## School Accountability Report Card

### Reported Using Data from the 2018-19 School Year

#### Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### School Description and Mission Statement (School Year 2019-20)

Fairview Elementary School is a K-6 Elementary School located in South Modesto that also houses two Head Start classrooms. The school population includes, 83% Hispanic, 3% White, 2% African American and 3% other or did not state. 70% of our students are English Language learners. 96% of our student population is Socioeconomically Disadvantaged and 9% of our student make-up includes Students with Disabilities. The school currently has 726 students enrolled and participating in a traditional schedule. The site provides both sheltered English instruction as well as a focused character education program that is consistent across Modesto City Schools. Mission Statement: All Fairview Falcons, students and staff, will learn and grow every day.

Fairview staff and administration are working in collaboration to become proficient in the Common Core State Standards. Working together to refine lesson delivery and design, teachers and students are able to benefit from a structured and rigorous educational environment that offers ongoing checks for understanding, continuous use of student engagement strategies and consistent implementation of instructional norms. Addressing areas of need through intervention strategically, while accelerating learning through extension provides differentiated instruction for the wide range of diverse learners we serve. Focusing on vocabulary development, building of academic language, skills, and concepts; Fairview is working to move our students into literacy and the development of critical thinkers.

\*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

## Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

**Year and month in which data were collected:** December 2019

The Governing Board recognizes that students' educational opportunities are enhanced when they have sufficient access to high-quality textbooks, equipment and other instructional materials for each of the subjects they are studying. To adequately support the Board-approved curriculum, instructional materials must also be up to date. For further information about the selection and adoption of instructional materials at all Modesto City Schools, please reference Board Policies 6161, 6161.1, and 6161.11. All board policies are located at <https://www.mcs4kids.com/district/board/board-policies/board-policies>.

## School Facility Conditions and Planned Improvements (Most Recent Year)

The district takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are included within this report. The results of this survey are available at the district office and on the internet at [mcs4kids.com](http://mcs4kids.com).

Fairview strives to ensure that all students are safe at school. Students are supervised in the mornings as they get off the bus, at drop-off, and at loading with the assistance of yard duty personnel. During the day when students are at school, gates that provide access onto school grounds are locked. Visitors' passes must be obtained for campus entry and are allowed only for scheduled business or regular volunteers. Parent/guardian or emergency contact status is checked prior to check-out of a student with an adult. In the afternoon, students are supervised by yard duty personnel upon dismissal while the campus remains closed to visitors throughout this time period.

Below is more specific information on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment.

### Age of School/Buildings:

This school has classrooms, a cafeteria, library, an early childhood ed program, and an administration office. The main campus was built in 1951 and opened in 1951.

### Maintenance and Repair:

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service. Emergency repairs are given the highest priority. The school facility is in overall good repair.

### Cleaning Process and Schedule:

The Operations Department has adopted cleaning standards for all schools in the district. A summary of these standards are available at the school office, or at the Maintenance & Operations office. The Maintenance & Operations Department works continuously with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

#### Deferred Maintenance:

The District participated in the State School Deferred Maintenance Program, which provided flexible state matching funds to assist school districts with expenditures for major repair or replacement of existing school facilities components. State contributions to this Program ended in the 2012-13 school year. Deferred Maintenance typically includes paving, roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting and floor systems. Carry-over funds for deferred maintenance projects throughout the District in Funds 01 and 14 have been exhausted. The Board has authorized the General Fund to annually contribute \$2 million to Facility Maintenance to be used for new construction and maintenance projects throughout the District, \$2 million to Deferred Maintenance for maintenance projects throughout the District and \$2 million to Facility Improvements for the District's high schools. Identified needed repairs are weighed against all other District site repairs and the most urgent repairs are addressed first..

Data provided by LEA. Additional information about the condition of the school's facilities may be obtained by speaking with the school principal.

