opportunities for all
- A mindset that promotes continuous improvement
- Multiple opportunities for exploration and creativity
- Professional development that promotes quality teaching and learning
- Access to learning experiences that promote a high quality of life

In addition, all schools strive to attain the Alvord vision that all students will realize their unlimited potential.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

On September 19, 2019, Alvord Unified School District's Board of Education held a public hearing to comply with requirements of Education Code Section 60019. Information provided at the public hearing detailed (1) the extent to which standards-aligned textbooks and instructional materials were provided to all students, including English learners; (2) the definition of "sufficient textbooks or instructional materials" means each student has a textbook or materials, or both, to use in class and to take home and does not mean the district is required to have two sets of textbooks for each student; (3) sufficient textbooks and instructional materials were provided to each student, including English learners, in math, English language arts & English language development, history-social science, and science; (4) sufficient textbooks and instructional materials were provided to each student enrolled in foreign language and health classes; and (5) sufficient laboratory science equipment was provided for science laboratory classes offered in grades 9-12. During this hearing, the governing board determined that Alvord Unified School District provided each student with sufficient textbooks and instructional materials aligned to the California academic content standards consistent with the cycles and content of the California curriculum frameworks.

In addition, Alvord Unified School District has sufficient standards-aligned textbooks and instructional materials for all students, including English learners, enrolled in visual and performing arts classes. Developing a long-term textbook adoption plan for textbooks is in process.

Philip M. Stokoe Elementary School uses the governing board adopted textbooks and instructional materials as detailed in the table:

School Facility Conditions and Planned Improvements (Most Recent Year)

Stokoe Elementary School, built in 2007, is located on 12.82 acreage and its square footage totals 109,093. The school has 30 permanent classrooms, six sets of restrooms, one library, one math & science lab, one multipurpose/cafeteria room, one museum, one music room, one occupational therapy room, one staff lounge, and two staff work rooms. On-going campus improvements and maintenance ensure facilities are up to date and provide adequate space for students and staff.

Alvord Unified School District takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California OPSC. Results of this survey are available in the school office or at the district. In addition, district maintenance staff makes repairs necessary to keep the school in good repair and working order. A district-wide work order process is used to ensure efficient service and to prioritize repairs.

The school is cleaned on a regular basis with a day custodian and evening custodians who work with site administration to develop a cleaning schedule to maintain a clean and safe environment for all students before, during and after the instructional day.

* All FIT report repairs described in the following table are completed, in progress, or planned for repair.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

Math	22	23	27	28	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)

Stokoe is committed to fostering and maintaining an active parent involvement program. Since success is a shared responsibility, parents are encouraged to be active participants in their child's education in a variety of ways. Stokoe has a Parent Involvement Policy that outlines all the ways parents can get involved in our school.

Parents are involved through four specific parent groups: Parent Teacher Organization (PTO), Action Teams for Partnership (ATP), English Learners Advisory Committee (ELAC) and School Site Council (SSC). Participation and attendance in these groups provides parents the opportunity to fully understand the workings of the public educational system and programs. Parents are also encouraged to get involved by attending Back to School Night, Open House, Annual Title 1 Meeting, Principal's Coffee, Family Nights, Parent-Teacher Conferences, monthly Flag Ceremony, semester awards, special classroom events, as classroom volunteers and as field trip chaperones. In addition, fathers, grandfathers and other male family members are encouraged to be part of Watch DOGS (Dads of Great Students) and serve as volunteers and positive male role models on campus. Our ATP committee monitors and develops an annual action plan for parent engagement focused on parent education and student achievement.

We collaborate with parents and all partners for the benefit of our students and the future of our community. Communication is timely and parent input is sought, considered and used to guide decisions that will impact policies and programs offered to support student achievement. Regular communication is provided in English and Spanish via personal contact, school marquee, flyers, monthly newsletters, Blackboard Connect, PeachJar (auto email and text message), digital apps (REMIND and Class DoJo) and social media (Instagram and Facebook) so that parents remain informed of academic learning and other school activities. Parent input is gathered from SSC, ELAC and Principal's Coffee. Parent workshops are offered throughout the year during ELAC, SSC, parent involvement week and TK/Kinder Camp. Translation and childcare are offered during meetings and events and meetings are scheduled at multiple times of the day to ensure all parents have the opportunity to participate.

Contact any school office staff member at (951) 358-1640 for more information on how to become involved in your child's learning environment.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

The Comprehensive School Safety Plan was discussed with staff, evaluated, amended, reviewed, and updated in December of 2019. The plan is reviewed and revised annually in March of each year. This plan, developed in collaboration with the school, local agencies and the district office, fulfills all legal requirements and complies with EC 32280-89. A school disaster preparedness plan that deals with a wide variety of emergency situations is included into the School Safety Plan. Earthquake, fire, and lockdown drills are conducted as required. The key elements of the Comprehensive School Safety Plan include an assessment of current status of school crime; dress code policy; child abuse reporting procedures; routine and emergency disaster procedures; safe movement of students, parents and staff to and from school; maintaining a safe and orderly school environment; sexual harassment policy; safety procedures; suspension, expulsion, and mandatory expulsion policies; teacher notification of dangerous students policy; anti-bullying policy; and school discipline rules and procedures pursuant to EC 35291 and 35291.5.

Professional Development provided for Teachers

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	4	6	5

All staff members participate in professional development offered by the school. In addition, many staff members participate in additional trainings appropriate for individual needs or for specific programs sponsored by the district through departments. Site professional development is held during early release and grade level/subject collaboration days. These collaborations focus on the cycle of inquiry and plan for first, best instruction after a review of standards and students results on formative and summative assessments. District professional development includes release days and after school workshops. When appropriate to meet the needs of students, staff attends conferences. District instructional coaches and site academic coaches support certificated and paraprofessional staff by providing workshop opportunities, individual mentoring, and in-class coaching. New teachers are supported by the Teacher Induction Program that includes coaching and mentoring. Classified paraprofessionals and support staff attend job-related training provided by the site and district.

During 2018-19, Stokoe Elementary School's professional development focused on analysis of student achievement reports (DIBELS, SBAC, SVMI and formative assessments), reading/writing strategies, Number Sense Routines (including Choral Counting, Counting Collections, Number Talks, Number Strings, 3 Reads), Cognitively Guided Instruction to improve conceptual understanding and number sense in mathematics, Designated English Language Development, positive behavior supports, implementation of new ELA adoption (Wonders) and topics related to administration of state assessments (ELPAC, SBAC).

Alvord Unified School District provided professional development for teachers and support staff in 2018-19 on various topics related to state mandated assessments (SBAC, ELPAC), special education assessments, interim assessments, formative assessments (PELI, DIBELS), student data chats, Aeries/CALPADS data management for specific school staff, instructional strategies for English learners, interventions with Wonderworks, behavior supports, mandated special education forms/plans, crisis response, student success teams, and Aeries gradebook.

The annual number of school days dedicated to staff development and/or collaboration are attended by either all staff, grade level teams, or subject level teachers:

Types of Services Funded

In addition to local, state, and federal funds for special education and the base educational program, Stokoe Elementary School received the following supplemental state and federal funds in 2018-19:

State Local Control Funding Formula Supplemental & Concentration Grants to increase or improve services for low income students, English learners or foster youth.

Federal Title I funds to provide school-wide supplemental services to support students identified as not meeting the rigorous state academic standards. Specific services and actions are described in the school's School Plan and/or the District's Local Control and Accountability Plan.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
