School Accountability Report Card

Reported Using Data from the 2018-19 School Year

Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2019-20)

K.L. Carver Elementary School's mission is to create and maintain a nurturing learning environment that:

- Enables students to make well-reasoned choices;
- Inspires living with integrity and concern for others;
- Cultivates an appreciation for lifelong learning; and
- Increases adaptability to change in a diverse, ever-changing world.

With 608 students, K.L. Carver Elementary School offers a challenging educational program that is closely matched with the developmental and educational needs of each child. Instruction is grounded in rigorous content that goes far beyond the basics. Well-trained professionals effectively use high-quality instructional materials aligned to Common Core State Standards. Students become literate seekers of knowledge who develop competent critical thinking, problem-solving, and communication skills. These skills are applied in core content areas including reading/English-language arts, mathematics, social studies, science, visual and performing arts, and health/physical education. Carver also was named a California Distinguished School in 2018 and 2014, in recognition of our school's consistent standing in the top ten percent of all California schools based on students' standardized test results and other outstanding factors. Carver School won the prestigious National Blue Ribbon Award in 2005, an honor bestowed by the U.S. Department of Education. All students have access to the core curriculum. In both the mainstream and special programs, those students with special needs (English learners, gifted/talented, and individuals with special needs) receive customized support designed to access the core curriculum in ways best suited to individual learning styles. Invigorating, creative teaching and learning occur in a safe environment where positive attitudes and behavior are expected and achieved. Good citizenship and personal accountability for behavior are an integrated part of every activity.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials

Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments*	0	0	0
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

Year and month in which data were collected: September 2019

Students enjoy quality texts, supplementary materials, and other instructional resources that complement the standards-based instruction. Every student has access to textbooks, including English Language Learners and students with other special needs. The San Marino Unified School District adopted new Common Core math materials in 2014-15. New ELA/ELD textbooks were adopted in 2015-16. Textbooks used in Reading/Language Arts (2015, 2017), Mathematics (2014), Social Studies (2006), and Science (2018-19 - Amplify Science pilot) are standards-based. The History-Social Science and Science curriculums are being reviewed and recommended for adoption in 2018-19. On September 10, 2019, the Governing Board certified there are sufficient standards-based texts, purchased within the most recent framework cycles, to be in compliance with Education Code Section 60119, 60442, and the Williams Settlement (SB 550 and AB 831). For a complete accounting of texts see t.ly/np0Yj

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption?	Percent Students Lacking Own Assigned Copy

School Facility Conditions and Planned Improvements (Most Recent Year)

Carver Elementary School facilities are clean, safe, and functional. No Williams Complaints have been filed. A School Facility Conditions Evaluation is done each year by the Director of Maintenance and Operations. A copy of the latest Facility Inspection Tool (FIT) can be found at <https://goo.gl/SMtg2j>. An evaluation of all school facilities conditions is completed annually in the fall. Facilities Inspection Tool is an annually required inspection and is intended to report on the existing conditions of various aspects of our school facilities. This is not a tool intended to evaluate equipment. This doesn't reflect repair costs, equipment efficiency, or the frequency of repair since the previous year's FIT. This is a snapshot in time evaluating a predetermined list of the facility equipment and conditions. This inspection is not designed to use as a capital improvement tool.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

Year and month of the most recent FIT report: October 25, 2019

System Inspected	Rating	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	
Interior: Interior Surfaces	Fair	Six (6) deficiencies due to damaged floor tiles caused by a poor concrete subfloor.

System Inspected	Rating	Repair Needed and Action Taken or Planned
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	Good	
Electrical: Electrical	Good	
Restrooms/Fountains: Restrooms, Sinks/ Fountains	Good	
Safety: Fire Safety, Hazardous Materials	Good	
Structural: Structural Damage, Roofs	Good	
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	Good	One (1) issue of playground deficiency due to cracks in the upper playground courts.
Overall Rating	Good	

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19

Mathematics (grades 3-8 and 11)	91	92	87	87	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2019-20)

Carver's campus is abuzz with dedicated volunteers who facilitate classroom learning, activities, and events. This level of commitment does not happen by accident but through a strategy of personalized recruitment and on-going appreciation. With tens of thousands of reported volunteer hours, the PTA is an essential component of school life. Parents are active in fund-raising through annual Book Fairs, Parent Party, Jog-A-Thon, and the Carver Carnival. PTA monies partially support enrichment programs including instructors for the library, art lab, music studio, STEM lab, and instructional assistants. Carver PTA contributes to the overall experiences at the school by providing programs including cultural arts, assemblies, Lunar New Year Celebration, Science Fair, and Earth Week. Carver PTA has an active voice in decisions about the school program. For more information, please contact our school office at (626) 299-7080.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2019-20)

On the whole, the students are academically focused and thus, there are very few discipline problems. Open and honest relationships among teachers, children, parents, and administration are a solid foundation for a safe school environment. In the spring of 2018 students in grade five completed the California Healthy Kids Survey, please see the results at <https://tinyurl.com/r4lrwk>. A Comprehensive School Safety Plan is monitored and updated as appropriate by a representative team of school, parents, and community members on the School Site Council in compliance with Education Code 52012 and 52842.

Professional Development (Most Recent Three Years)

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	2	2	1

The San Marino Unified School District students outperform their grade level peers throughout the state on nearly all indicators reported on the California School Dashboard (<https://www.caschooldashboard.org/>). However, professional development primary/major areas of focus have been developed through a review of that data along with other locally collected data, site and district level needs assessments, and engagement with the community. Eight (8) teachers from each school site were sent to the two-day UDL Boot Camp for Teachers, Presented by Dr. James Mckenna at the West San Gabriel Valley (WSGV) Special Education Local Plan Area (SELPA). This two-day in-person workshop is designed to provide teachers with a clear understanding of why Universal Design for Learning is essential, how it incorporates research in learning and motivation, and what the actual framework entails. Participants will engage in a collaborative examination of lessons to identify UDL in action and generate opportunities for further implementation. Furthermore, these same teachers were sent to a two day follow up UDL Implementation Academy where they learned about the phases of UDL implementation, determine where the organization is in the implementation process, and create a plan for moving forward. Participants workshoped ideas received and provided feedback, and identified the next steps in the UDL journey. Teachers in this session explored the systems and infrastructure that support UDL implementation, practiced protocols that support the scaling of UDL, determined areas for growth in your own setting, set short-term and long-term goals, and designed an implementation plan. Additionally, one (1) to two (2) representatives from each school site were sent to SPORT2 Suicide Prevention Training with the Los Angeles County Office of Education (LACOE) and the Department of Mental Health (DMH) to learn more about aligning district practices and policies with AB2246, Multi-Tiered System of Support (MTSS), and Positive Behavioral Intervention and Supports (PBIS). Moreover, those same staff members were sent to a four (4) day Foundations of a Multi-Tiered System of Support (MTSS) training to learn how to develop a framework for providing tiered teaching and interventions around academic, behavior and social-emotional supports that address the needs of ALL students. The District team aligned the system of initiatives, supports, and resources, organize and plan our MTSS efforts and began to plan the continuous improvement processes at all levels of the system to meet the needs of the whole child.

Professional development is research-based, founded on student needs as matched to the teachers' instructional strengths and challenges. The goal of the program is to improve student performance in the core content areas. Throughout the 2019-2020 school year, the Carver faculty will focus professional learning on the Next Generation Science Standards (NGSS) and Character Counts. Professional Development time is used to address the above goals and other instructional pursuits with input from the elementary leadership team, consisting of teachers and the principal. Teachers participate in faculty meetings, professional development activities, and individualized programs as appropriate to teacher needs.
