## **School Accountability Report Card**

### **Reported Using Data from the 2018-19 School Year**

#### **Published During 2019-20**

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## School Description and Mission Statement (School Year 2019-20)

### District Mission Statement

The mission of the New Haven Unified School District, a partnership of students, families, staff and our richly diverse community, is to develop and empower EVERY student to be a productive, responsible and successful global citizen by creating an exemplary, inclusive educational system characterized by a safe, caring learning environment and a challenging, comprehensive curriculum that ensures academic proficiency.

### Delaine Eastin Site Beliefs

We believe our students need opportunities to practice, reflect, internalize and apply their learning. Our students need to be confident and enjoy learning in order to problem solve and persevere in working towards independence.

### Delaine Eastin Elementary Site Focus

Knowing our students in order to meet their needs in small group and large group through personalized learning practices.

### Delaine Eastin Elementary Goals

Strive to be open-minded and adventurous, trying and reflecting on new ideas and strategies. Respect and value other's unique ways of thinking. Make wise use of time. Seek the joy in learning. Be inclusive in decision making. And, increase opportunities for student learning by making decisions based on student needs.

### District & Community Profile

New Haven Unified School Districts includes Union City and part of south Hayward. We are proud of the accomplishments of our diverse student population. Our mission is to develop and empower every student to be productive, responsible and successful. The district consists of seven elementary schools, two middle schools, two high schools, a student support center, independent study, home school program, and an adult school.

### School Attendance & Enrollment

Regular attendance is a necessary part of the learning process and is critical to academic success. Attendance, tardy, and truancy policies are clearly stated, consistently enforced, and consequences fairly administered. Parents are advised of their responsibilities, including proper notification of when and why students are absent. Student attendance is monitored very closely and phone calls to parents are made on a daily basis. Letters will be sent home if absences become a problem. Students with excessive tardies, trancies or unexcused absences are referred to Student Attendance Review Board (SARB).

### Student Enrollment by Grade Level (School Year 2018-19)

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

### Teacher Credentials

Teachers	School 2017-18	School 2018-19	School 2019-20	District 2019-20
With Full Credential	35	32	36	478
Without Full Credential	0	1	0	18
Teaching Outside Subject Area of Competence (with full credential)	0	0	0	7

## Teacher Misassignments and Vacant Teacher Positions

Indicator	2017-18	2018-19	2019-20
Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments*	0	0	0
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

\*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

## Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

**Year and month in which data were collected:** January 2019

New Haven Unified School District held a Public Hearing on October 15, 2019, and determined that each school within the District has sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the State Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the state are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school, as of January 2019.

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption?	Percent Students Lacking Own Assigned Copy
Reading/Language Arts	McGraw Hill Wonders 2018 (ELA / ELD)	Yes	0.0%
Mathematics	Harcourt School Publishers 2007	Yes	0.0%
Science	Bridges 2015	Yes	0.0%
History-Social Science	MacMillan/ McGraw Hill 2008	Yes	0.0%

## School Facility Conditions and Planned Improvements (Most Recent Year)

Delaine Eastin Elementary School was constructed in 2001, and is comprised of 37 classrooms, an administration building, media center, two computer labs, multipurpose room, a staff lounge, staff workroom, and two playgrounds.

### Cleaning Process

The principal works daily with the custodial staff to ensure that the cleaning of the school is maintained to provide for a clean and safe school. The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards are available at the district office for review.

### Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and work orders are completed in a timely manner. A work order process is used to ensure efficient service and highest priority are given to emergency repairs. At the time of publication, 100% of restrooms were in working order. While reviewing this report, please note that even minor discrepancies are reported in the inspection process. The items noted in the table have been corrected or are in the process of remediation. The data in the table was collected in May 2018.

