School Accountability Report Card

Reported Using Data from the 2018-19 School Year

Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2019-20)

Sandrini School Community purpose statement is Learning Today, Leading Tomorrow! Sandrini School is located on Alum Avenue between White Lane and Planz Road just west of the 99 Freeway. The school opened its doors in August of 1980 and was recognized as a California Distinguished School by the State of California, Department of Education. Sandrini School receives Title I, Local Control Funds funds from the federal and state government. While Title I monies fund our reading intervention programs and staff development and resources. Local Control Funding is used to assist identified English Language Learners. A standards-based curriculum and sound assessment strategies provide the foundation for continuous improvement of student performance and school programs. Students will leave Sandrini Elementary School with a positive attitude toward learning, a strong foundation in basic skills, and the ability to meet future academic challenges.

The School Accountability Report Card (SARC), which is required by law to be published annually, contains information about the condition and performance of each California public school. More information about SARC requirements is available at the California Department of Education (CDE) Web site at <http://www.cde.ca.gov/ta/ac/sa/>. For additional information about the school, parents and community members should contact the school principal or the District Office. DataQuest, an online data tool at <http://data1.cde.ca.gov/dataquest/>, contains additional information about this school and comparisons of the school to the District, the county, and the state.

Sandrini Elementary School strives to maintain the concept of “Excellence in Education” as defined by the Panama-Buena Vista Union School District. Our mission is to establish a safe, stimulating, and orderly learning environment which enriches students’ learning while also promoting personal responsibility.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

Year and month in which data were collected: 10/2016

All grade levels have access to Rigby reading books for small group reading instruction and intervention. Students use NewsEla, AVID Elementary, and Standards Plus to help clarify and assess standards that are being taught in the classroom. In addition, all grade levels use small group literature books and Core Literature books to help facilitate student learning of standards. 95% Group materials are used to supplement ELA instruction. They are also used during intervention blocks to address the specific needs of students two or more years behind grade level. Engage New York, Reflex Math, Front Row Ed are utilized to supplement the core mathematics program as students learn the standards.

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption?	Percent Students Lacking Own Assigned Copy
Reading/Language Arts	Adopted 2017: Benchmark Education Company, "Benchmark Advance" (TK-6)	Yes	0
Mathematics	Adopted 2014: Houghton Mifflin Harcourt "2015 California GO Math" K-8. EngageNY is a supplementary curriculum used to provide additional practice of CCSS math standards.	Yes	0

School Facility Conditions and Planned Improvements (Most Recent Year)

Sandrini Elementary School provides a safe and clean environment for learning. A scheduled maintenance program is administered by the District to ensure that all classrooms and facilities are maintained to a degree of adequacy that provides for good learning. Ongoing repairs and modifications to the physical plant exceed California Building and Safety Codes. The District's Coordinator of Safety and Risk Management verifies quarterly that OSHA requirements are met. The exterior grounds are well lit and the perimeter of the school facility is fenced for student protection and safety. A team of custodians ensures classrooms and campus grounds are kept clean and safe. The restrooms are cleaned, sanitized and secured at the end of each school day with 100% of the toilets in operating condition. As outlined in our Safe Schools Plan, the safety committee has addressed concerns for the safe coming and going of our students. Staff receives inservice in emergency protocol and CPR. Identifying tags are issued to substitute teachers, volunteers, and other visitors as they register in our office. The gates on the perimeter of the school playground are locked during school hours and staff members are trained to activate lock down procedures in the event of an emergency. Our positive partnership with local law enforcement is evident in their quick response time when concerns arise. Designated staff members carefully supervise students on the playground and in the cafeteria. Grounds and playground equipment are inspected regularly for potential hazards. The District provides on-going training in CPR/First Aid as part of its staff development program. Fire and/or disaster drills occur monthly and a complete school site disaster plan has been prepared and is in place and available for public review. Scheduled certificated supervision of students begins officially at 7:20 a.m. when the school opens and supervision ends at 2:47 p.m.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)	25	37	34	37	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2019-20)

The parents of Sandrini Elementary students support their children, the school and the community by helping children at home with their school work, providing a caring environment, and by attending conferences, programs, and athletic and academic events. Opportunities for Parental Involvement at Sandrini School include the Sandrini Parent Club, School Site Council, Parent Advisory Council, Family Math and Literacy nights, Family Movie Nights, and classroom volunteers. Sandrini Elementary uses ParentSquare, a school-home communication platform that connects our school with families to improve student outcomes and school success. The Parent Club provides funds and supports assemblies, playground equipment, school family days, and many other extra benefits for the school and its students. Parents contact the school Principal, Morgan Hicks, at 661-397-1515 to volunteer, participate in classrooms, or have questions answered regarding our planned Family Nights and Events. Contact Person: Morgan Hicks, Principal - Contact Phone No.: (661) 397-1515

