- Warm, welcoming, safe, supporting environment

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Total Teacher Misassignments*	0	0	0
Vacant Teacher Positions	0	0	0

* Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

Every student has a textbook that is in good condition. The adoption cycle is followed for all subject areas. Textbooks are adopted from the state-approved list. Every student at the school has access to all textbooks and instructional materials. Textbooks are selected by first going to a committee of teachers and parents and then out to the entire staff for review. Finally, they are approved by the school board.

Richmond Street integrates the use of technology in the classroom, using iPod Touches, iPads, Smartboards and LCD projectors in classrooms.

Textbooks and Instructional Materials

Year and month in which data were collected: January 2020

Core Curriculum Area	Textbooks and Instructional Materials/Year of Adoption
Reading/Language Arts	Houghton Mifflin 2002/ Units of Study Percent of students lacking their own assigned textbook: 0%
Mathematics	EveryDay Math 2015 Percent of students lacking their own assigned textbook: 0%

School Facility Conditions and Planned Improvements (Most Recent Year)

Richmond Street School is bordered by Mariposa Street, Virginia Steet, Palm Street and Richmond Street. The main school building was originally constructed in 1936 and completely renovated from 1998 to 2000. With the passage of Measure ES more renovations will be occurring over the next few years such as; Perimeter fencing, school egress, parking, new classrooms.

School Facility Good Repair Status (Most Recent Year)

Year and month in which data were collected: December 2019

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 17-18	School 18-19	District 17-18	District 18-19	State 17-18	State 18-19
ELA	77	79	75	78	50	50
Math	71	78	63	70	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Cells with N/A values do not require data.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018-19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

2018-19 Percent of Students Meeting Fitness Standards

Grade Level	4 of 6	5 of 6	6 of 6
5	13.5	30.2	50.0

Note: Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)

Parents and the community are very supportive of the educational programs in the El Segundo Unified School District. Parents are visible in the classrooms and workroom on a daily basis. The School Site Council and PTA are both very active, supporting classroom instruction and special classroom events. The school has benefited from the fundraising efforts of both groups, which have provided major improvements to the campus such as new playgrounds. Studio 109, a group of parent volunteers with a passion for the arts, has been organized to ensure that a quality art instruction and enrichment is available to all students. The business community is very involved in El Segundo, and in 1983, the El Segundo Educational Foundation was founded to raise supplemental funding for the school system. Other local community businesses providing support to Richmond Street Elementary School include, but are not limited to: Los Angeles Kings, Cold Stone Creamery, El Segundo Chamber of Commerce, Kiwanis and Rotary Club.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

Safety of students and staff is a primary concern of Richmond Street Elementary School. Richmond Street Elementary School employs noon duty supervisors to monitor students during their lunch break. Richmond staff supervise students before school and during regularly scheduled breaks. After school supervision is provided on campus for a fee. The front of the school is designated for student drop-off/pick-up. All visitors to the campus must sign in at the office and display a visitor pass at all times. The School Site Safety plan is evaluated and revised annually each summer by administrators, the El Segundo Fire Department, School Site Council, and members of the Parent Teacher Association; the revisions are then shared with the entire staff. Key elements to the safety plan include evacuation plans and drills, shelter-in-place and dismissal procedures, location and rationing of first aid supplies, and implementation of the SEMS (Standardized Emergency Management System) Model. The school is in compliance with the laws, rules, and regulations pertaining to hazardous materials and state earthquake standards.

Professional Development provided for Teachers

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	3	3	3

The El Segundo Unified School District has a long history of providing support for teachers to participate in professional development activities. Through attendance at workshops and conferences, the staff at Richmond Street School has developed a common language and vision that defines the school community. Teachers are empowered in all elements of site based decisions from curriculum and instruction, to program assessment, to school policies and discipline procedures. For the past three years, the District has sponsored three staff development days annually, where teachers are offered a variety of growth opportunities. In addition, each Monday is a minimum day. This time is dedicated to staff meetings, grade level/department meetings, and professional development. Topics include but are not limited to: Common Core English Language Arts, Common Core Mathematics, Cognitive Guided Instruction, Next Generation Science Standards, Technology, and differentiated instructional strategies. Recently credentialed teachers are provided additional assistance through the Beginning Teacher Support and Assistance Program (BTSA).

Note: Cells with N/A values do not require data.

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

Types of Services Funded

California's new education funding model, the Local Control Funding Formula (LCFF), is a major reform in the way public school districts receive money from the state. Previously school districts received a significant portion of money without restrictions, but much of the funding was restricted to specific programs, called categorical programs. Some examples of these categorical programs included textbook funds and the Regional Occupation Program for high school students. There were dozens of state categorical programs that were eliminated when the LCFF went into effect in July 2013.

Under LCFF, the responsibility for allocating funds to meet students' needs is given to the local governing boards. To demonstrate how funds will be used to address eight priorities established by the state, school districts must develop and approve a Local Control Accountability Plan (LCAP) no later than July 1 of each year. This three-year plan is to be updated annually. Once approved by the Board of Education, the LCAP will be the basis for expenditures in the District.

The eight priorities that El Segundo Unified School District will include in the LCAP include the following:

- Student Achievement
- Student Engagement
- Other Student Outcomes
- School Climate
- Parental Involvement
- Basic Services
- Implementation of the Common Core Standards
- Course Access
