School Accountability Report Card

Reported Using Data from the 2018-19 School Year

Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2019-20)

Welcome to North Cottonwood School, “Home of the Coyotes.” I am pleased to have your family be a part of the Coyote team. North Cottonwood is a “School of Excellence.” Our mission is to teach and inspire all our Coyote students with LOVE everyday.

Academic success is a true partnership between the students, parents, and the school staff. Our main areas of emphasis at North Cottonwood School are reading fluency, reading comprehension, and a safe, orderly and prideful environment. Our whole staff is committed to providing a rigorous core curriculum that reflects the California Content Standards. In addition, our staff instructs and emphasizes that our students be STAR (Safe, Trustworthy, Attentive, and Respective) Coyotes. With a visit to our campus or just a conversation with one of our students, it will not take long to realize that North Cottonwood School is truly a “School of Excellence.”

North Cottonwood School and the Cottonwood Union School District have a “Tradition of Academic Excellence.” I invite you to become a part of our family and enjoy the wonderful school culture that is NORTH COTTONWOOD SCHOOL.

Cottonwood Union School District is located in Shasta County and encompasses 200 square miles along the Shasta-Tehama County Line. Cottonwood Union School District is comprised of two schools, North Cottonwood Elementary School (preschool-4th grade) and West Cottonwood Junior High School (5th grade-8th grade). The schools have consistently earned the reputation for high academic standards, extremely safe, well-disciplined campuses, and a school environment that is conducive to learning and parent participation.

North Cottonwood has an outstanding staff consisting of 26 certificated teachers, two curriculum coaches (one for ELA and one for mathematics), 17 instructional aides, 6 special education aides, 3 supervision aides, librarian, 2 secretaries, health clerk, 2 custodians, district psychologist, school counselor and principal. In addition, the school has a kitchen staff of two that serves both breakfast and lunch.

Students at North Cottonwood School are guided by specific rules and classroom expectations that promote respect, communication, empowerment and community. The school’s discipline philosophy is based on a community-building approach to education, a partnership between students, parents and the school, and a balance between support and accountability structures. Parents and students are informed of discipline policies through the student handbook, principal’s newsletters and dialer notifications. All staff members enforce the school rules in a fair and equitable manner and unacceptable behavior is quickly communicated to parents. A referral system is in place to deal with serious and recurrent student management problems in a timely manner and in-house and/or at home suspension are used to handle aggressive student behavior.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)	48	37	47	46	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Cottonwood Union School District offers two programs to support new and veteran teachers in their classroom skills and to ensure continued professional development. New Teacher Center (NTC), a State-sponsored program, is designed for first and second-year credentialed teachers to provide skills assistance over a two-year period. The district also employs two full-time curriculum coaches (one in English Language Arts and one in Mathematics) to help with staff development and growth.