### School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

**Year and month of the most recent FIT report:** 5/24/19

System Inspected	Rating	Repair Needed and Action Taken or Planned
<b>Systems:</b> Gas Leaks, Mechanical/HVAC, Sewer	Good	
<b>Interior:</b> Interior Surfaces	Good	
<b>Cleanliness:</b> Overall Cleanliness, Pest/ Vermin Infestation	Good	
<b>Electrical:</b> Electrical	Good

<b>Structural:</b> Structural Damage, Roofs	Good	
<b>External:</b> Playground/School Grounds, Windows/ Doors/Gates/Fences	Good	
<b>Overall Rating</b>	<b>Exemplary</b>	

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in ELA and Mathematics for All Students

#### Grades Three through Eight and Grade Eleven

#### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
English Language Arts/Literacy (grades 3-8 and 11)	71	73	51	51	50	50
Mathematics (grades 3-8 and 11)	68	67	40	42	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

### CAASPP Test Results in ELA by Student Group

#### Grades Three through Eight and Grade Eleven (School Year 2018-19)

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Note: Cells with N/A values do not require data.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018-19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

## State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

## California Physical Fitness Test Results (School Year 2018-19)

Grade Level	Percentage of Students Meeting Four of Six Fitness Standards	Percentage of Students Meeting Five of Six Fitness Standards	Percentage of Students Meeting Six of Six Fitness Standards
5	18.9	9.0	5.7

Note: Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

### Opportunities for Parental Involvement (School Year 2019-20)

Delaine Eastin Elementary School realizes the positive correlation between parent involvement and student success. For this reason, the school continually searches for avenues to involve parents and the community to participate in the education of its students. Delaine Eastin has a strong Parent Teacher Club (PTC) (<https://sites.google.com/site/eastinptc/>) which hold monthly meetings on site that are open to all community member. Our PTC hosts a number of events, both as fundraisers and a community involvement events. Delaine Eastin Elementary also maintains a school website (<https://eas.mynhusd.org/>) with an up to date community calendar as well as links to current information and opportunities for students to participate in events on the school campus. The site principal sends out regular newsletters which keep the community informed about upcoming events and opportunities to participate at the school level and provide input. Delaine Eastin holds monthly School Site Council meetings which are open to the public and published on the school website, school calendar and the Principal's Newsletter. In addition, we host English Language Advisory Committee meetings three times per year to inform and engage the parents of our English Language Learners. This school year we have hosted multiple meetings focused on the performance and experience of our African American students however, we have not been successful in getting parents to attend.

### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### Suspensions and Expulsions

Rate	School 2016-17	School 2017-18	School 2018-19	District 2016-17	District 2017-18	District 2018-19	State 2016-17	State 2017-18	State 2018-19

<b>Expulsions</b>	0.0	0.0	0.0	0.1	0.1	0.1	0.1	0.1	0.1

### School Safety Plan (School Year 2019-20)

Safety of students and staff is a primary concern of Delaine Eastin Elementary School. The school is always in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The School Site Safety plan was updated in September 2019. The updated plan was reviewed with school staff on September 9, 2019 and reviewed with our School Site Council October 16, 2019. All revisions were communicated to both the classified and certificated staff. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Each classroom is equipped with disaster supplies within an emergency backpack. The site's "disaster trailer" contains medical supplies, as well as search-and-rescue equipment. Fire and disaster drills are conducted on a monthly basis. Lockdown drills are held yearly. Students are supervised before and after school by teachers and the administration, and noon-duty aides supervise students during lunch. There is a designated area for student drop off and pick up. Visitors must sign in at the front office, and wear a badge while on campus.

## D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

### Professional Development (Most Recent Three Years)

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	1	1	1

All sites were provided one day for professional development prior to the start of the school year. Additionally, there are additional opportunities provided for professional development at staff meetings, grade level/department meetings, collaboration meetings and modified days.

We provide district-wide and site-based professional development focused upon the district's priority initiatives and a variety of topics. These topics include:

English Language Development; Designated and Integrated ELD  
Multi-Tiered Systems of Support  
Middle School NGSS-Aligned Instructional Materials  
Mathematics, Habits of Mind, Habits of Interaction  
Development of Physical Education Units that Meet State-Mandated Requirements  
Rigorous Curriculum Design for ELA/ELD Integration  
Universal Design for Learning  
Positive Behavior Interventions and Supports  
Trauma Informed Practices

The areas of focus for professional development were based upon our analysis of student performance data including results on the CAASPP, NWEA, California Dashboard, ELPAC and district created summative assessments. Professional development has been provided through working in collaboration with consultants that have been contracted by the district, on-site instructional coaching, attending conferences, administratively created and delivered professional development during before school meetings, faculty meetings and modified school days.

Our teachers are supported with implementation by being provided planning time, collaboration, conducting observations, providing feedback, and grade level / department meetings.
