School Description

Principal's Message

I'd like to welcome you to Arthur F. Corey Elementary School's Annual School Accountability Report Card. In accordance with Proposition 98, every school in California is required to issue an annual School Accountability Report Card that fulfills state and federal disclosure requirements. Parents will find valuable information about our academic achievement, professional staff, curricular programs, instructional materials, safety procedures, classroom environment, and condition of facilities.

Arthur F. Corey Elementary School provides a warm, stimulating environment where students are actively involved in learning academics, as well as positive values. Students receive a standards-based, challenging curriculum from dedicated professional staff based on the individual needs of the students. Ongoing evaluation of student progress and achievement helps us to refine the instructional program so students can achieve academic proficiency.

We have made a commitment to provide the best educational program possible for Arthur F. Corey Elementary School's students and welcome any suggestions or questions you may have about the information contained in this report or about the school. Together, through our hard work, our students will be challenged to reach their maximum potential.

Mission Statement

Corey School is a safe community where all students are challenged to achieve their highest potential: academically, artistically, and socially while embracing diversity and developing strength of character.

School Profile

Arthur F. Corey Elementary School is located in the southwestern region of Buena Park and serves students in grades transitional kindergarten through six following a traditional calendar. At the beginning of the 2019-20 school year, 530 students were enrolled, including 10% in special education, 27% qualifying for English Language Learner support, and 61% qualifying for free or reduced price lunch.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

On Monday, September 23, 2019, the Buena Park School District's Governing Board held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Governing Board approved Resolution #19-12:2019-2020 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students in the district, including English learners, to the extent that each pupil has a textbook or instructional materials or both to use in class and to take home; and (2) that sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in English/language arts, math, science, and history-social science.

All textbook and support materials are selected from the state's list of approved materials and adopted by the State Board of Education. Materials approved for use are reviewed and a recommendation is made to the Governing Board by a selection committee composed of teachers, administrators, and parents. All recommended materials are available for parent examination at the district office prior to adoption. The information that follows shows the currency and availability of the textbooks and other instructional materials used at the school as of September 2019.

School Facility Conditions and Planned Improvements (Most Recent Year)

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Arthur F. Corey Elementary School's original facilities were built in 1963; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority. In the last 12 months, the following improvements have been completed:

- Remove dead tree.
- Support student landscape group.
- Replace a/c units under prop 39 funding.
- Stage remodel.
- Remove chain locks to latches.
- Support student bird club.
- Patch parking lot asphalt.
- Build/adjust library shelves.
- Repair restroom ceiling.
- Paint field layouts.
- Install campus use signs.
- New custodial schedules.
- Deep clean campus.
- Tree trimming.
- Annual service includes, Staff ID badges, HVAC filters, Testing of fire alarm system, Service fire extinguishers, Service backflow devices, Tree trimming,

Every morning before school begins, the custodian inspects facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One day custodian and one part-time evening custodian are assigned to Arthur F. Corey Elementary School. The day custodian is responsible for:

- Classroom cleaning
- Cafeteria/kitchen setup & cleanup
- Main office cleaning
- Restroom cleaning
- Event setup
- Grounds condition
- Restrooms are checked throughout the day for cleanliness and subsequently cleaned as needed.
- The evening custodian is responsible for:
- Classroom cleaning
- Restroom cleaning
- The principal communicates with custodial staff daily concerning maintenance and school safety issues.

Deferred Maintenance

Arthur F. Corey School participates in the State School Deferred Maintenance Program, which provides matching funds to assist school districts with major repairs or replacement of existing school building components. Deferred maintenance projects generally include roofing, plumbing, heating and air, electrical, painting, flooring, asphalt, wall systems and underground tanks.

