School Description

Caroline Wenzel School is a caring community of students, parents, and staff dedicated to educational excellence. Staff, parents and students have worked to make Wenzel a place where students feel safe, where their voice is heard (Student Council, Peer Mediators), where they are recognized for citizenship, attendance, life skills and academic efforts and most of all a place to have FUN while learning! The culture and climate of Wenzel are built upon a frame of ethical leadership focused on the standards of commitment, duty, equity, integrity, ethical responsibility, and respect.

Support services for continuous improvement in student achievement are provided to students. In the 2018-19 school year, our team embarked on doing improvement science work. This same work continues this year as goals in our School Plan for Student Achievement. Class size is 24:1 in Kindergarten; 24:1 in 1st, 2nd and 3rd grades and 33:1 in grades 4-6. In addition to the regular K-6 classrooms, Wenzel has four special day classes for communicatively disabled students, a class for severely developmentally disabled students and an autistic transition class designed to transition autistic students into general education classes, as well as 18 full inclusion students and over 80 speech students, including students from private schools. Our special day classes are fully included in all school-wide events and programs. English Language Learners (ELL) program is available for qualified students in both an integrated and designated approach and is provided a number of opportunities throughout the day to have their curricular needs met. To further support our students, Reading Partners a reading support and intervention program, three instructional intervention assistants, as well as a bilingual instructional assistant to support instruction and learning. Caroline Wenzel provides a strong PE prep program. Caroline Wenzel is proud to also have a staffed library where students can check out books on a rotating basis. To add to our expanding services is a family resource support center, providing a variety of support to our school and families, including but not limited to mentoring and counseling. For the past three years, including this school year, Caroline Wenzel holds Saturday Academy to provide enriching learning opportunities for students.

Parents and community volunteers are a very strong resource and help to implement the overall school program in cooperation with an active School Site Council and the English Learner Advisory Council. Wenzel's dynamic PTO supports many important programs including a Peer Mediator Program for Conflict Management, and annual events such as an Intermediate Physical Fitness Meet, and a Primary and Intermediate Play Days. Parents have been instrumental in implementing family events such as our Spaghetti Dinner, Carnival, Family Science Night and Movie Nights as well as ancillary activities like primary and intermediate school dances. There is our new Caroline Wenzel Academy of Scholars (CWAS) licensed childcare program available for before and after school childcare on our campus in addition to the After School Education and Safety (ASES) after school program serving nearly 86 students in grades 1st - 6th. Finally, we have an active student council that meets once a week with the principal to discuss school-wide student issues as well as plan student activities. This year, leadership opportunities provided students with opportunities to serve as technology team, school tour teams, and mentoring team.

Parents, students, staff, and members of our community are all working together to continue Wenzel's path to continuous improvement in academics as well as having fun learning in an inclusive, caring, and small community environment!

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

The district instructional material evaluation committee consisted of members representing teachers, administrators, other staff, students, parents/guardians, and community ensures that the selected textbooks, technology-based materials, and other educational materials effectively support the district's adopted courses of study and meet current curricular goals and California Content Standards. Teachers, students, parents/guardians, and community members have the opportunity to review and provide input about the instructional materials being considered for adoption. Recommendations for the adoption and/or withdrawal of instructional materials by the instructional material evaluation committee are presented to the Board by the Superintendent or designee and include documentation supporting the recommendation. In some instances, the considered textbooks and/or instructional materials are piloted for a period of time before being recommended for adoption to the Board of Education.

School Facility Conditions and Planned Improvements (Most Recent Year)

Caroline Wenzel Elementary School, built in 1967, received Facility Inspection Tool (FIT) overall repair rating score of "exemplary" from its most recent facility inspection in June 2018. The district governing Board has adopted cleanliness standards for all district schools to ensure that all schools are clean, safe and functional. The district Operations Department takes great pride following a work order process that provides efficient and timely services to all the sites. The principal works directly with the site custodial staff to develop cleaning schedules to ensure that the school is clean and safe.

