## **School Accountability Report Card**

### **Reported Using Data from the 2018-19 School Year**

#### **Published During 2019-20**

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## School Description and Mission Statement (School Year 2019-20)

### Description of District

The Visalia Unified School District is the oldest school district in Tulare County. Our family of schools includes 26 elementary schools, a newcomer language center, five middle schools, four comprehensive high schools, a continuation high school, an adult school, a charter independent study school, a K-8 charter home school, and a charter technical early college high school. Over 32,000 students Pre-K to adult are served through Visalia Unified School District.

### Description of School

Veva Blunt Elementary School serves approximately 600 students in grades K-6. Our teachers and staff are dedicated to ensuring the academic success of every student and providing a safe and productive learning experience. The school holds high expectations for the academic and social development of all students. Curriculum planning, staff development, and assessment activities are focused on assisting all students in mastering the Common Core State Standards, as well as ensuring appropriate social development. Positive Behavior Intervention Systems are an integral part of the Veva Blunt School structure encouraging P.R.I.D.E. - Perseverance, Respect, Integrity, Discipline and Etiquette to each of our students. Our Parent Teacher Association is active and plays a vital role in connecting our families, community and staff towards the singular purpose of providing experiences and support to our students.

### School Mission Statement

Our mission is to promote high academic achievement, maintain a safe and respectful learning environment, value diversity, and to foster a strong collaborative partnership between students, parents, staff and community.

The staff, parents, and community of Veva Blunt Elementary School work together to provide a high quality education for all students. Our mission is to help students to:

- develop skills, strategies, and confidence to master rigorous grade level standards
- foster the love of learning and ensure that our students grow up to be life-long learners, critical thinkers, persevere when faced with challenges and become productive citizens
- attain strategies, study skills, and communication skills
- become resourceful, flexible, and curious learners who see the value in acquiring new skills as they progress through their educational career and into the work place
- develop a confidence in our school climate and culture where they feel safe and academics are priorities and individuality is valued

We believe that every student has the ability to learn at high levels, and that his or her intellectual, social and physical needs will be met to ensure they leave Veva Blunt with a solid foundation to continue to build upon as they move to middle school or other schools during their elementary education.

## School Facility Conditions and Planned Improvements (Most Recent Year)

Veva Blunt Elementary School takes great efforts to ensure a safe, clean, and functional physical environment for students, staff, and volunteers. Sufficient space is provided for students and staff to support teaching and learning. This includes space provided by classrooms, playgrounds, and staff work rooms. To assist our school in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Additional information about the condition of the school's facilities may be obtained by speaking with the school principal.

### Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

### Cleaning Process and Schedule

In addition to custodial staff on duty during the school day, a team of maintenance specialists come in after hours for daily cleaning. District and school maintenance staff work cooperatively with administrators to develop cleaning schedules to ensure a clean and safe school.

### Deferred Maintenance Program

The district participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar for dollar basis to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems. The deferred maintenance program ensures that all class-rooms and facilities are maintained to a degree of adequacy that allows for a good learning environment.

### School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in ELA and Mathematics for All Students

#### Grades Three through Eight and Grade Eleven

#### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
English Language Arts/Literacy (grades 3-8 and 11)	31	28	48	50	50	50
Mathematics (grades 3-8 and 11)	19	21	31	33	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

### CAASPP Test Results in ELA by Student Group

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

## State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

## California Physical Fitness Test Results (School Year 2018-19)

Grade Level	Percentage of Students Meeting Four of Six Fitness Standards	Percentage of Students Meeting Five of Six Fitness Standards	Percentage of Students Meeting Six of Six Fitness Standards

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

### Opportunities for Parental Involvement (School Year 2019-20)

Parent involvement and communication are essential to our school success. Veva Blunt Elementary School continually strives to involve parents by sharing information that helps parents understand how to access support school programs and get involved. We provide opportunities for parent participation in school activities during the school day and outside of the regular school day. These activities include, but are not limited to Parents and Pastries, Grandparents Day, Family Literacy Night, and Family STEAM Night. Volunteer meetings are held throughout the school year to train parents/community members that wish to volunteer at Veva Blunt School. There are numerous and varied opportunities for parent involvement, including but not limited to, attending school functions, participating in parent-teacher conferences, becoming a member of the Parent Teacher Association, volunteering in classrooms, and chaperoning field trips. Parents may also serve on advisory committees and leadership teams, including, but not limited to, the English Learners Advisory Committee (ELAC), School Safety Committee, and School Site Council (SSC). We provide parent education programs through the VUSD Parent University Program which includes Parents and Children Together--PACT, Parent Institute for Quality Education- PIQE, and other educational opportunities provided by the school site. Additional opportunities for parental involvement also exist at the district level.

