### School Description

Pacific Rim Elementary School is a kindergarten through fifth grade school that serves the southern coastal population of the Carlsbad Unified School District. The 2013–2014 school year was our fifteenth year of operation. The achievement and performance levels of our students are extremely competitive compared with the district averages. Our teachers, support staff, administrators, and parents contribute to this academic success through their effective collaboration and ongoing dedication to providing optimum learning experiences.

We encourage you to join us in celebrating the high academic achievement of our students. At Pacific Rim, our focus is on ensuring that each student demonstrates significant academic progress, while applauding each student's enthusiasm at school and encouraging every student to be confident in the ability to learn. Our home-to-school communication system with parents has been solidified through the school Web site, daily planners, weekly school news articles, PTO newsletters, and our automated phone system.

Richard Tubbs, PRINCIPAL

### Types of Services Funded

The District believes in "Best First Instruction," which means each teacher is accountable for the learning needs of the students in their class, teachers differentiate based on these learning needs and they collaborate with grade level team teachers as well as the principal to ensure students progress at every level. Beyond the general education classroom, Pacific Rim has Learning Center support, Guide counseling, and a school psychologist three days a week.

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

### CAASPP Test Results in ELA and Mathematics for All Students Grades Three through Eight and Grade Eleven

#### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 17-18	School 18-19	District 17-18	District 18-19	State 17-18	State 18-19
ELA	95	94	74	76	50	50
Math	93	91	66	68	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

### CAASPP Test Results in Science for All Students Grades Five, Eight, and Ten

#### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 17-18	School 18-19	District 17-18	District 18-19	State 17-18	State 18-19
Science	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018-19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

### 2018-19 Percent of Students Meeting Fitness Standards

Grade Level	4 of 6	5 of 6	6 of 6
5	8.4	18.2	68.8

Note: Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

**School Year 2018-19 CAASPP Assessment Results - English Language Arts (ELA)**

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

### Opportunities for Parental Involvement (School Year 2019-20)

Parents provide great assistance with the student awards and recognition assemblies, Science Day, teacher mini-grants, movie night, our monthly newsletter, the Reflections Art Contest, and the Art Master's Program. Parents also serve on our SSC; supply supplemental math and science materials; and assist with school gardens, school beautification, and fund-raisers. Our important parent groups, previously known as Friends of Pacific Rim and the PTA have now combined to form Friends of Pacific Rim PTO. For the 16th year, parents assisted with our school programs by contributing more than 20,000 hours of volunteer time (a \$160,000 resource available at no cost to the school). For information about volunteer opportunities at our school, please call our school office at (760) 331-6200.

### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### School Safety Plan

We revise and update our school safety plan each year in the fall. Our current school safety plan meets all federal, state, and district standards for a comprehensive school safety plan. It addresses prevention, planning, responding, and recovering from possible threats (earthquakes, intruders, fires) to ensure the safety of students, staff, and visitors. Our counselors, psychologists, and site administrators are extensively trained in threat assessment techniques by nationally recognized experts in school-threat assessment. To ensure safety on our campus, a school site safety committee conducts inspections to identify potential hazards. We have also developed a disaster preparedness plan, and we conduct regular fire and earthquake drills to familiarize staff and students with emergency procedures. Our school site is also monitored for physical safety. Play structures, sidewalks, and the school's landscaping are maintained at a high standard for student safety and undergo regular inspections. A new visitor check-in system is being implemented, requiring all visitors to sign in and out.

## Professional Development provided for Teachers

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	2	2	2

The Carlsbad Unified School District provided professional development days prior to the 2018-2019 school year. This included both district-wide professional development for all staff as well as site based professional development activities. In addition, each site offers professional development activities throughout the year based on the needs of the students and staff.
