School Accountability Report Card

Reported Using Data from the 2018-19 School Year

Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2019-20)

Star View Elementary School, the newest GATE Magnet school in the Ocean View School District is a dynamic and unique school among the ten elementary schools in the Ocean View School District. Although much of the District is in Huntington Beach, Star View serves students from Westminster, Midway City, and Fountain Valley. Our current population reflects the ethnic diversity of our community and the exemplary reputation of how Star View School shines in our community. Star View is proud to be the recipient of the 2012 , 2018, and 2020 California Distinguished School Award and 2016 Honor Roll Award. This year, Star View received the CA Distinguished School Award due to our high academic performance in closing the achievement gap for all students.

The epitome of a model school, our warm and caring atmosphere is balanced with the highest level of professionalism and commitment to student success. Star View Elementary teachers pride themselves in maintaining a high level of expertise based on current practices, often sharing their knowledge throughout the school and District. A variety of instructional strategies are implemented to meet diverse student needs, promote student achievement, foster independence, build character and encourage life-long learning. Star View Elementary School's commitment to the success of all students results from an open partnership among parents, students, community and our staff. Together we work to meet the needs of each individual in an atmosphere of caring and respect.

The mission of Star View Elementary School and of the Ocean View School District is to provide all students with a high quality educational program which meets their individual, social, emotional, and physical health needs; creates a school environment that will best promote the learning necessary for each student to acquire maximum knowledge and experience; and fosters in each student a feeling of personal worth and philosophy that encompasses worthy moral and ethical values, and sustains a growing awareness of our interdependence with society and the environment.

District & School Profile

Star View Elementary School is located in the western region of Huntington Beach and serves students in grades transitional kindergarten through fifth following a traditional calendar. The Ocean View School District is located in western Orange County and serves over 8,000 students from prekindergarten through eighth grade. Ocean View School District is dedicated to educational excellence and the continuous academic growth of all students, which supports its motto: "Today's Ocean View, Where Achievement and Relationships Matter."

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

Year and month in which data were collected: 10/2019

All textbooks used in the core curriculum are aligned with the California Content Standards and Frameworks per the adoption process outlined by the state. Once the State Board of Education adopts standards-based instructional materials, the District field tests materials and then adopts according to Board Policy. There are sufficient materials at each school that are used to support core instruction. The adoption cycle has been adhered to and newly adopted materials are readily accessible to all students. All schools use adopted materials and site-specific supplemental resources.

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption?	Percent Students Lacking Own Assigned Copy

School Facility Conditions and Planned Improvements (Most Recent Year)

In November of 2016, the Ocean View School District (OVSD) passed Measure R, a general obligation bond, in the amount of 169 million dollars. This is the first bond ever passed in the 143 year history of OVSD. The bond program is designed to transform the aging fleet of 1960/1970 era schools into modern, contemporary learning environments. Construction started in late June of 2018 and is anticipated to take approximately eight years to complete ending somewhere in the 2024/2025 school year.

The District currently embraces a systematic approach to maintaining the current facilities to ensure that all schools are clean, safe, and provide an inspirational educational environment for our students to learn, grow, and be challenged. District maintenance and site custodial staff work in a coordinated manner to ensure that the repairs and operational items necessary to keep the schools in good condition are completed in a timely manner. A comprehensive work order system is utilized by school and District staff to communicate both routine and non-routine maintenance requests. Emergency repairs are given the highest priority.

From an operational perspective, the custodian inspects the facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One full-time day custodian and one or two part-time evening custodian(s) are assigned to each school site. The day custodian is responsible for:

- Lunch area setup/cleanup
- General grounds maintenance
- Grounds keeping
- Restroom cleaning

Restrooms are checked regularly throughout the day for cleanliness and subsequently cleaned as needed. The evening custodian is responsible for:

- Classroom cleaning
- Office area cleaning
- Restroom cleaning

The principals are in continual communication with the Maintenance and Operations Supervisors and custodial staff concerning maintenance and school safety issues.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
English Language Arts/Literacy (grades 3-8 and 11)	63	62	64	63	50	50
Mathematics (grades 3-8 and 11)	64	63	57	58	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in ELA by Student Group

The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2019-20)

Parents are encouraged to be involved in their child's learning experience. There are several avenues for involvement including volunteering in the classroom, chaperoning a field trip, working in our library, or attending one of the many school events. In addition, parents are encouraged to become involved in decision making as part of our School Site Council, Parent Teacher Organization, or our English Learner Advisory Council. Parents stay informed of upcoming events and school activities through text, email, Instagram, flyers, letters, newsletters, parent conferences, progress reports, school marquee, school and District website, and the automated telephone messaging system. Please contact any school office staff member at (714) 897-1009 for more information on how to become involved.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

School Safety Plan (School Year 2019-20)

The Comprehensive School Site Safety Plan was developed for Star View Elementary School in collaboration with School Site Council, local agencies, and the District office, to fulfill the requirements of Senate Bill 187. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response, procedures for safe arrival and departure from school, sexual harassment, bullying, and dress code policies. The school's most recent school safety plan was reviewed and updated in October, 2019.

Professional Development (Most Recent Three Years)

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	4.5	4.5	4.5

Ocean View School District has instructional priorities that are the focus for all professional development. Professional development is collaboratively planned with the Ocean View Teachers Association to ensure that it meets the needs of students and staff and that it aligns with the District and State priorities. There are two non-student professional development days each year. There are also five modified Wednesdays for elementary schools that focus on site-specific needs. The first District professional development focused on Depth-of-Knowledge (DOK) levels 3 and 4. Training is interactive and teachers worked collaboratively with colleagues to develop student demonstration lessons to implement throughout the school year. The second non-student training day focused on DOK. At the elementary level, DOK 4 was revisited through the lens of Next Generation Science Standards. OVSD is developing a Twilight Series of professional development that will be offered after school to sustain District initiatives such as Write From the Beginning, Thinking Maps, Depth and Complexity icons, the Writing Continuum, and mathematical practices. As a District, we have a structure that allows us to stay the course and provide ongoing sustainable training.

In 2018-2019, Star View staff participated in the following professional staff development activities:

Foundational Skills Toolkit Training
Smarter Balance Assessment Training
Math Talks TK-5
Depth and Complexity
Differentiated Instruction: Optimizing Gifted Student Learning
Next Generation Science Standards
Technology Teacher Training TK-8
Thinking Maps Training
Write From the Beginning K-5
Spatial Temporal Math Staff Development
Cognitively Guided Instruction Training for TK-3 Grade Staff

Throughout the year, teaching staff are provided the opportunity to participate in District-sponsored staff development workshops or training sessions as:

- 1) a supplement to site-based staff development,
- 2) for reinforcement of or follow-up on previous training, or
- 3) follow-up training for newly implemented programs/curricula.

Star View Elementary School offers support to new and veteran teachers through peer coaching and mentoring. Instructional aides are provided targeted training focused on teaching strategies and curriculum content. Substitute teachers are invited to participate in designated staff development activities. All staff are encouraged to attend professional workshops and conferences. Classified support staff receive job-related training from department supervisors and District representatives.