Parents who would like more information on how to become involved may contact Principal Natali Garza at (559) 730-7793.

### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### Suspensions and Expulsions

<b>Expulsions</b>	0.0	0.0	0.0	0.1	0.3	0.3	0.1	0.1	0.1

### School Safety Plan (School Year 2019-20)

Safety of students and staff is a primary concern of Veva Blunt Elementary School. Campus-wide supervision ensures students are safe on school grounds before, during, and after school. Entrances to school grounds are locked and monitored during the school day. All visitors must sign in at the office and wear appropriate identification before entering the campus.

The Comprehensive School Safety Plan is designed and updated each year; reviewed with staff and the School Site Council in September to assist in maintaining a safe school environment and to prepare staff and students for emergencies. The plan was recently updated September 2019. It includes identification of security needs, development of prevention and intervention techniques, safety drills, incident response protocol, evaluation of physical facilities, and communication with staff and students to ensure accountability for all staff and students in the case of an emergency. It is fully compliant with federal and state regulations. An updated copy is available to the public at the school office.

The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Emergency preparedness drills are conducted monthly and the school staff is appropriately trained.

## D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

State	N/A	N/A	\$7,506.64	\$82,403.00
Percent Difference - School Site and State	N/A	N/A	-7.8	-22.0

Note: Cells with N/A values do not require data.

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

### Types of Services Funded (Fiscal Year 2018-19)

In addition to general state funding, the district receives state and federal categorical funding for special programs. For the 2018-2019 school year, the district received federal and state funding for the following categorical, special education, and support programs:

#### Federal Programs

- Title I, Part A, School and District Discretionary Block Grants
- Title I, Part C, Migrant Education
- Title II, Part A, Improving Teacher Quality
- Title II, Part D, Enhancing Education Through Technology
- Title III, Limited English Proficient
- Title III, Immigrant
- IDEA, Special Education - TCOVE

#### State Programs

- Child Development Programs

#### State Programs

- Local Control Funding Formula
- Local Control Accountability Plan

Veva Blunt students receive supplemental support that is funded through several of the funding sources listed above. The funds allow the hiring of specialized materials, technology and staff that provide additional support in the areas of language arts and math. Positive Behavior Intervention Systems, training, resources and incentives were funded through categorical funding. Our parents benefit from the Title I funding through parent education programs provided at the school site.

### Professional Development (Most Recent Three Years)

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement			

In order to best support the individual needs of all students, the following areas of professional development have been provided to staff: professional learning communities, PBIS, effective math and literacy instruction and other areas as indicated by school data. Staff development is provided every Monday during our weekly meetings for staff. In addition, coaching and individual teacher-principal meetings are held to discuss goal setting and progress. We meet each trimester as a full staff to analyze student data and adjust our staff development plan. Our district provides professional development based on data from both the district and school level to ensure that areas of need are being addressed. Professional Development occurs at the district, school and classroom level dependent on teacher goals. The district provides Teachers on Special Assignment at all grade levels to provide on-site coaching and support after professional development has occurred. In addition, we concurrently provide professional development in the area of Social Emotion Learning to our certificated, classified and after-school staff.

Support for Novice Teachers: Due to a shortage of highly qualified teachers in our area, twenty percent of Visalia Unified's certificated educators do not yet hold a clear credential and are considered "novice" educators. In response to this challenge and in compliance with the California Commission on Teacher Credentialing, Visalia Unified offers a robust support and training system for these novice educators including differentiated professional development and continuous professional growth opportunities. The professional learning system begins with the New Certificated Staff Summer Institute which is a five-day interactive training offered in August one week before school begins. This training covers classroom management, classroom culture, curriculum frameworks, and lesson design. In addition, a four-day workshop on student engagement and cooperative learning is offered during winter break so that teachers may implement new structures and strategies during the spring semester.

All novice teachers receive ongoing support and individualized training throughout the year via weekly meetings with their assigned mentor at their respective school sites. Mentors and district teachers-on-assignment support implementation of new knowledge by providing in-class coaching, collaborating on lesson design, accompanying novice teachers on classroom tours, and assisting with student data analysis to drive instructional decisions. In addition, novice teachers and their mentors attend monthly after school training in action research and are provided time to reflect on their instructional practice. Mentors and teachers on assignment are carefully selected experienced educators trained in how to facilitate the individualized professional growth of novice teachers. Novice teachers who have preliminary credentials participate in the VUSD Teacher Induction Clear Credential Program which is accredited by the Commission and is offered at no cost to the candidate.

Support for Veteran Teachers: Veteran teachers in need of classroom management assistance also have access to one-on-one mentor support as may be needed in the case of a new grade level assignment or challenging class. Visalia Unified also offers a Peer Assistance and Review (PAR) program which is a formal system of mentoring and accountability.
