School Accountability Report Card

Reported Using Data from the 2018-19 School Year

Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2019-20)

Perched on a bluff overlooking Humboldt Bay and the Pacific Ocean beyond, Pine Hill Elementary School serves 260 students ranging from transitional kindergarten through third grade. It is part of the South Bay Union Elementary School District. The school is located on the coast about 280 miles north of San Francisco and just south of the city of Eureka, population 28,000. It is one of two schools in the South Bay Union School District. The other school, South Bay Elementary School, is a 4-8 grade school. Students live in the Elk River Valley, Pine Hill, Humboldt Hill, King Salmon, and Fields Landing neighborhoods that range from economically disadvantaged to upper middle class singly family dwellings.

We at Pine Hill believe in social as well as academic responsibility. We have a dedicated staff consisting of twelve regular education teachers, an administrator, a resource teacher, a music teacher, a counselor, a speech teacher and a staffed library. The staff strives to be exemplary role models of caring and cooperation in addition to promoting academic excellence. We are very proud that Pine Hill is a 2003 California Distinguished School and the Title I Academic Achievement School in 2004, 2010, and 2011. We offer extended and enhanced educational opportunities until 6:00 pm daily through our EXPLORE after school program. This allows over 60% of our students to receive help with their homework, and participate in recreational and educational activities. Explore better prepares our students to meet the demands of the State Academic Content Standards.

South Bay USD takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, South Bay USD uses a facility inspection tool. The results of this survey are available at the school office for review. Pine Hill is generally clean and maintained in exemplary repair with an overall rating of 99.31%. Only one non-critical deficiency was noted. Chemicals were stored under the sink in Room 11 and need to be locked up. A work order process is used to ensure efficient services and that emergency repairs are given the highest priority.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19

Mathematics (grades 3-8 and 11)	50	63	26	28	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2019-20)

The goal of Pine Hill School is to create partnerships and support for our parent body. Our Parent Teacher Student Association (PTSA) sponsors many activities throughout the year; a pancake breakfast, Apples for Educators (staff appreciation), an Annual Carnival; a Family Dance Night, to name a few. The school offers numerous opportunities for parent involvement. Parents volunteer in the classroom, in the library and on field trips. There is an annual volunteer training to assure that parents have success in their experiences at school. The PTSA supports student learning through annual grants to teachers and special projects. If parents or community members are interested in volunteering at Pine Hill Elementary, please call the South Bay USD office for further information.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

School Safety Plan (School Year 2019-20)

Teachers and administrators from both school sites have participated in School Safety Plan Training at Humboldt County Office of Education and are actively updating and revising the present Safety Plan to reflect necessary changes. Our Comprehensive School District Safety Plan is currently undergoing a comprehensive review with new goals and related action plans to be determined. The superintendent assumes incident command should an emergency occur. Emergency plans are in place, and have been rehearsed. For example, we participated in the Great California Shake-out in October of 2019 to practice our Earthquake procedure.

Number of school days dedicated to Staff Development and Continuous Improvement	4	4	7

Staff development is held during pre-service days at the start of the school year and in-service days in the middle of the school year. The district also has early student release days each Wednesday afternoon, providing teachers time to collaborate and focus on professional development. The district determines a professional development emphasis through a combination of student achievement data and input gathered on the LCAP Stakeholder Input surveys. This year was focused on parent engagement and trauma aligned practices.
