## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

### School Facility Conditions and Planned Improvements (Most Recent Year)

#### School Facility Conditions and Planned Improvements

Knob Hill Elementary School opened in 1988, and we are near its maximum student capacity. Our school includes 11 buildings, of which six are portables. Knob Hill Elementary School has 39 classrooms, including 19 relocatables, a multipurpose room, a library, and an administration building. Together they accommodate approximately 870 students. Knob Hill Elementary has been updated technologically and has Internet connectivity in each classroom. Our cafeteria/multipurpose room serves as many as 500 hot lunches daily and doubles as our assembly room. We allocate one building to the school's on-site daycare program to serve our families before and after school and one to a state-run preschool.

The physical quality of our school buildings influences learning and teaching. All students and faculty have a reasonable amount of classroom and open space.

#### Cleaning Process and Schedule

The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office and at the district office. The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

#### Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

### CAASPP Test Results in ELA and Mathematics for All Students

#### Grades Three through Eight and Grade Eleven

##### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 17-18	School 18-19	District 17-18	District 18-19	State 17-18	State 18-19
ELA	64	70	65	67	50	50
Math	47	57	51	52	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The Comprehensive Safe School Plan includes data regarding crime, safe school procedures and compliance with laws including: (1) child abuse reporting, (2) disaster response, (3) suspension and expulsion policies, (4) notification of teachers of dangerous pupils, (5) sexual harassment, (6) schoolwide dress codes prohibiting gang-related apparel, (7) procedures for safe ingress and egress from school, (8) procedures to ensure a safe and orderly environment conducive to learning, (9) rules and procedures on school discipline adopted pursuant to Ed Code Sections 35291 and 35291.5, and (10) lock down procedures. A copy of the plan is available for inspection by the public at each school.

Teachers and playground supervisors monitor students outside the classrooms. Staff monitors the playgrounds before school and during recesses. We also hold monthly drills including fire, disaster, earthquake, and intruder alerts.

Posters in all classrooms remind students to use nonviolent means to solve problems and to remember our monthly character themes, the "Hawk Way." Students in our Peace Patrol help resolve conflicts on the playground. Teachers work with individual students on behavior issues by providing individual behavior contracts as needed.

San Marcos Unified School District (SMUSD) is committed to the belief that the strongest predictor of student achievement is the quality of the teacher inside the classroom. In support of this belief, SMUSD is deeply committed to teacher learning and professional development as evidenced by our district mission statement.

San Marcos Unified School District's Mission Statement includes these commitments:

- "hiring and retaining only the best educators and investing in their success."
- "providing quality education based on high standards, effective practices, continuous improvement, and innovation."

Every new teacher in our district engages in a rigorous 2 year training program where the new employee receives 30 hours of professional development on our research-based instructional framework, the Essential Elements of Instruction (EEI). These instructional strategies apply to any curricular area and any grade level. New administrators to the District receive professional learning in this instructional framework as well.

In the 2018-2019 school year, the elementary level focused professional learning on the continued implementation of state academic standards in English language Arts (ELA), English language development (ELD) and mathematics. Our district ELA/ELD leadership team received training in Tier I literacy and ELD grounded in formative, summative assessments, and differentiated instruction. Our Math cadre teachers received on-going professional development in math instruction and assessments. Teacher grade level leaders received support to deepen their understanding of effective Professional Learning Communities (PLC).

Various means of professional learning were offered: face-to-face workshops during the regular work day, during school breaks, after school as well as online sessions available for staff. Principals and ELA/ELD and math teacher leaders provided staff development during regularly scheduled staff meeting throughout the year. Teachers who work with students with special needs engaged in ongoing collaboration to implement more inclusive delivery models.

Teachers continued to engage in professional development each week as they worked collaboratively during their structured teacher collaboration time (early release Wednesdays for elementary/middle school staff and late start Tuesdays for high school staff). This provided teachers the opportunity to share best practices to meet students' needs. Teachers on Special Assignment (TOSAs) provided professional development and worked with teachers in their classrooms modeling strategies, planning collaboratively, and providing support.
