By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC. .

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

ABOUT THIS SCHOOL

A Message from the Principal . . .

Our teachers provide research-based instruction in Reading, Language Arts and Mathematics to help students meet state standards in these subject areas as well as in Science, and Physical Education. We focus on increasing students' reading comprehension, mathematical reasoning and written communication skills. By providing appropriate interventions for struggling readers we aim to prepare them to fully access the grade level curriculum. Classroom instruction is designed to meet the needs of all students, including those who are learning to read, write and speak English as a second language at the same time they learn rigorous academic content in English. Certificated teachers provide additional reading and writing support to students at all grade levels.

Oak Hill School is committed to ongoing professional development that reflects our students' needs and supports grade level and school-wide goals. We analyze California Assessments for Student Performance and Progress (CAASPP), NWEA MAPs data, student work samples, and other types of formative assessment data to continuously inform and improve our instructional practices. We are committed to preparing our students for college and career success!

Oak Hill staff members actively foster the development of positive home/school relationships because we know there is a strong, positive correlation between parent involvement and effective schools. A full-time bilingual family liaison provides support with translations, promotes parent involvement, and presents parent education workshops. Our school employs a full-time social worker to coordinate community resources for families in our area, and to provide group and individual counseling services for our students at school. All students and adults at Oak Hill practice and support the behavioral expectations articulated in our Positive Behavior Interventions and Supports (PBIS) system. Our students learn and practice leadership skills through service learning projects within and beyond our school. At Oak Hill, students and adults take responsibility for maintaining a safe and secure environment focused on continuous learning for all.

Rick Ausby, Principal
Oak Hill School

Mission Statement (School Year 2019-20)

Oak Hill Elementary School, in partnership with our children, employees, parents, and community members, is committed to the academic success of all students.

A. CONDITIONS OF LEARNING

STATE PRIORITY: BASIC

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

A. CONDITIONS OF LEARNING (cont.)

School Facility Conditions and Planned Improvements

Below is information about the safety, cleanliness, and adequacy of school facilities, including the condition and cleanliness of the school grounds, buildings, and restrooms. This school was opened in 1963. The condition of this school's buildings, grounds, and restrooms meets the good repair standard as defined in Education Code Sections 17014, 17032.5, 17070.75(a). Recent facility improvements include, but are not limited to: Limited landscape improvements to irrigation system & field turf. (FIT DATED 08/28/19)

The district focuses cooperative attention through every department and every employee to ensure that all schools are clean, safe, and functional. The team approach to interdisciplinary problem solving makes Escondido Union School District a child-friendly learning environment.

In March 2002, voters in the Escondido community passed Prop K, providing funding to schools for facilities improvements and long-needed projects. The Independent Citizens Oversight Committee (ICOC) meets with District staff regularly to collaborate on projects funded by Prop K, and promotes community involvement in the school district initiatives.

B. PUPIL OUTCOMES

STATE PRIORITY: PUPIL ACHIEVEMENT

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students Grades Three through Eight and Grade Eleven Percent of Students Meeting or Exceeding the State Standard

Subject	School		District		State	
	2017-18	2018-19	2017-18	2018-19	2017-18	2018-19
English Language Arts/ Literacy (grades 3-8 and 11)	23.0%	29.0%	44.0%	44.0%	50.0%	50.0%
Mathematics (grades 3-8 and 11)	17.0%	21.0%	32.0%	33.0%	38.0%	39.0%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

B. PUPIL OUTCOMES (cont.)

CAASPP Test Results in ELA by Student Group Grades Three through Eight and Grade Eleven (School Year 2018–19)

Homeless	35	33	94.29%	5.71%	21.21%

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Note: Cells with N/A values do not require data.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018–19 school year. However, these data are not available for inclusion in the 2018–19 SARC posting due February 1, 2020. These data will be included in the 2019–20 SARC posting due February 1, 2021.

B. PUPIL OUTCOMES (cont.)

STATE PRIORITY: OTHER PUPIL OUTCOMES

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

California Physical Fitness Test Results (School Year 2018-19)

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
5	21.5%	23.1%	18.2%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. ENGAGEMENT

STATE PRIORITY: PARENTAL INVOLVEMENT

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parent Involvement (School Year 2019–20)

The Oak Hill Parent Teacher Association (PTA) supports the school by planning school-wide activities and community-building events including a Fall Festival, Family Dance, Spring Fling and Book Fairs.

Classroom and community volunteers include parents and OASIS reading volunteers who provide academic support in the classroom, serve as chaperones on field trips, and assist teachers with class projects.

School Site Council (SSC) is a governance committee comprised of parents, teachers and staff who oversee school-based coordinated programs, and advise the development and implementation of the Single Plan for Student Achievement (SPSA).

The English Learner Advisory Committee (ELAC) meets regularly and serves the school by advising the principal on programs and services for English Learners including the school plan for English Learners. Through meetings for all parents of English Learners, the ELAC provides information on topics such as the importance of regular school attendance.

Oak Hill parents represent the school on a variety of district-wide committees such as District English Learners Advisory Committee (DELAC) and District Advisory Committee (DAC).

Workshops for parents are presented throughout the school year on a variety of topics, including school attendance, community resources, and how to help children at home with their schoolwork.

Through our Family Reading Program, parents participate in a variety of literacy building experiences including, Book Club, Family Friday, and Reading workshops.

Parents interested in getting involved are encouraged to call their child's teacher, the PTA, the Family Liaison, or the principal, Rick Ausby, at (760) 432-2483.

C. ENGAGEMENT

STATE PRIORITY: SCHOOL CLIMATE

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

Rate	School			District			State		
	2016-17	2017-18	2018-19	2016-17	2017-18	2018-19	2016-17	2017-18	2018-19
Suspensions	2.40%	0.50%	2.50%	2.60%	2.70%	2.70%	3.60%	3.50%	3.50%
Expulsions	0.00%	0.00%	0.00%	0.00%	0.10%	0.10%	0.10%	0.10%	0.10%

School Safety Plan (School Year 2019–20)

Each school annually participates in a review of their Comprehensive Safe School Plan. During this review, each site convenes a School Site Council meeting to review school safety policies in relation to board policy, administrative regulations and Education Code. Each school reviews and updates its comprehensive school safety plan, and the plans are annually presented and approved by the school district Board. The plans are updated using current discipline, attendance, health, and curricular data. The Comprehensive Safe School plan includes child abuse reporting procedures, disaster response procedures, suspension and expulsion policies, notification for teachers of dangerous pupils policy, discrimination and harassment policies, dress code procedures, safe ingress and egress procedures, site goals and objectives related to a safe and orderly environment, school discipline procedures, hate crime policies, and bullying prevention procedures and policies. All students, parents, and staff work together to ensure all schools have a safe and secure campus.
