### School Description

Elverta Elementary is proud to present our current School Accountability Report Card. Students and their families, faculty members and staff, work diligently to make education the highest priority of our community. Elverta provides a safe, caring environment which enables learners to reach their individual potential, including literacy, knowledge and skills needed to exercise the rights and humanitarian responsibilities of citizenship and the ability to compete in a global economy. Staff supports the view that emotional, psychological and social needs of students are intrinsically related to academic achievement and fully promote this approach. Elverta School Site Council, in conjunction with all share-holders, develops and applies the vision for the District. About This School Originally, the Lincoln Elementary School, now called the Elverta Joint Elementary School District, was constructed in 1855 on homestead land donated by David Strauch located on the present Strauch ranch west of the Western Pacific Railroad tracks. The district which was then named Lincoln School District went as far as the Archway, now Rio Linda, north to the county line, east to the Center Joint School District, and west to the American River. About 1904, more people came to this area, including the Northern Electric Railroad which came through Elverta going as far as Chico, and a new school district began to form. The original school house was a one-room wood building, with no electricity or plumbing. Very few of the students could speak English because the predominate language was German. Some of the old families who had children attending the school were Jacob Scheidel who came from Alsace-Lorraine, Germany in 1860, Charles Schmittmeyer and David Strauch from Bavaria, Germany. In 1897, the school house was moved on an area of land donated by V.F. Strauch now located on the corner of Elverta Road and Elwyn Avenue. The "Deed", dated October 19, 1901, was in consideration of \$10 to F. Strauch, W.S. Wait and C.T. Horgan, from the Trustees of the Lincoln School District for one acre of land, more or less. In 1911, a new and larger one room school house was constructed on that same site. In the early 1920's, a new school was built on the present site in Rio Linda Boulevard, and the old school on Elwyn Avenue and Elverta Road was later used as a lodge hall for the Modern Woodmen of America. The School which was wood and stucco had one small classroom and one large classroom with large folding doors to make two classrooms when needed. In the larger classroom there was a stage where silent movies were screened for the community for night recreation. Desks were one piece, bolted to the floor. The school was heated by coal stoves, and in 1927, the school burned to the ground as a result of one of the coal stoves. Classes were held in various homes until the school was rebuilt on it's current location in the fall of 1928. On October 2, 1941, the woman of the Elverta School District met in the Elverta Elementary School for the purpose of organizing a Mothers Club. The current version of the P.T.A. replaced the Mothers Club in the early 1980's. In 1955, the community club of Elverta changed the name of the school from Lincoln to Elverta Elementary School, Elverta School District. On December 6, 1954, two classrooms were added; on November 15, 1957, three more were completed; and on November 15, 1960, three classrooms, a kindergarten, administrative office, multipurpose room and kitchen were added, giving a total of 13 classrooms. The Cornerstone Ceremony for the Elverta Elementary School was held Saturday, April 30, 1977. The Alpha School District joined the Elverta District in 1965, when Alpha School was built on Elwyn and Artesia. Ten acres of land were purchased for \$18,000. The original Alpha School in Placer County was a two-room school house on Baseline Road between Elder Street and Pleasant Grove Road. At this time the word "joint" was added to the District's official name because the District now included parts of two counties. In 1981 Alpha Elementary School was converted to an intermediate school for seventh and eighth graders. In 1998, Alpha Intermediate School's name changed to Alpha Technology Middle School. In 2005 it was named a Distinguished California Middle School.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Three (3) additional days are provided to teachers for ongoing training and skill development in academic content and consistent procedures with students.

**Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)**

The Textbook committee is a group of teachers along with supervision of the Superintendent. The teachers decide on textbooks from an approved list which is State approved and within the frame works adopted by the State Board of Education. Textbooks and instructional materials are available to all students, including English Learners, the the classroom and to take home.

We have two full time janitors who work during school hours. The Facilitates coordinator makes sure that a safety check is done on a monthly basis to ensure that the school is safe, clean and in good condition.

The District participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

### CAASPP Test Results in ELA and Mathematics for All Students

#### Grades Three through Eight and Grade Eleven

#### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 17-18	School 18-19	District 17-18	District 18-19	State 17-18	State 18-19
ELA	29	31	23	27	50	50
Math	24	22	18	15	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

### CAASPP Test Results in Science for All Students

Science	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018-19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

### 2018-19 Percent of Students Meeting Fitness Standards

Grade Level	4 of 6	5 of 6	6 of 6
5	31.0	6.9	34.5

Note: Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

### Opportunities for Parental Involvement (School Year 2019-20)

Elverta Elementary School is very proud of the extraordinary support of its parents and our strong connection to the Elverta community. Our success as a learning institution is dependent upon the quality of our partnerships with our parents and the greater community. It is our good fortune to enjoy the support of a community that fully appreciates and embraces the value of quality education. Parents and guardians are regularly encouraged to participate in the multitude of available programs. From our Parent Teacher Association (PTA), to fund-raising events, to family science nights and outdoor education, parents are active partners in the educational process. Field trips, Back-to-School Nights and monthly award celebrations offer additional venues for family adults to support their student(s). A sampling of parent opportunities for involvement include: Classroom Volunteer, Drama Events, School Site Council, Open House, Family Literacy Project, Thanksgiving Lunch, Kids Helping Kids, Back-to-School Night, Homework Support, Field Trips, School Pledge, Parent/Teacher Conferences, Parent Teacher Association, Elverta Alumni Association, Campus Beautification, Awards Assemblies. For more information on how to become involved, please contact Dr. Michael D. Borgaard, Superintendent/Principal at (916) 991-5400 or (916) 991-2244.

### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### School Safety Plan

Maintaining a safe and orderly environment in order to maximize student learning is a top priority of Elverta Elementary School. This school is in compliance with all laws, rules and regulations pertaining to hazardous materials and state safety standards. The school plan, developed in conjunction with local law enforcement and fire departments, includes steps for ensuring student and staff safety during or following an emergency or local disaster. Students receive regular training in fire, intruder, natural disaster and earthquake events. Emergency drills are conducted regularly throughout the school year. The safety plan is revised and implemented annually and is on file in the Principal's office. Elverta boasts up-to-date restroom facilities, American Disabilities Act compliance and an aesthetically pleasing environment in which to learn and work. Additionally, we view the concept of discipline as an integral part of the learning process. In this context, we teach and model pro-social behavior by treating children with respect and dignity and by offering a quality curriculum to keep all students engaged in learning. Discipline problems are few and minor (as you will read in other sections of this report) and the school offers programs, such as Character Counts assemblies to support students in taking responsibility for and improving their conduct. The School Safety Plan was last reviewed, updated, and discussed with the school faculty in November 2019.
