PRINCIPAL'S MESSAGE

Welcome to Cesar Chavez Elementary School, home of the Golden Bears! As principal, I have the privilege of introducing you to the Annual School Accountability

Report Card for Cesar Chavez Elementary School. Whether student, parent, staff, or community member, the data contained within these pages will prove useful in informing you about our school and community, including but not limited to: demographics, achievements, progress evaluation, ongoing goal realization, discipline, budget, and facility enhancement.

As a school we are dedicated to working as a collaborative group to provide differentiated instruction to ensure the success of ALL students. Our school wide initiatives include: Positive Behavioral Interventions and Supports (PBIS), Stemsopes Science Exploration Kits, and developing all students to be 21st Century College and Career Ready through Common Core State Standards and the integration of technology. As a district, we have also begun our partnership with LEGO Education and have a new LEGO Innovation Lab each school campus.

Sarah Amezcua, Principal

DISTRICT & SCHOOL DESCRIPTION

Greenfield Union School District is located in the heart of the Salinas Valley, approximately 135 miles south of San Francisco. The city is surrounded by a rich agricultural area producing a large portion of the nation's fruits and vegetables. Housing developments have increased in response to the rapid growth in the community's agricultural, retail, government, and tourism industries. The district currently operates four elementary schools and one middle school which serve over 3,600 students in grades TK-8.

Cesar Chavez Elementary School provides a safe, standards-based learning environment for students in grades K-6. During the 2018-19 school year, 641 students were enrolled. Student demographics include 8.9% receiving special education services, 57.1% qualifying for English learner support, 84.1% enrolled in the free or reduced-price meal program, and 14.7% homeless youth.

DISTRICT MISSION STATEMENT

To promote ALL students with high levels of academic and personal achievement through a collaborative system of support, guided by passionate, dedicated staff in a safe, nurturing, and culturally responsive environment that fully prepares students for future college and career success.

DISTRICT VISION STATEMENT

Greenfield Union School District will be a national leader in education ensuring high levels of learning and success for ALL students.

CORE VALUES

- We celebrate diversity and nurture the gifts and talents of our students.
- Our schools are safe learning places for ALL.
- Our schools have positive cultures that promote meaningful relationships.
- We will not let each other fall.
- Student success is a collective responsibility of ALL.
- We will ensure high levels of learning for ALL students.
- We will ensure equitable learning opportunities for ALL students.
- ALL students, families, and staff are valued and treated with respect.
- We value our parents and community as partners in education.
- ALL means ALL.

SCHOOL VISION STATEMENT

Cesar Chavez provides rigorous instruction and creative opportunities for all students. We strive to build critical and creative thinkers who are inquisitive communicators and lifelong learners that have everything it takes to be successful in life. This goal can best be achieved through collaboration with all stakeholders. Together we can help our students reach their full potential.

LOCAL CONTROL ACCOUNTABILITY PLAN (LCAP)

As part of the new Local Control Funding Formula, school districts are required to develop, adopt, and annually update a three-year Local Control and Accountability Plan (LCAP) that supports the priorities for the state of California. The following components of this SARC address some of the priorities identified in the State's LCAP:

State Priority 1: Basic (Conditions of Learning)

The SARC provides the following information relevant to the State priority:

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching.
- Pupils have access to standards-aligned instructional materials; and School facilities are maintained in good repair.

State Priority 2: State Standards (Conditions of Learning)

The SARC does not cover any of the requirements of State Priority 2.

State Priority 3: Parental Involvement (Engagement)

The SARC provides the following information relevant to the State priority:

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

State Priority 4: Pupil Achievement (Pupil Outcomes)

The SARC provides the following information relevant to the State priority:

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

State Priority 5: Pupil Engagement (Engagement)

The SARC provides the following information relevant to the State priority:

- High school dropout rates
- High school graduation rates

State Priority 6: School Climate (Engagement)

The SARC provides the following information relevant to the State priority:

- Pupil suspension rates
- Pupil expulsion rates
- Other local measures on the sense of safety

State Priority 7: Course Access (Conditions of Learning)

The SARC does not recover any of the requirements of State Priority 7.

State Priority 8: Other Pupil Outcomes (Pupil Outcomes)

The SARC provides the following information relevant to the State priority:

- Pupil outcomes in the subject area of physical education.

