**School Accountability Report Card**  
**Reported Using Data from the 2018 - 2019 School Year**  
*Published During 2019 - 2020*

**For: Stone Lake Elementary**

**Address:** 9673 Lakepoint Drive, Elk Grove, CA 95758  
**Principal:** Mark Beard

**Phone:** 916-683-4096  
**Grade Span:** K-6

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

**DataQuest**

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

**Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### School Description and Mission Statement (School Year 2019 - 2020)

#### Stone Lake Elementary

At Stone Lake Elementary School, in collaboration with staff, families, and students, we will continue a tradition of high academic achievement. We will provide a safe environment that promotes hard work, independence, respect, responsibility, and tolerance while encouraging all learners to be successful in a culturally diverse society. Our efforts, along with our partnership with the Stone Lake Community, will enable ALL students to take pride and ownership in their school and continue on their path to college and career readiness.

Our academic program is based on the Common Core State Standards. Our collaborative teacher teams meet to analyze data and determine the best ways to meet the needs of students. We also utilize Positive Behavioral Intervention and Supports (PBIS) to help us create a safe and positive learning environment. We also provide numerous extracurricular activities that make for well-rounded students. Math Olympiad, Musical Mayhem, athletic teams and EDMO are just a few of the extra-curricular options for students.

The Stone Lake PTO is the backbone of our school. Our PTO is instrumental in supporting our school by helping to fund our popular Reading Counts program, providing technology for our classrooms, and supporting our students' academic and enrichment endeavors in every way possible.

We also have an active Watch D.O.G.S. Program. This program is bringing dads on to our campus to help in classrooms and also on the playground during lunch and lunch recess. Our dads have been awesome in supporting this program!

As the principal, you can expect that I will use multiple methods to communicate with parents and do my best to keep the community connected to our school. I also pledge to do my best to ensure that every student is learning in every classroom, in every subject, every day, while doing so in a safe and engaging environment that values a healthy mind and a healthy body.

With the support of our parents and the dedication and hard work of our staff, I am sure that Stone Lake will continue to Soar Like HAWKS!

Mark H. Beard, Principal  
Stone Lake Elementary School

## School Facility Conditions and Planned Improvements (School Year 2019 - 2020)

The district takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. Our beautiful campus was built in 1999-2000, with Stone Lake Elementary opening their doors in August 2000. In 2003-2004 a new kindergarten classroom was added to our campus. We have 28 classrooms; a large multipurpose room, which also houses our stage and kitchen; a computer lab with 41 computers; and a library with over 13,000 volumes and 10 computers for student's use. We are proud of our campus and strive to keep our school in good repair so it is clean, safe, functional, and provides an orderly environment for teaching and learning.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office or the district Facilities Department. The principal works with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

There are no corrective maintenance issues at this time. During the 19-20 school year, the district added a 30'x40' permanent shade structure to our playground area.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students  
Grades Three through Eight and Grade Eleven  
Percent of Students Meeting or Exceeding the State Standards

Subject	School 2017 - 2018	School 2018 - 2019	District 2017 - 2018	District 2018 - 2019	State 2017 - 2018	State 2018 - 2019
English Language Arts/Literacy (grades 3-8 and 11)	75%	74%	55%	56%	50%	50%
Mathematics (grades 3-8 and 11)	64%	66%	45%	45%	38%	39%

Note: Percentages are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes students that did not receive a score; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using students with scores.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

#### Opportunities for Parental Involvement (School Year 2019 - 2020)

Stone Lake Elementary values and needs the support of parents. Our parents can get involved in many ways. Parents can attend Back to School Nights, Open House, attend community events like our Ice Cream Social, Multi-Cultural Faire, or our Wild About Learning Events. Parents can volunteer in the class, join our PTO, join our Watch D.O.G.S. Dads Program, join our English Language Advisory Committee, or School Site Council. You can receive more information on parent involvement opportunities by calling Carla Troutner or Mark Beard at 683-4096.

### State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

#### School Safety Plan (School Year 2019 - 2020)

Safety is the priority for all staff at Stone Lake Elementary School. Students are supervised before and after school by our staff, which includes school administration. Staff are located at various points around the school. Our gates are locked daily at 8:10 AM, and all visitors arriving at our school must check-in through the office and receive a visitor's badge. All volunteers must be fingerprinted. Our staff, Leadership team, and School Site Council reviewed our School Safety Plan in October and November of 2019. Every common area of our school has an Emergency Guidelines flip chart for quick reference in emergency situations. Our school has regularly scheduled emergency drills so that we practice what needs to be done in all emergency situations. Our school site is also supported by our district's Police Services Department.

## Types of Services Funded (Fiscal Year 2019 - 2020)

We have highly qualified staff to assist students with special learning needs. Stone Lake offers specialized classes that meet the needs of preschool students with intensive speech and language needs. We also have an Academic, Behavior and Social Supports class for specially identified first and second grade students. In addition, our school also added an Integrated Preschool Class. Our Learning Center services special education students and general education students who need additional support to meet the standards. We also offer English Language Development support for our limited English speakers. Our school also utilizes the services of a speech specialist to offer support for students with speech and language needs. In addition, Stone Lake has also secured the services of a Mental Health Therapist to offer support for our students as well.

## Professional Development

Our school and district offer a variety of professional learning opportunities for teachers, instructional aides, and non-instructional support staff. For the 2019-2020 school year, our district and our school site have offered teachers professional learning opportunities in the areas of Reading Wonders, Social Studies, Growth Mindset, Arbinger training and continued professional learning opportunities around many other curricular areas. New teachers who have been teaching fewer than two years are supported by the district's beginning teacher program. They meet weekly with an experienced mentor to discuss their successes and challenges. The district offers a variety of classes for support staff. Instructional aides, school secretaries, office clerks, and custodians may take classes that relate to their work such as learning new computer skills and learning to work more efficiently and in ergonomically correct ways.
