School Description

The Mission statement for Wakefield Elementary is "We encourage respect and responsibility through compassion and acceptance in a safe learning environment."

Wakefield Elementary School is the oldest elementary school in Turlock Unified School District. We proudly serve an average of 600 students in our regular TK-6th grade program. In addition, we have five pre-formal Autism classes, a TK-third grade dual immersion program and serve both Head Start and State Preschool.

Wakefield honors students monthly for character and academic achievement. We have a character block built in to our daily schedule so that teachers may teach character lessons in every classroom. Our teachers reinforce monthly character traits and explicitly teach character lessons through role play, use of digital media and literacy.

Teachers meet weekly during PLC collaboration to discuss student learning. Strategic supports and strategic enrichment is planned. Our Intervention Team works closely with grade level teachers to ensure that we have an academic plan for each student. Teachers offer tutoring outside the school day for individualized and accelerated support. These classes are planned and approved by administration with students selected according to state and local assessments.

At Wakefield, we take great pride in celebrating student achievements including daily announcements, Trimester Awards, Honor Roll Awards, Student of the Month, Character Trait of the Month and Perfect Attendance. Opportunities for student leadership and extracurricular activities include: baile folklórico, student council, orchestra, band, choir, art, chess and our After School Education and Safety Program (ASES).

Our goals for the current year:

We will increase the number of 3rd – 6th grade students who met or exceeded in ELA proficiency from 22% to 35% (adding 36 identified students) as measured by the CAASPP by May 2020.

We will increase the number of 3rd – 6th grade students who met or exceeded in math proficiency from 11% to 25% (adding 40 identified students) as measured by the CAASPP by May 2020.

All students will demonstrate one year's growth in reading as measured by the SEL, EDL2 and Next Step Reading Assessment by May 2020.

We will increase the number of EL students who attain the proficiency level of Bridging from 33% to 47% (adding 40 identified students) as measured by the ELPAC

We will decrease the overall number of students with chronic absences from 7.7% to 6% (reducing 10 identified students with chronic absences) by May 2020.

We will reduce the number of suspensions from 41 to 30 (decreasing by 11 students) by creating school-wide interventions for behavior supports both in structured and non-structured environments.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

School Facility Conditions and Planned Improvements (Most Recent Year)

An assessment was done in August 2019 using the Facility Inspection Tool (FIT), Wakefield Elementary is currently a Williams School; as such this inspection was completed by SCOE representative John Cicinato. The school buildings and grounds of Wakefield Elementary have been deemed to be 'clean, safe and functional', having no condition that poses an emergency or urgent threat to the health and safety of pupils or staff. Copies of the District Safety Inspections and Williams Inspections are maintained on file in the Turlock Unified School District Maintenance and Operations office. Safety: A safety plan is in effect. Certificated and classified staffs are vigilant in maintaining student safety. All staff wear identification badges and all visitors check in and out at the school office. Cleanliness: Wakefield Elementary employs one full-time Lead Custodian who provides students and staff with a clean and safe school environment throughout the day. Our district additionally employs two full time night custodians who are responsible for cleaning all facilities on a daily basis. All state and district guidelines governing the custodian tasks have been implemented and are followed in accordance with all applicable laws. Improvements: Wakefield Elementary was modernized in 2013 and received several improvements including new restrooms and a new fire alarm system. In the fall of 2017 a new Kindergarten facility was constructed which opened in January just after Christmas break, this facility includes new student and staff restrooms as well as a new playground. Adequacy: The Turlock Unified School District prides itself in offering clean, safe and adequate school facilities. Our buildings offer adequate heat and air and are maintained in accordance with stringent state and district guidelines. FIT Results: The FIT form dated August 8, 2019 may list some items found during the site inspection. These items should not be confused as 'Non-functioning' or affect the overall statement of the school site that it is 'clean, safe and functional.' Work orders are input on a regular basis and are usually addressed within a two week period of time.

School Facility Good Repair Status (Most Recent Year)

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 17-18	School 18-19	District 17-18	District 18-19	State 17-18	State 18-19
ELA	23	22	44	45	50	50
Math	13	11	29	31	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Cells with N/A values do not require data.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018-19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

2018-19 Percent of Students Meeting Fitness Standards

Grade Level	4 of 6	5 of 6	6 of 6
5	14.1	20.5	21.8

Note: Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)

Parents have many opportunities to be involved and supported while at Wakefield Elementary. We have the following advisory groups; English Learner Advisory Council (ELAC) and School Site Council (SSC) that meet every other month to discuss the various functions of the school. Our ELAC advises our SSC to help them make informed decisions regarding our budget, school site plan, safety of our campus, incentives for students and many other items that are discussed and approved at SSC. All of our representatives for ELAC and SSC are voted on by our parents or guardians.