The following components encompass our district's LCAP goals:

Culture: We will cultivate positive school environments that are culturally, emotionally, and physically safe led by passionate staff members dedicated to and advocating for ALL students, their families, and our community.

Academics: We will take collective responsibility for providing a guaranteed, viable curriculum in ALL subject areas so that ALL students meet or exceed grade-level academic and technical standards through effective, data-drive instructional practices that ensure ALL students are fully prepared for college and career success.

Community: We will actively engage our family, school, and community partners through ongoing communication and outreach because we value, respect, and believe we are stronger together in ensuring and advocating for the future success of ALL our students.

PARENT INVOLVEMENT

Parent involvement is a vital component to school and student success. Cesar Chavez Elementary School offers a wide variety of opportunities for parents to support the school and their child's academic efforts through volunteering efforts.

Volunteer to Help

- Classrooms
- Fundraising Activities
- Parent Teacher Association (PTA)

Join Leadership Groups

- School Site Council
- English Learner Advisory Council
- District English Learner Advisory Council / District English Learner Advisory Committee (ELAC)
- District Budget Advisory Committee

Volunteer/Attend Special Events & Workshops

- Back to School Night
- Open House
- Parent Education Workshops
- Triple P Workshop
- Parent Teacher Conference
- Principal/Parent Cafes (3-5 times per year)
- Beautification Day
- Annual Musicals & Assemblies

Parents seeking more information or who are interested in participating in any of the activities listed above may contact the community liaison at (831) 674-2412 for information.

SCHOOL NEWS

Regular school-to-home communication, provided in both English and Spanish, keeps parents up to date on student progress and school issues. Every month a newsletter is sent home and includes current school news and other announcements as necessary. Flyers are sent out as needed and Parent Square Messaging is used. A calendar of events is published at the first of the year; general information can be found on the school website and on the school marquee. Cesar Chavez uses Facebook and Twitter to announce upcoming events and to stay in touch with both parents and students.

STUDENT ACHIEVEMENT

CALIFORNIA ASSESSMENT OF STUDENT PERFORMANCE AND PROGRESS (CAASPP)

The California Assessment of Student Performance and Progress (CAASPP) System includes the Smarter Balanced Summative Assessments (SBAC) for students in the general education population, and the California Alternate Assessments (CAAs) for students with the most significant cognitive disabilities. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternative achievement standards, which are linked with the Common Core State Standards (CCSS). CAASPP results are a measure of how well students are mastering California's standards in English language arts/literacy (ELA) and mathematics, and are given to grades three through eight and grade eleven. SBAC tests assess student performance in ELA/Literacy and mathematics utilizing computer-adaptive tests and performance tasks, and CAAs test items are aligned with alternative achievement standards which are linked with the Common Core State Standards (CCSS).

The CAASPP results shown in this report include overall results comparing the school, district and state scores as well as the school's overall score in each applicable subgroup. Results are

shown only for subgroups with ten students or more taking the exam. For those categories that are blank in the tables, no students met subgroup criteria. More information on CAASPP can be found on the California Department of Education's website www.cde.ca.gov/tg/tg/ca/.

DISTRICT BENCHMARK ASSESSMENTS

Greenfield Union School District administers its own comprehensive assessments to measure student progress in meeting district and state standards in both language arts and math. Students in grades TK-8 are evaluated three times using the i-Ready program, and periodically throughout the year using grade-level, essential standards benchmarks. Teachers use assessments results to (1) identify students for additional academic intervention and enrichment, (2) modify classroom instruction practices, (3) modify delivery of curriculum content, and (4) identify areas where teachers may benefit from supplemental training in either course curriculum or instructional strategies.

PHYSICAL FITNESS

In the spring of each year, Cesar Chavez School is required by the state to administer a physical fitness test to all students in grades five and seven. The physical fitness test measures each student's ability to complete six fitness tasks in six major areas. Students that either meet or exceed the standards

The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

An asterisk (*) appears in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

SCHOOL FACILITIES & SAFETY

Cesar Chavez Elementary provides a safe, clean environment for learning through proper facilities maintenance and campus supervision. The campus is entirely fenced in, and is a completely enclosed and secure environment in which students can learn. Once school is in session, all gates are closed and visitors must access the campus through the school office.