Facilities Inspection

The district's maintenance department inspects Arthur F. Corey Elementary School on an annual basis in accordance with Education Code §17592.72(c)(1). Arthur F. Corey Elementary School uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place December 5, 2019. Deficiencies noted in the school inspection survey were corrected in a timely manner by the district's maintenance department. During fiscal year 2019-2020, all restrooms are fully functional and available for student use.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

Math	47	42	37	40	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)

Parents are encouraged to get involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making group, or simply attending school events.

Parents stay informed of upcoming events and school activities through parent conferences, the school marquee, school newsletters, the school website, Parent Square (Web-Based communication or App delivering text messages, emails, and automated calls), monthly parent meetings, and the parent survey. Please contact the school office at (714) 522-8389 for more information on how to become involved in your child's learning environment.

- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

The Comprehensive School Site Safety Plan was developed for Arthur F. Corey Elementary School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most recent school safety plan was reviewed, updated, and discussed with school staff in October 2019.

Professional Development provided for Teachers

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	16	14	14

Professional learning for the Buena Park faculty is aligned to the California State Content Standards and Frameworks, Multi-Tiered System of Support (MTSS) and Corey Elementary's School Plan for Student Achievement. At the District level, a team of administrators specializing in curriculum and instruction identifies teaching and learning strengths along with specific areas of need. Using site surveys, combined with data analysis from state assessments and District benchmark tests, a district-wide focus for increasing academic proficiency levels for all students is planned.

On-site Professional Development: Every week, teachers are provided professional development opportunities in the areas of instructional strategies, assessments, and curriculum planning. During the year, three dates are devoted to data analysis and planning for differentiated instruction and intervention. Site professional development is mirrored with the district plan for instruction and assessment and designed to meet the specific needs of Corey Elementary students.

District Professional Development: The school district provides teachers with ongoing professional development to advance content knowledge, instructional expertise, and collaborative planning. Training to support teachers with the implementation of district-wide initiatives including Common Core State Standards, new curriculum and units of study, assessment development, and establishing Professional Learning Communities. Teachers are given opportunities to develop both the art of teaching and instructional leadership skills by attending ongoing training and coaching led by literacy consultants, Corey's Cotsen mentor teacher, and the District Literacy, English Learner, and Tech TOSAs.

Corey Elementary School staff participated in the following professional learning activities over the past three school years:

- Common Core State Standards
- Writing Workshop Strategies
- Balanced Literacy
- Assessment and data analysis
- Reading and Writing Workshop
- Zearn Math and MathSpace training
- Academic discourse and student engagement using AVID strategies
- Next Generation Science Standards (NGSS) instructional shifts, curriculum and resources
- STEM practices and planning
- History Social Science standards, resources, and instructional best practices
- English Language Development (ELD) instructional practices and assessment
- Innovative integrated technology
- GATE certification for 3rd-8th grade teachers
- Positive Behavior Intervention Support (PBIS)
- Assessment literacy
- Professional Learning Community (PLC)
- MTSS academic behavior, and social-emotional development training

Corey Elementary School offers support to new and veteran teachers through professional development, peer coaching and mentoring. All staff are encouraged to attend professional workshops and conferences. Classified support staff receive job-related training from department supervisors and district representatives.

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

Types of Services Funded

For the 2018-19 school year, Buena Park School District spent an average of \$13,090 of total general funds to educate each student (based on 2018-19 audited financial statements and in accordance with calculations defined in Education Code §41372). The table in this report 1) compares the school's per pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the district and throughout the state, and 2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding salaries can be found at the CDE website at www.cde.ca.gov/ds/fd/ec/ and www.cde.ca.gov/ds/fd/cs/. (The figures shown in the table below reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)

In addition to general fund state funding, Buena Park School District receives state and federal categorical funding for special programs. For the 2018-19 school year, the district received categorical, special education, and support programs funds for:

- After School Education and Safety Program
- Grade Span Adjustment
- Lottery: Instructional Materials
- Special Education
- State Lottery
- Title I
- Title II
- Title III
- Title IV
- Transportation
- Transportation: Special Education

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
