School Accountability Report Card

Reported Using Data from the 2018-19 School Year

Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2019-20)

Spring Valley School is a small rural school and is one of three elementary schools in the Chawanakee Unified School District. Spring Valley is located in O'Neals and serves approximately 235 students in transitional kindergarten through eighth grade. The schools ethnic demographic is: 78% White, 11.7% Hispanic, 5.8% American Indian, and 3.1% Two or More Races. There is 9 full-time teachers and 2 full-time special education teachers. The TK-6th grade are in self contained classrooms and the 7th-8th grades have rotating classes. The 8th grade also has an elective at Minarets High School and the option to take an advanced Math course or Spanish Class at Minarets High School, if the student qualifies.

A Spring Valley graduate will possess a sense of dignity and self-respect in having acquired:

- *The skills necessary to succeed academically
- *Social skills enabling one to appreciate individual differences and cultural and ethnic diversity
- *Problem solving skills which allow one to confidently and competently analyze information and/or situations and formulate wise decisions for the benefit of self and others
- *Citizenship skills which reflect patriotism and a commitment to family, community, and global responsibility
- *Inter-personal skills that demonstrate self-discipline, a healthy lifestyle and an intrinsic motivation to succeed.

We believe that the school should be a safe and positive learning environment where every child has the opportunity to reach their maximum potential. Spring Valley is a place where high character traits are taught and modeled daily. The learning climate is set where respect and equal opportunity prevail and students are appreciated as individuals. Spring Valley follows a Positive Behavioral Interventions and Supports mode. Spring Valley Warriors R.O.C.K. (Respect, Ownership, Citizenship, Kindness). Every member of our school knows that he/she is an important, contributing member of the school family.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials

Teachers	School 2017-18	School 2018-19	School 2019-20	District 2019-20

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

Year and month in which data were collected: January 2020

Chawanakee Unified School District held a Public Hearing on September 10, 2019, and determined that each school within the District has sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects, Visual/Performing Arts, Health, and Foreign Language, for use in the classroom and to take home.

Textbooks and supplementary materials are adopted according to a cycle developed by the State Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the state are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination, upon request, prior to adoption. The table displays information collected about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption?	Percent Students Lacking Own Assigned Copy
Reading/Language Arts	K-6: National Geographic adopted in 2017 7th-8th: Collections, Houghton Mifflin Harcourt adopted in 2017	Yes	0
Mathematics	K-5: McGraw Hill My Math adopted in 2014 6th-8th: Harcourt Go Math adopted in 2014 9th-12th: Big Ideas, Houghton Mifflin Harcourt adopted in 2016	Yes	0
Science	K-8: Amplify Science adopted December 2019	Yes	0

School Facility Conditions and Planned Improvements (Most Recent Year)

Spring Valley School was originally constructed in 1889. The two buildings were built in 1965 and 1977 respectively, and modernized in 2004. The school is situated on 5.65 acres and span approximately 12,000 square feet. Facilities are comprised of two permanent buildings providing eight classrooms, a library, a multipurpose room, as well as administrative offices. The playground has grass ball fields, black top areas for basketball and volleyball with areas for swings, slides, and climbing equipment. The facility strongly supports teaching and learning through its ample classroom and playground space. The chart displays the most recent facilities inspection.

Cleaning Process

The principal works daily with the custodial staff of one full-time person to ensure that the cleaning of the school is maintained to provide for a clean and safe school.

Maintenance and Repair

Safety concerns are the number one priority of Maintenance and Operations. District maintenance supervisors are proactive and conduct inspections at school sites on a continual basis. Repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

Year and month of the most recent FIT report: 10/10/2019

System Inspected	Rating	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	
Interior: Interior Surfaces	Good	
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	Good	
Electrical: Electrical	Good	electrical face plates/ face plates replaced the same day.

Safety: Fire Safety, Hazardous Materials	Good	
Structural: Structural Damage, Roofs	Good	
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	Good	
Overall Rating	Exemplary	

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
English Language Arts/Literacy (grades 3-8 and 11)	50	49	47	44	50	50
Mathematics (grades 3-8 and 11)	31	34	24	26	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2019-20)

Spring Valley School greatly benefits from its supportive parents who support school activities and fundraisers throughout the year. The school has a strong base of parent volunteers who help in the classrooms. Parents are also welcome and encouraged to join the Parents Club. The Parents Club raises funds for many programs, buys many things, and provides support to the staff. The parents also have an opportunity to be apart of the School Site Council an the District Advisory Committee. A parent survey is given once a year as well.

The school website and Facebook page are updated with current events. Parents and students have access to teacher web pages and contact information. Teachers also send out weekly classroom updates. The school has a Back To School Night, which is held to provide parents with school and class information.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2019-20)

Safety of students and staff is a primary concern of Spring Valley School. The school is in compliance with all laws, rules, and regulations pertaining to hazardous materials and State earthquake standards. The school's Crisis Intervention Plan includes steps for ensuring student and staff safety during a disaster. The School Site Safety plan is reviewed and updated yearly by the School Safety Committee. Fire and disaster drills are conducted on a monthly basis throughout the school year. Earthquake drills are twice a year. Lockdown drills are held twice a year. Students are supervised before and after school by certificated staff, classified staff and principal, and classified staff supervise students during lunch. Certificated and Classified staff help with supervision during lunch and break periods. There is a designated area for student drop off and pick up. Visitors are required to come through the school office and sign in.

In 1998, the Comprehensive Safety Plan was developed by the District in consultation with local law enforcement in order to comply with Senate Bill 187 of 1997. The plan provides students and staff a means to ensure a safe and orderly learning environment. Components of the Comprehensive Safety Plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe ingress and egress from school, sexual harassment policies, and dress code guidelines. The school reviews the plan by December of each year and updates it as needed. The plan was last updated and reviewed with school staff in December 2019. All revisions were communicated to both the classified and certificated staff. It was approved by the Chawanahee Unified School District Board of Trustees on January 14, 2020. An updated copy of the plan is available to the public at the school and district offices.

Professional Development (Most Recent Three Years)

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	3	3	5

2017-18 focused on finishing English Language Arts Curriculum development and Positive Behavior support System for School-wide use. Curriculum is a major focus of the district due to the change in content standards and we have been slowly working on developing our own curriculum. PBIS has also been the chosen model for student discipline and expectations. Teachers also attended the Model Schools conference in the summer of 2017.

2018-19 focused on Positive Behavior support System for School-wide use and developing a Multi-Tiered System of Supports for academics and for social/emotional health (MTSS). Focus continued on creating the assessments for both English Language Arts and Mathematics.

2019-20 focus on Science Curriculum Instruction, continue with PBIS, and effective student instruction practices.

Professional Development is delivered in a variety of ways. Many are after school workshops, conference attendance, and teacher release days.

Teachers are supported with teacher-principal meetings, peer mentoring, monthly staff meetings to address any concerns.