#### School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

**Year and month of the most recent FIT report:** 9/09/2019

System Inspected	Rating	Repair Needed and Action Taken or Planned
<b>Systems:</b> Gas Leaks, Mechanical/HVAC, Sewer	Good	2nd toilet leaks at the vacuum breaker
<b>Interior:</b> Interior Surfaces	Good	1st toilet seat is loose.
<b>Cleanliness:</b> Overall Cleanliness, Pest/ Vermin Infestation	Good	
<b>Electrical:</b> Electrical	Good	1 of 1 dryer does not function.
<b>Restrooms/Fountains:</b> Restrooms, Sinks/ Fountains	Good	2nd fountain is pulled from the wall. Fountain water pressure is low.
<b>Safety:</b> Fire Safety, Hazardous Materials	Good	Items are stored in front of the electrical panel. Panel should have 3 feet minimum clearance in all directions. Chemicals labeled "Keep Out of Reach of Children" are accessible to students. Germicidal cleaner is stored in the restroom. Water is stored in Windex bottle.
<b>Structural:</b> Structural Damage, Roofs	Good	
<b>External:</b> Playground/School Grounds, Windows/ Doors/Gates/Fences	Good	
<b>Overall Rating</b>	Good	

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in ELA and Mathematics for All Students

#### Grades Three through Eight and Grade Eleven

#### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
English Language Arts/Literacy (grades 3-8 and 11)	27	25	31	31	50	50
Mathematics (grades 3-8 and 11)	14	15	21	22	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

### CAASPP Test Results in ELA by Student Group

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

### Opportunities for Parental Involvement (School Year 2019-20)

Parents at Fairview have the opportunity to work collaboratively in a variety of activities, events, and committees SSC— School Site Council assists in developing, reviewing, and approving the School Plan for Student Achievement which drives our course of action and plan for meeting the educational goals we have set for our school. ELPP—English Learner Parent Partnership provides input on a variety of issues related to the education of English Learners at our site. Parents have the opportunity to share ideas related to increasing the performance of English Learners in our school. PIE – Parent Involvement and Engagement Committee provides an arena for parents to contribute ideas to our site regarding increasing parental involvement and support. School Safety Committee meets on a regular basis to ensure that the school maintains a safe and secure learning environment. Topics that this committee address include parking lot and traffic safety, playground and social skill development, as well as campus supervision and security. Family Nights - Parents at each grade level have the opportunity to participate in a fun and educational activity with their child here at Fairview. Back to School Night -- This is an opportunity for parents to meet their child's teacher and open lines of communication between home and school. Open House – This is an opportunity for students to lead parents through their classrooms and show what they have learned. Student of the Month – Students are selected monthly by their teachers for demonstrating the character trait of the month. From honesty to courage, our students are encouraged to not only excel in academics, but in the traits that will promote them as positive members of their school and community. Volunteering in Children's Classrooms by parents is always welcomed and encouraged.

## School Safety Plan (School Year 2019-20)

A Safety Plan is in place at Fairview Elementary School and was developed with the assistance of California Safe Schools consulting firm and the members of the Site Safety Committee, (which includes teachers, staff, administration and parents). The plan is reviewed each year for effectiveness and can be adjusted as needed. Procedures to be followed in the event of any emergency at the school, or as a result of a situation in the neighborhood which may impact the school site, are outlined in this plan. Safety Drills are scheduled throughout the school year to train students and staff to respond in case of emergency situations such as: fire, lockdown, or evacuation of the building. Evacuation routes and pertinent information to assist officials to ensure student and staff safety are also included in the plan. Fairview also participates in the Great Shake Out each year, drawing attention to preparedness in the event of an Earthquake in conjunction with many schools across the state.

### Professional Development (Most Recent Three Years)

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	5	8	5

Professional development in MCS is data driven using research-based best practices to ensure our students receive guaranteed and viable curriculum in every grade, in every school. We use formative and summative data to drive our instructional decisions and focus for professional development. To this end, we utilize multiple structures to provide high-quality professional development to our staff including: summer training, preservice-days, district wide professional development days, after school workshops, Saturday workshops, substitute-release days, instructional coaching, a BTSA and PAR program, and most recently a 0.5% compensation package for those who choose to complete an extra 6 hours of professional development.

MCS has prioritized our focus on mathematics, literacy across grades and content areas, collaboration, welcoming schools/customer service, and building our capacity as professionals. This has been in addition to the needed training in new adoptions, curriculum and standard updates and the like. The professional development is sustained through site administration, district and site level instructional coaches, and intervention specialists. In the 2019-2020 academic year, a new division was also created in order to increase the quality and quantity of professional development provided to classified, certificated, and managers alike.