2018-19 Campus Improvement Projects:

- Painting of the classroom doors
- Addition of new 21st century classroom furniture in all classrooms
- Installation of benches in the front of the school
- Landscaping projects to the front of the school

2019-20 Campus Improvement Projects Planned or in Progress:

- Remodel of the school lobby and front office
- Redesign of the playground area and repainting/restriping playground area
- Addition of one new portable for the school psychologist's office

CAMPUS SUPERVISION

As students arrive on campus in the morning, yard duty supervisors monitor student activity until 8:05 a.m. in the multipurpose room, and teachers on duty are in the playground area from 8:00 a.m. until school starts. During recess, teachers share supervisory responsibilities of playground activity. A yard support program provides monitored student activities during recess times. During lunch, yard duty supervisors monitor students on the playground. At the end of the day, kindergarten students are released from their rooms or the cafeteria to their parents through a gate in their area. Students in grades K-2 who are being picked up by parents are lined up at the front gate and released directly to their parents. Teachers release students in grades 3-6 from their classrooms to the cafeteria for parent pick up. Those students who ride buses in kindergarten are escorted by yard duty supervisors to the bus loading area while

grades 1-6 are released and directed to the bus area. At the bus loading area, K-6 bus riders are supervised by yard duty supervisors. The principal, custodian, school office staff, and yard duty personnel carry hand-held radios to facilitate routine and emergency communications.

To maintain a safe and secure environment while classes are in session, all parents and visitors are required to check in at the school office upon arrival, wear a visitor's badge while on campus, and return to the school office upon departure.

SCHOOL SITE SAFETY PLAN

A Comprehensive School Site Safety Plan was initially developed for Cesar Chavez Elementary in collaboration with local law enforcement and fire protection agencies and district administration to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, sexual harassment policy, procedures for safe arrival and departure from school, and dress code policy. Cesar Chavez Elementary's most current school safety plan was reviewed and updated in February 2019. In August 2019 the plan was shared with school staff. An updated copy of the school site safety plan is available to the public at the Greenfield Union School District office and the school office.

MONTEREY COUNTY WILLIAMS FACILITIES INSPECTION

On an annual basis, representatives from the Monterey County Superintendent of Schools visit Greenfield Union School District's schools that are in the API Decile Ranks 1-3. The inspection is designed to evaluate and verify that school facility conditions are in "good repair"

and that any deficiencies are accurately reported in the School Accountability Report Cards. The most recent facility inspection completed by the county took place on September 9, 2019. Results of the inspection and corrective action taken by the district are provided in the table below.

SCHOOL INSPECTIONS

Schools are required by state law to conduct an annual comprehensive inspection of school facilities, paying close attention to designated areas identified by state legislation and the Office of Public School Construction guidelines. The most recent facilities inspection at Cesar Chavez Elementary took place on April 17, 2019. Schools are required by state law to report the condition of their facilities. During the 2018-19 school year, 100% of student restrooms were fully operational and available for use at all times.

CAMPUS MAINTENANCE

The custodial staff and district's maintenance department work together and communicate at least every other day to ensure playgrounds, classrooms, and campus grounds are well-maintained and kept safe and functioning for students, staff, and visitors. Greenfield Union School District has established a comprehensive set of cleaning standards to ensure campus facilities are maintained in good repair and kept safe for students and staff. Parents may request to view approved cleaning standards by contacting the district's Director of Maintenance and Operations through the district office.

One full-time day and two full-time evening custodians are assigned to Cesar Chavez Elementary School for daily cleaning of restrooms, cafeteria, classrooms, and administrative areas. The Director of Maintenance and Operations and a part-time

maintenance custodian are available during the day to fulfill custodial needs as they arise during the school day.

Maintenance and Operations employs an electronic, web-based work order system that enables school staff to communicate its maintenance needs. Teachers and school staff relay requests for unscheduled special projects directly to school office staff who complete and submit a work order request to the Director of Maintenance of Operations. The director evaluates, prioritizes, and then forwards the request immediately to custodians for resolution. Custodians are qualified to perform minor and routine maintenance. Larger and more specialized projects are typically outsourced to third party contractors. Emergencies and urgent situations are typically resolved immediately.

All staff share the responsibility to report safety hazards or other conditions that need immediate attention. Graffiti and signs of vandalism are removed prior to students arriving on campus. The principal communicates with Maintenance and Operations staff as needed to manage safety concerns, cleaning practices, and maintenance needs.

