School Accountability Report Card

Reported Using Data from the 2018-19 School Year

Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Profile:

The Ready Springs Elementary School is located in Penn Valley, California and is in the Penn Valley Union Elementary School District. Ready Springs Elementary School was established in 1868. Currently, Ready Springs serves TK-8 students. We have a full day Transitional Kindergarten class and a full day Kindergarten class. Our ASES funded After School Program is available to all families at no charge. We also offer before school care at no charge to families beginning at 7:15 a.m. Ready Springs is a rural school that sits adjacent to some of the only available section 8/low income housing in the County. We have one of the County run Family Resource Centers housed on our site where families can get support to access other available resources such as counseling, mental health services, in-home support services, as well as parenting classes and supports. During the 2019-2020 school year the district has fully implemented Universal Access, which we have titled Me Time, (Meaningful Enrichment). This dedicated block of time is intended to meet the individual students' academic and social-emotional needs within mixed age level groupings. The dedication and commitment of all district staff has earned the highly sought after, Golden Bell Award.

School Mission Statement: To understand each child and promote individual success, we will build relationships with knowledge, enthusiasm, and patience. By advocating, encouraging, and modeling with compassion and respect for our students, they will learn that life-long growth and change are achievable through hard work and perseverance.

School Vision: The Penn Valley Union Elementary School District inspires a passion for learning and promotes engagement and belonging while maximizing the potential of every member of our school community.

Ready Springs is a school-wide Title 1 school. We have a Title 1 intervention teacher and 2 instructional assistants to support an RTI model of intervention for grades K-5 in reading and math. Local assessments, both formative and summative, are monitored weekly, each trimester, and at the end of the school year.

School Facility Conditions and Planned Improvements (Most Recent Year)

Our facilities are well maintained and in good condition. Weekly site inspections are conducted and reported to the Maintenance Supervisor. We have sufficient custodial staffing to ensure that the campus is kept clean on a daily basis. We have a full-time day custodian and 6 hour night custodian. Grounds are maintained by shared resource for the district.

Review of playground equipment is ongoing as our play structure is aging. Additional outdoor games have been added for the Jr. High including corn hole, ping-pong and sand volleyball.

School Facility Good Repair Status (Most Recent Year)

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
English Language Arts/Literacy (grades 3-8 and 11)	56	52	56	54	50	50
Mathematics (grades 3-8 and 11)	44	39	45	41	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2019-20)

Parents play a very important role at Ready Springs School through their active participation and involvement in School Site Council, Parent Teacher Committee (PTC), various annual events, advisory committees, and by regularly volunteering their services in the classrooms. Parents are considered a vital link in the success of our children and our school. Through these organizations and our Roots and Wings Educational Foundation, parents and community members help shape curriculum and policies, in addition, funding special projects to purchasing equipment and supplies to benefit our students. All take a supportive, active, and collaborative role in every aspect of our school. The school's website links to a parent page and school Facebook page and PTC Facebook page, giving parents access to current information about activities and meetings. We also have principal chats, inviting the parents and community to come and talk about topics of interest.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

Expulsions	0.0	0.0	0.0	0.0	0.0	0.0	0.1	0.1	0.1

School Safety Plan (School Year 2019-20)

In compliance with Ed Code 35329.6, the District Comprehensive Safety Plan is reviewed and updated and approved by the Governing Board annually, by March 1. Each school maintains a copy of the Safety Plan on site and a copy of the Response Plan is provided to every employee. Key elements of the District Comprehensive Safety Plan includes a plan of action for coordinated district-wide response to emergencies (i.e. natural disasters, evacuation from sites, an intruder on campus, fire, emergency lockdown, etc.) and emergency phones/contacts. The plan also includes information on school climate, bullying and proactive measures to protect the safety of all students and staff.

Safety drills are held on a regular basis. Fire drills are held monthly. Duck and cover, lockdown, and shelter in place drills are held twice a year. All staff wears staff ID whenever they are on campus. Visitors to the campus are required to sign in at the school office and wear a volunteer/visitor badge at all times. This plan is reviewed by site council and updated annually by March 1 of each year.

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Professional Development (Most Recent Three Years)

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	7	7	4

Through the use of Title II funds, teachers have access to professional development that aligns with District, school and/or teacher goals. Nevada County Superintendent of Schools also supports teachers and administrators with various professional development classes. Over the past three years, the District provided four professional development days with a focus on topics of current relevance as well as time for development of professional learning communities in the district. This year the emphasis has been on social-emotional learning and the impact of trauma on education. There has also been an emphasis on assessment data and several teachers in the District have attended workshops on this topic. Every Wednesday students are on early release to allow for teacher collaboration time to support with implementation for Me Time and intervention groupings. First and second-year teachers participate in 90 hours of mandatory professional development each year through the North Coast Teacher Induction Program for beginning teachers.