Parents have opportunities for support as well. We offer the opportunity to participate in literacy and academic content area parent workshops. We also offer English language support, computer classes and hold various parent nights throughout the year. In primary classrooms, parents volunteer to support students in reading, writing and supporting work in rotational centers. Parents become stronger partners in the educational process by attending literacy functions that help them understand expectations for success.

In order to better communicate with parents regarding essential student learning and expectations that focus on academic, physical and mental needs, parents have the opportunity to attend several parent nights throughout the year. Additionally, we provide a parent compact, a monthly newsletter and post parent information on our website, Instagram and Facebook page. For more information, please contact the school office at 209-667-0895.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

Key Elements of the Comprehensive School Safety Plan: In the Turlock Unified School District, components satisfying each of the following items have been developed and are included in the Comprehensive School Safety Plan, when approved by each site council. These components were reviewed with staff April 30, 2019

- 1) Disaster procedures, routine and emergency
- 2) Policies pursuant to subdivision (d) of Section 48915 for pupils who committed an act listed in subdivision (c) of Section 48915 and other school designated serious acts which would lead to suspension, expulsion, or mandatory expulsion recommendations pursuant to Article 1 (commencing with Section 48900) of Chapter 6 of Part 27
- 3) Procedures to notify teachers of dangerous pupils pursuant to Section 49070
- 4) A sexual harassment policy, pursuant to subdivision (b) of Section 212.6
- 5) The provisions of any school-wide dress code, pursuant to Section 35183, that prohibits pupils from wearing "gang-related apparel" if the school has adopted a dress code. For these purposes, the safety plan defines "gang-related apparel"
- 6) Procedures for safe ingress and egress of pupils, parents, and school employees to and from school
- 7) A safe and orderly environment conducive to learning at school
- 8) The rules and procedures on school discipline adopted pursuant to Sections 35391 and 35291.5
- 9) Assessment of the current status of school crime committed on school campuses and at school related functions
- 10) Child abuse reporting procedures consistent with Article 2.5 (commencing with Section 11164) of Title 1 of Part 4 of the Penal Code

Professional Development provided for Teachers

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	2	2	2

This section provides information on the annual number of school days dedicated to staff development for the most recent three-year period. The Turlock Unified School District Local Control Accountability Plan prioritized district-wide professional development opportunities for TK-12 to include subject matter, English language development, technology, digital citizenship, best practices, PLC's and leadership. Multiple measures including CAASPP results, CELDT achievement data, common formative assessments, and data from site educational rounds were utilized to prioritize needs. Additionally, TUSD's initiatives and staff input continue to drive the professional development offerings. Staff is provided with weekly embedded collaboration time in addition to opportunities for extended collaboration at site determined periods throughout the school year. The collaboration time allows teachers to apply new learning and make strategic decisions regarding the use of curriculum and assessments.

Year one and year two teachers are enrolled in TUSD's Induction Program which is in the second year of implementation. The Induction Program activities are based on the California Standards for the Teaching Profession which outlines the numerous interconnected skills that comprise the professional practices of teaching. New administrators are supported through their participation in the Stanislaus County Office of Education Administrator Induction Program.

Professional development and support has been provided in the following areas: Professional Learning Communities; Math Instruction; ELA/ELD Instruction; Special Education; Instructional Best Practices; Guided Language Acquisition and Design (GLAD); Advanced Placement; Technology; Digital Citizenship, Small Group Instruction; and Next Generation Science Standards. Professional development opportunities occur during a combination of the regular school day, after hours, and during the summer. TUSD has a network of nineteen content specialist instructional coaches that are utilized to support staff in classroom implementation as a follow up to all professional development events.

There are several formal Special Education administrative and teacher trainings scheduled each year that include the following topics: Service delivery for special education students with various handicapping conditions, the referral process for students with special education needs, how to accurately complete the IEP documents, how to maintain legally defensible reports/IEP documents/meetings, behavioral tools/strategies for district staff, case law and disability awareness. At sites, training specific to the students and programs at each site occurs throughout the school year.

Types of Services Funded

Wakefield Elementary utilizes a wide variety of services available that support and assist students in our school. We provide counseling services for students through the Center for Human Services and TUSD student support specialists. We also provide grief and loss counseling through Jessica's house and Treehouse Club. Wakefield offers English Language support for English Learners. This includes designated and integrated English Language Development and extra support for our "newcomer" students. Additionally, all students may receive academic support through the After School Educational and Safety Program (ASES), mentor programs through the local university, cross-age tutoring, and reading tutoring from the local university students. We have an intervention block during the school day to provide both strategic and enrichment support on essential grade level skills. We utilize para-professionals in our primary classrooms and our severe special education classrooms. We have character coaches and community support groups to provide one on one intervention and small group social skills development. We also have academic support from content-area Instructional Coaches to support student achievement and provide professional development for teachers. Summer school is available to those students who meet the desired criteria.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