STUDENT RECOGNITION

Cesar Chavez Elementary's staff celebrate student learning and positive behavior at school assemblies held each quarter. Each teacher selects students to receive Progress Awards; these awards honor students who have demonstrated outstanding effort in respectfulness, responsibility, safety and academic progress. Students with no absences in a month earn a Perfect Attendance award that month and, if there are no absences for the entire year, they are honored with a Perfect Attendance award at the end-of-the-year assembly. Students have the opportunity to earn the Character Counts award weekly and monthly for exhibiting positive character traits. There is a Cesar Chavez award for students who exhibit overall academic and behavior traits awarded each year. Raffles are held for "Got Caught Reading", Character Counts, Accelerated Reader, and Perfect Attendance weekly. Grades 1 through 3 participate in the 100 Book challenge and are awarded a medal for each 25 hours. Students read using reading logs that parents sign.

DISCIPLINE & CLIMATE FOR LEARNING

Cesar Chavez Elementary School's discipline practices and behavior management strategies comply with California Education Code and approved board policies and are designed to create effective learning environments and minimize classroom disruptions. Teachers integrate Character Counts strategies to promote respect and responsibility through daily instruction and activities. Progressive discipline measures are employed in the classroom for those students experiencing difficulty following school rules and proactive measures for those demonstrating positive behavior. Disciplinary intervention is managed by school administrators in a fair, firm, and consistent manner based upon the nature of each situation.

CURRICULUM & INSTRUCTION

INSTRUCTIONAL MATERIALS

All textbooks used in the core curriculum throughout Greenfield Union School District are aligned to the California State Standards. Instructional materials for grades K-8 are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education.

On September 12, 2019, the Greenfield Union School District Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students, including English Learners. The Board of Trustees adopted Resolution #1028 which certifies, as required by Education Code section 60119, that (1) textbooks and instructional materials were provided to all students, including English learners, in the district, (2) each pupil has a textbook or instructional materials, or both, to use in class and to take home, (3) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of

STAFF DEVELOPMENT

Greenfield Union School District combines efforts with school site administration to provide training and curriculum development which revolves around the California State Standards. Teachers align classroom curriculum to ensure that all students either meet or exceed state proficiency levels.

Grade levels participate in Professional Learning Communities (PLC's) three times per month on early release Wednesdays, and one Wednesday per month is used for professional development. During the 2018-19 school year, Cesar Chavez provided professional development based upon student achievement levels and teacher needs as well as follow-up training on districtwide programs which included:

- Common Core State Standards
- English Learner Development
- Response to Intervention
- Data Analysis
- Standards-Focused Instruction
- Mastery of Standards
- Essential Standards Mapping

During the 2017-18, 2018-19, and 2019-20 school years professional development activities covered topics contained in the charts located in this report entitled "Professional Development Days & Topics".

Teachers are encouraged to attend professional training programs offered by the Monterey County Office of Education and other local agencies for specialized training in their instructional areas and curriculum.

Teachers that are new to the profession as well as the district receive intensive support and training through the Monterey County Office of Education's New Teacher Induction Program (formerly known as BTSA - Beginning Teacher Support and Assessment). For beginning teachers and new teachers recruited from out-of-state, the New Teacher Induction Program provides support and skill-building assistance through formative assessment and individualized support. After successful completion of the two-year program, teachers may apply for their clear teaching credential.

SCHOOL LEADERSHIP

Cesar Chavez Elementary's principal works closely with school staff, the Leadership Teams, and parents to ensure school programs are in alignment with student achievement goals and the schoolwide objectives.

Principal Sarah Amezcua works closely with the School Leadership Teams and all school staff. Weekly meetings and collaboration enable a strong focus on instructional strategies at Chavez Elementary.

The school's Leadership Teams are comprised of the principal, assistant principal, academic coach, RtI teacher, intervention/ELL teacher, and grade level leader representatives. The Leadership Teams meet periodically to identify and develop staff development programs for teaching staff in an effort to improve student achievement.

Cesar Chavez Elementary's School Site Council (SSC) meets at least four times a year and is comprised of the principal, teachers, classified staff, and parent representatives. The SSC takes an advisory role in evaluating school programs and progress in meeting school goals.

Teaching staff work closely in professional learning communities to improve student achievement, analyze data, and to set goals. Grade level teams meet every week and follow an agenda prepared by the principal. Topics of

discussion are focused on academic progress, intervention strategies, and instructional needs.

