

PARKVIEW ELEMENTARY SCHOOL
School Accountability Report Card
Reported Using Data from the 2018-19 School Year
Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2019-20)

Parkview Elementary School is one of 11 schools in the Hueneme Elementary School District. Classes are arranged on a traditional schedule comprised of trimesters. Kindergarten students attend for an extended day, leaving at 1:30 p.m. Approximately 640 students in grades kindergarten through five were enrolled during the most recent year. Of these, more than half of the total student body are classified as English learners (please see data tables included in this SARC) and 81.3% qualified for the free or reduced lunch program. All of our students receive free lunch and breakfast because we are a Provision II school. Parkview is in its second year of implementing a 50/50 Two Way Bilingual Program. Parkview strives to improve student performance in English/Language Arts, Math and English Language Development using collaboration around student data, implementation of research-based practices, and the encouragement of parental involvement.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials

Teachers	School 2017-18	School 2018-19	School 2019-20	District 2019-20

Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments*	0	0	0
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

Year and month in which data were collected: September 2018

Textbooks and instructional materials were selected from the most recent list of standards-based materials adopted by the State Board of Education (SBE) for grades K-8 and are consistent with the content and cycles of the curriculum frameworks adopted by the State Board of Education. Materials are available to 100% of our pupils. Zero percent (0%) of pupils in this district lack their own assigned textbooks and instructional materials.

School Facility Conditions and Planned Improvements (Most Recent Year)

Parkview has adequate facilities to support its large student population. We have a large library, cafeteria, several offices for counseling and psychologist's use, and classrooms for our after school and academic intervention program. Our facilities are well maintained and clean.

The heating and cooling systems are upgraded as needed and the fire alarm and intercom systems are maintained regularly. The principal and custodians work together to ensure that the buildings are clean and litter free. Together, school and district personnel work to ensure that the facility is maintained in a manner that assures it is clean, safe and functional as determined pursuant to an interim evaluation instrument developed by the State of California Office of Public School Construction.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

Year and month of the most recent FIT report: 08/30/2019

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
English Language Arts/Literacy (grades 3-8 and 11)	23	29	28	29	50	50
Mathematics (grades 3-8 and 11)	18	19	18	18	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2018-19)

Grade Level	Percentage of Students Meeting Four of Six Fitness Standards	Percentage of Students Meeting Five of Six Fitness Standards	Percentage of Students Meeting Six of Six Fitness Standards

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2019-20)

This year, Parkview School had approximately 50 regular volunteers. Many parents volunteer in classrooms, attend field trips, and participate in schoolwide activities. Our School Site Council and English Learner Advisory Committee provide the opportunity for parent contributions and input into decisions regarding our school. Parents also have the opportunity to participate in monthly parent meetings during which parents can learn ways to help their children succeed in school and give input regarding school programs. Parent meeting topics include Loving Solutions parenting classes, Dual Immersion informational meetings, and community support resources.

Parents are invited to participate in our PTA which, this year, will sponsor several fundraisers with the goal of providing music and cultural assemblies, additional books for the school's library, and providing funds for enriching field trips for each classroom. If you are interested in opportunities for parental involvement, please contact the Principal, Cara Comstock, at 805-986-8730 or by email, ccomstock@hueneme.org.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

School Safety Plan (School Year 2019-20)

Parkview Elementary strives to maintain a safe, healthful, nurturing and orderly school campus. Both students and staff contribute to keeping the campus a safe and comfortable place to learn and work. Teachers and support staff also use CHAMPS and Positive Behavior Intervention Strategies as a way to maintain safe and effective learning environments. Children are taught the six pillars of character through the Character Counts Program, which serves to prevent bullying and foster good citizenship. Parkview is piloting Second Step to support social-emotional learning.

Parkview's School Safety Plan was developed in conjunction with the district's Comprehensive Safe Schools plan. It was updated and reviewed by the School Site Council on 1/15/19. Updates for the 2019-20 plan will be reviewed by staff in February, 2019.

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Professional Development (Most Recent Three Years)

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement			

Administrators, teachers and paraprofessionals participate in professional development focused on the California Common Core State Standards in order to improve their skills in teaching and assessment of student learning. The primary focus areas are instruction of grade-level content standards, intervention strategies for students who have not mastered standards, and assessment of student progress.

The primary area of focus for the most recent three-year period was:

- English Language Arts
- English Language Development
- Writing
- Mathematics
- C.H.A.M.P.S. Program (Conversation, Help, Activity, Movement, Participation, Successful Students)

Professional development is offered during the teaching day, on three student-free staff development days, during summer institutes, after school, and on weekends. Substitute teachers are provided and the negotiated hourly rate is offered for attendance.

During the school year, teachers are supported by classroom observations, staff meetings, and grade-level/content area collaboration. Professional learning agendas are based on student achievement data and teacher input. In reading/language arts and mathematics, student performance data is ongoing and evaluated using a common assessment. A Student Progress Report aligned to the California Common Core State Standards is sent to parents at the end of each trimester.
