School Accountability Report Card

Reported Using Data from the 2018-19 School Year

Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2019-20)

California Virtual Academy @ San Joaquin believes that, given a comprehensive and mastery-based curriculum, high expectations, access to technology, strong instructional support, a significant amount of off-line work, guidance from experienced teachers, and a strong commitment from parents or other caring adults, a well-conceived virtual education program will boost student achievement, serve the unique needs of students and families, and offer a new model for effective public education in the 21st century.

The goals of our educational program include:

- Enabling all students to become self-motivated, competent and lifelong learners
- Empowering the parent as the teacher through a guided program and training
- Offering flexibility and choices to increase student interest in learning
- Using a variety of lessons, activities, and modalities to improve student achievement
- Striving for mastery of all skills by every student
- Developing reflective learners
- Developing technology literate students

Our Mission Statement

CAVA @ San Joaquin strives to engage, foster growth, and lead students to personal and educational goals. We partner with learning coaches and parents to create a learning environment that helps shape our students' future and their attitudes towards school and learning. We develop strong connections with families through consistency and flexibility, which highlights our commitment to student success.

The core philosophy of California Virtual Academy @ San Joaquin is that all young people can achieve academic excellence if they are provided rigorous instruction, high standards, informed guidance, and individual attention. Although we use the computer as a learning tool, we believe that education is primarily a human endeavor that relies on caring individuals, involved parents and committed teachers.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19

Mathematics (grades 3-8 and 11)	16	18	20	22	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2019-20)

Parents are an extremely important part of California Virtual Academy @ San Joaquin. Parents will help us to evaluate the school's program each year through meetings and surveys. Each year when surveyed, parents of California Virtual Academy @ San Joaquin students state that they are more involved in their child's education than they were at their previous school. Some parents will also serve as mentors to new families and families that are struggling with technology complications or curriculum problems. The mentors support and encourage families in learning to navigate the day-to-day management of home education. Parents are given an opportunity to make their voices heard (both online and offline) and provide their opinions on the direction of the school. Some parents will be asked to give critiques and/or testimonials about the program.

Direct parental involvement is fundamental to the school's success. Parents are involved from the start of the school year by researching our program and choosing to enroll their child in our school. Parents attend a registration conference and agree to the enrollment requirements. By completing these steps, parents show they are committed to being an active member of their student's education team in our program.

Parental involvement is enhanced by the fact that the school will be educating not only students, but also its parents. Parents will be trained on the K12 instructional system, and taught how to be effective learning coaches under the guidance of highly qualified and certificated teachers. Many parents will learn how to use computers for the first time, become expert e-mail and Internet users and will be exposed to a content-rich curriculum, including classic literature, a comprehensive re-telling of the story of history, various musical genres, and great works of art. Parents will have a rich social networking experience with the school Facebook site. We have many resources available both online and offline. There are ongoing Parent/Learning Coach training opportunities through the FAST orientations and support sessions, teacher-led Learning Coach workshops and curriculum specialist series for advanced learners as well as those students enrolled in the Mark12 reading program. We have a very detailed Parent-Student handbook, Special Education handbook and CAVA strong start resources on our website. Families are offered outings and may find pertinent information on campus websites.

Our school will accomplish parental involvement by implementing English Language development teachers, parent education in-person nights, in-person/ virtual orientations, back to school events and monthly outings.

The school provides support for parental involvement activities requested by Title 1 parents in the form of OLS/OLMS announcements, communicating directly with parents via phone and email, language surveys, info@caliva.org, weekly newsletters, ILPs, and through social media.

Parents attend parent/teacher conferences with their homeroom teacher to discuss current progress, as well as progress toward their goals established in the Individualized Learning Plan. Orientations for new parents are in place to support them in their transition to online learning and monthly workshops provide the opportunity for all high school parents to develop skills and strategies to increase their effectiveness as a learning coach.

Parents are actively encouraged to participate in California Virtual Academy @ San Joaquin planning, organizational, Board of Directors, and other meetings. They are also encouraged to offer ideas and planning assistance with field trips, social events, and other outings. We have parent representatives on the California Virtual Academy @ San Joaquin School Site Council, and parents have the opportunity to participate on the CAVA @ San Joaquin School Board.

The California Virtual Academy @ San Joaquin community encourages parents to discover the resource that best meets their needs. We have many layers of support in place, as well as opportunities for parent leadership.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates.

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School 2015-16	School 2016-17	School 2017-18	District 2015-16	District 2016-17	District 2017-18	State 2015-16	State 2016-17	State 2017-18

School Safety Plan (School Year 2019-20)

The California Virtual Academy takes staff and student health and safety very seriously. Because the school will be a virtual school, there will be no need for a school building where classes are held on a daily basis. The administrative office currently complies with all ADA, OSHA, and local health and safety requirements. The school has obtained all necessary permits for these offices including a building and fire marshal inspection and/or a certificate of occupancy.

Immunization forms and other pertinent medical records will be kept (confidentially) on file by the school administration. Parents are expected to ensure that their children obtain proper immunizations prior to matriculating pursuant to Chapter 1 (commencing with §120325) of Part 2 of Division 105 of the Health and Safety Code. The school may exempt students from enrolling who are not properly immunized pursuant to §48216 (a-c) of the Education Code. Those parents who are having difficulty obtaining immunizations for their children will be provided information on where to get immunized in their community.

All pertinent and required health and safety documentation is collected at time of hire or enrollment as appropriate. Documentation is on file in the student's records or employee records held in security at the Simi Valley, CA office. Copies of employee records and student records can be made available at the request of the School District.

The school has drafted health and safety procedures that the school will follow to ensure the health and safety of pupils shall which include compliance with the criminal background check requirements described in Sections 44237 and 45125.1 of the Education Code.

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

Types of Services Funded (Fiscal Year 2018-19)

CAVA @ San Joaquin ensures that resources are allocated to support learning for all students while adhering to state and federal regulations. We receive Title I, Part A, Title II, Part A, and Special Education funds. Title I funds are primarily used to provide a 3-tiered intervention program for students who need extra support. Title II funds are used for professional development for staff. Special Education services are offered within our full- inclusion, general education, independent study model. These services are available for all students who have been identified as qualifying for special services. All English Language Learners are provided an English Language Development program that includes online instruction and/or an online ELD program.