Cesar Chavez Elementary School has an Academic Coach, Intervention Teacher, and one Common Core Lead available per grade level in English Language Arts and mathematics. The Common Core Lead works with the district and the teachers to train all staff on the Common Core Curriculum.

SPECIALIZED INSTRUCTION

Greenfield Union School District and Cesar Chavez Elementary believe in early identification and intervention of under performing students prior to testing for learning disabilities - ensuring every student receives the instruction and skills necessary to proficiently progress from one grade to the next. All students are mainstreamed in a general education classroom and receive instruction based upon their learning level, individual education plan, or Student Study Team guidelines. Instructional programs are aligned with state and district standards, and teachers use a variety of instructional techniques and supplemental instructional materials and programs to deliver classroom lessons.

SPECIAL EDUCATION

Special education students are mainstreamed in the general education environment. One Special Day Class teacher and two Special Day Class aides for K-3 provide small group instruction in the resource room. Special education staff work closely with classroom teachers to provide instruction either on regularly-assigned class work or focused instruction in designated areas. Individualized instruction for special education students is 1) based upon their Individual Education Plan (IEP) and 2) provided in the least restrictive environment. Each student's parents and school staff meet annually to evaluate student performance and adjust the child's IEP to meet the student's academic needs.

Greenfield Union School District is a member of the multi-district Monterey County Special Education Local Plan Area (SELPA), which collaborates with school districts and other public and private agencies in the county to provide a full complement of special education services for Cesar Chavez Elementary's students. Through the SELPA, special education support professional, students, and parents have access to an extensive pool of resources and expertise in the field of special education.

ENGLISH LANGUAGE LEARNERS

English Learners (EL) are identified through the English Language Proficiency Assessments for California (ELPAC) test and home language survey. Students are placed in a classroom with a teacher who has been trained to teach second language skills to elementary students. English learners receive 30 minutes of ELD instruction as a supplement to their regular language arts curriculum. ELD instruction focuses on vocabulary building, reading fluency, and language acquisition. Teachers in grades TK-5 use the Benchmark and English 3D curriculums for ELD lessons.

TARGETED INTERVENTION PROGRAMS

Through data analysis, teachers will determine targeted intervention groups to provide every child with the additional time and support needed to learn at high levels. Our Response to Intervention (RtI) practices are within the Professional Learning Community (PLC) model, where teachers work together in teams in collaboration to provide timely, targeted, systematic interventions to assist students who demonstrate the need.

Teachers use various tools such as state assessment results, DIBELS, BPST, in class assessments, and common formative assessments (CFAs) to identify students and their level of need. Teachers are guided through the RtI pyramid of instruction as a visual representation of a system of interventions to base their targeted groups. This will allow teachers the opportunity to deploy students to the grade level above or below to receive extra support if needed. Lessons and instruction is also tailored throughout the day using differentiated researched based strategies and practices.

- Intervention Teacher: Provides at-risk intervention tutoring primarily for English learners but is available to all at-risk students.
- ASES (After School Education & Safety): The ASES Program funds the establishment of local after school education and enrichment programs. These programs are created through partnerships between schools and local community resources to provide literacy, academic enrichment and safe constructive alternatives for students in first through sixth grade. Funding is designed to: (1) maintain existing before and after school program funding; and (2) provide eligibility to all elementary and middle schools that submit quality applications throughout California.
- Enrichment Programs: Music and fine arts classes are offered in the following: 1) Mariachi classes for grades 2-6; 2) guitar and piano lessons, and 3) art classes are imbedded in core curriculum throughout the day. Additionally, we offer enrichment through fine and performing arts opportunities in partnership with The Arts Council for Monterey County and Missoula Community Theatre Program.

DISTRICT EXPENDITURES

SALARY & BUDGET COMPARISON

State law requires comparative salary and budget information to be reported to the general public. For comparison purposes, the State Department of Education has provided average salary data from school districts having similar average daily attendance throughout the state.

EXPENDITURES PER STUDENT

For the 2017-18 school year, Greenfield Union School District spent an average of \$11,356 of total general funds to educate each student (based on 2017-18 audited financial statements). The table in this report 1) compares the school's per pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the district and throughout the state, and 2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding salaries can be found at the CDE website at <http://www.cde.ca.gov/ds/fd/ec/> and <http://www.cde.ca.gov/ds/fd/cs/>. (The figures shown in the table below reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)