The passage of Measure Q, the district's 2012 general obligation bond, provided facility upgrade funding to all district schools. The district performed Quick Strike projects during the summer of 2014, which allowed schools to pick from one of the following improvements: 1) marquees, 2) closed-circuit television (CCTV) surveillance, 3) exterior painting, or 4) seal coating and striping of parking lots or playgrounds. Fire alarms at all the district schools were upgraded. Additional 10 million dollars have been allocated for safety and security upgrades, which are expected to begin in 2019.

Funding from the federal government through Universal Service Administrative Company (USAC) provided for technology infrastructure improvements to the district's wireless connectivity. The improvements, which are expected to be completed by the end of 2019, will increase classroom internet access and digital voice communication.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

CAASPP Test Results in ELA and Mathematics for All Students Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 17-18	School 18-19	District 17-18	District 18-19	State 17-18	State 18-19
ELA	21	22	40	43	50	50
Math	16	14	32	32	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)

Parents have many opportunities to be involved at Caroline Wenzel. Over the course of this school year, there will be school events, field trips, or PTSO sponsored activities where parents can take an active volunteer role. Our volunteers follow a fingerprinting process to clear them for volunteer work with teachers and classrooms. For information, community volunteers can contact our office clerk, Nicole Haverstadt who also serves as our PTSO President at (916) 395-4525. Ms. Nicole is our site staff who works directly with volunteer paperwork and is our PTSO President and helps to coordinate on-site school activities.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

School Safety Plan

Sacramento City Unified School District

Comprehensive Safe School Plan (CSSP) 2019-2020

The Comprehensive Safe School Plans (CSSP) for the Sacramento City Unified School District are revised annually to ensure the contents of the plans are uniform and updated to address the components set forth in Section 32282 of the 2019 California Education Code. This plan is a work in progress as the Safe Schools Office and the Sacramento Police Department continue to seek the most current information and advice from subject matter experts.

Currently the CSSP contains the following sections.

Professional Development provided for Teachers

To realize the vision of Sacramento City Unified School District, which is to fully prepare all students for college and career, it is imperative that the district provides numerous opportunities to expand the professional repertoire of its administrators and teachers.

To that end, the district has crafted a high quality professional learning program that is focused on Literacy (including ELA Common Core Standards), English Language Learners, Differentiation of Instruction, Data Inquiry, Culturally and Linguistically Relevant Teaching and Learning, and Conceptual Understanding of Mathematics. The learning opportunities afforded through this program deeply align with the needs of our individual schools, as well as our Local Control Accountability Plan, and connect to every aspect of school practice: thinking curriculum, intentional instructional practices, assessment for learning, and lesson design.

Professional learning opportunities are offered during school hours and outside of contracted hours. In addition to on-site coaching and regular professional learning opportunities, a designated collaborative Thursday time provides the opportunity for teachers to engage in collaborative professional learning at their respective schools focusing on deepening their content knowledge, strengthening their instructional repertoire, improving their assessment strategies, and fostering a shared sense of responsibility.

Types of Services Funded

SCUSD and district schools provide supplemental programs and services through categorical funds and other sources to support the needs of all students, including GATE, students with disabilities and English learners. Programs and services such as enrichment programs, family engagement activities, supplemental instructional materials, and academic, social and emotional support programs help our students achieve grade-level readiness, mastery of the California Common Core State Standards (CCSS), and college and career readiness. Caroline Wenzel Elementary School and district supplemental programs and services include:

- Tutoring
- Supplemental instructional materials and books
- Enrichment programs - Reading Partners
- Access to technology
- Parent Education/Family Nights
- Social Services (Healthy Start)
- Student/Family Primary Language Support
- Translation for Home-School Communication
- Counseling (academic and career)
- Special Education/RSP Intervention Services
- Professional Development
- Support Staff, such as nurses, instructional assistants, parent advisors, and counselors
- School Choice
- Safety and Yard Supervision

Please check with your child's principal to receive information regarding the services that are specific to your child's school.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