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2019-20)

Sandrini Elementary has a positive learning environment. The goal of Sandrini's discipline/self-esteem program is to provide students with opportunities to learn self-discipline through a system of consistent rewards and consequences for their behavior. Sandrini Elementary believes students who develop a sense of personal responsibility will mature both academically and emotionally. Parents and students are informed of discipline policies at the beginning of each school year through classroom orientation as well as individual parent-student handbooks. At Sandrini Elementary, homework plays an important part in the student's growth in academic skills and in the development of good study habits. Students with excessive tardies, trancies or unexcused absences are subject to mandatory parent conferences. "We truly believe that missing school is missing out." The District has established an Independent Study Program for students who must be absent from school due to illness for an extended period of time. Sandrini establishes guidelines to provide students with a meaningful, productive, and enjoyable school experience. Appropriate behavior is encouraged through praise and motivational incentives as well as assertive discipline and conflict resolution tools to further develop personal growth. Expulsions occur only when required by law or when all other alternatives are exhausted. Sandrini's School Safety Plan was reviewed and approved by the School Site Council at our October 17, 2019 meeting. The faculty reviewed and discussed the plan on August 12, 2019. The Safety Plan includes respecting the diversity of our population as well as plans to maintain the physical environment and safety practices for our staff and students.

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

Types of Services Funded (Fiscal Year 2018-19)

The District uses LCFF funds for its general purpose funding, including, but not limited to:

- General operations—salaries, benefits, services, materials, and support to the general education
- Special Education—programs offering appropriate, individualized instruction to students with special needs
- School-Based Coordinated Program—staff salaries, staff benefits, services, materials, and support for our lowest performing schools
- Gifted and Talented Education Program—specialized learning assistance for identified students of high ability, achievement, or potential
- Special projects—monies from agencies (federal or state) earmarked for specific programs/projects or services
- Transportation
- Maintenance and Operations
- Facilities
- District administration

Each school in the District receives an instructional budget based on enrollment, programs, and formulas set by Board of Education policy, state law, agreements with employee bargaining units, and guidelines of outside funding sources.

The types of services funded with categorical funds include:

Title I

Title I, Part A (Title I) of the Elementary and Secondary Education Act, (ESEA) provides financial assistance to local educational agencies (LEAs) and schools with high numbers or high percentages of children from low-income families to help ensure that all children meet challenging state academic standards. Title I is designed to help students served by the program to achieve proficiency on challenging State academic achievement standards. Title I schools with percentages of students from low-income families of at least 40 percent may use Title I funds, along with other Federal, State, and local funds, to operate a "school wide program" to upgrade the instructional program for the whole school. Based on an analysis of student achievement data done by the school site, Title I resources may be used for professional development, supplemental instruction and intervention, parental involvement, personalization and support for students with at-risk behaviors. Targeted assistance schools design, in consultation with parents, staff, and district staff, an instructional program to meet the needs of specifically identified students who are failing, or most at risk of failing, to meet the State's challenging academic achievement standards. Both school wide and targeted assistance programs must use instructional strategies based on scientifically based research and implement parental involvement activities.

Title II

The district uses Title II funds to increase the academic achievement of all students by helping schools and district (1) improve teacher and principal quality through professional development and other activities and (2) providing low-income and minority students greater access to effective teachers, principals, and other school leaders.

Title III

The district uses Title III funds to help ensure that children who are limited English proficient, including immigrant children and youth, attain English proficiency, develop high levels of academic attainment in English, and meet the same challenging State academic content and student academic achievement standards as all children are expected to meet. The focus is on professional development for teachers across the district that will: 1). Improve the instruction and assessment of ELs; 2). Enhance the ability of teachers to implement curriculum, and improve their instructional strategies for ELs; and 3). Effectively increase students' English language proficiency.

Professional Development (Most Recent Three Years)

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	82	98	143

Professional Development Focus areas include English Language Development, Benchmark Advance, Technology, 95% Group Intervention for MTSS, Direct Interactive Instruction, Classroom Management, Common Core Standards Implementation, Grade Level Focus Groups, DIBELS, as well as PBIS and AVID implementation. Areas were selected based on a district-wide survey reflecting on student achievement and areas of additional need from the teacher point of view.

Professional development is delivered through Staff Development Days, Grade Level Focus Groups, conference attendance, District workshops with teacher release time, and online video tutorials. Professional Readiness and Educational Program days (Prep Days) which include 90 minutes each week release time, is also provided for teachers to receive school site staff development and work with their collaborative teams.

Teachers attend multi-day seminars with presenters and follow-up coaching is provided to support Direct Interactive Instruction and to develop standards-based common core lessons with Benchmark Advance. Teachers are also supported by curriculum specialists, categorical program specialists, Induction Program mentors, and Academic Coaches.
