## AN ANNUAL REPORT TO THE COMMUNITY 2018-19 SCHOOL ACTIVITY PUBLISHED IN JANUARY 2020

### PRINCIPAL'S MESSAGE

Welcome to Lasselle Elementary School!

At Lasselle Elementary our Mission is to empower scholars to take ownership of their learning and become productive citizens in an evolving society by creating a safe environment where scholars can grow emotionally, socially and academically.

Scholars receive instruction through an organized, sequential approach that is aligned to state standards through a collaborative effort with respective grade levels throughout the district. Students are supported in their academic efforts through a variety of programs and services that promote opportunity for all.

Parents and guardians are encouraged and invited to participate in their child's school career through membership in our parent organizations, learning activities via Back to School Night, parent-teacher conferences, Family Nights, helping in the classrooms, and attending school activities and events. Teachers and staff maintain open communication with families through notes, technology newsletters, websites, email, and telephone. As your Principal and instructional leader, I have an open door policy for my community in order to promote collaboration and equity for all of our scholars.

We believe education is a collaboration amongst the teachers, parents, principal, students, and staff. We strive for academic excellence and intentionally invest in the social and emotional development of our scholars.

*A 2014 California Distinguished School*

### DISTRICT & SCHOOL DESCRIPTION

Val Verde Unified School District is located in the heart of the Inland Empire, approximately 72 miles east of Los Angeles. Neighboring the district and its communities are March Air Force Base and the Lake Perris recreational area. During the 2018-19 school year, the district's schools served more than 20,200 students residing in the rural and suburban communities of Perris, Moreno Valley, and portions of unincorporated Riverside County. The district currently operates a preschool, 12 elementary schools, 4 middle schools, 3 comprehensive high schools, a student success academy, a virtual academy, and a continuation high school.

During the 2018-19 school year, Lasselle Elementary School served 836 students in grades K-5. Student enrollment included 7.5% in special education, 15.7% qualifying for English learner support and 71.5% qualifying for free or reduced-price meals.

Lasselle Elementary School opened its doors in 2005 to a large group of families eager to welcome a high quality educational program in their community. The principal leads a highly qualified, professional team offering a specially-designed curriculum to meet the needs of every child. Rigorous academics, and a warm, positive school environment offer students the opportunity to learn and achieve their maximum potential. In recognition of its outstanding

instructional program, Lasselle Elementary received the 2008 California Distinguished School award as well as most recently in 2014.

## LOCAL CONTROL ACCOUNTABILITY PLAN (LCAP)

As part of the new Local Control Funding Formula, school districts are required to develop, adopt, and annually update a three-year Local Control and Accountability Plan (LCAP). The following components of this SARC address some of the priorities identified in the District's LCAP:

**Conditions of Learning (Basic Services) – State Priority 1:** Degree to which teachers are appropriately assigned and fully credentialed in the subject areas and for the pupils they are teaching; pupils have access to standards-aligned instructional materials and school facilities are maintained in good repair. Covered in Teacher Assignment, including the Teacher Credentials & Misassignments chart; Instructional Materials, including the Textbooks chart; and School Facilities & Maintenance, including the Campus Description and School Facility Good Repair Status charts.

**Conditions of Learning (Implementation of State Standards) – State Priority 2:** Implementation of academic content and performance standards adopted by the state board for all pupils. Not covered in the School Accountability Report Card.

**Parental Involvement – State Priority 3:** Efforts to seek parent input in decision making, promotion of parent participation in programs for unduplicated pupils and special need subgroups. Covered in Parent Involvement.

**Pupil Achievement – State Priority 4:** Performance on standardized tests, score on Academic Performance Index, share of pupils that are college and career ready, share of English learners that become English proficient, English learner reclassification rate, share of pupils that pass Advanced Placement exams with a 3 or higher, and share of pupils determined prepared for college by the Early Assessment Program. Covered in California Assessment of Student Performance and Progress, including the CAASPP charts.

**Engagement (Pupil Engagement) – State Priority 5:** School attendance rates, chronic absenteeism rates, middle school dropout rates, high school dropout rates, and high school graduation rates. Covered in Dropout Rates, including the Dropout chart; and Graduation Rates, including the Graduation Rate chart for high schools only.

**School Climate – State Priority 6:** Pupil suspension rates, pupil expulsion rates, other local measures including surveys of pupils, and parents and teachers on the sense of safety and school connectedness. Covered in Discipline & Climate for Learning, including Suspension & Expulsion chart; and School Site Safety Plan.

**Conditions of Learning (Course Access) – State Priority 7:** Pupil enrollment in a broad course of study that includes all of the subject areas. Not covered in the School Accountability Report Card.

**Other Pupil Outcomes – State Priority 8:** Pupil outcomes in the subject areas. Covered in Physical Fitness, including the Physical Fitness Test chart.

## PARENT INVOLVEMENT

Parent involvement is a vital component to school and student success. Lasselle Elementary School offers a wide variety of opportunities for parents to support the school and their child's academic efforts through volunteering or simply attending special events and activities. Parents seeking more information or who are interested in participating in any of the activities listed below may contact the school at (951) 490-0350.

**Volunteer to help:**

- in the classroom, library, or school office
- prepare classroom materials
- with playground supervision
- chaperone field trips
- chaperone school dances and activities
- with PTO events
- with book fairs

**Join leadership groups:**

- African American Advisory Council
- District Advisory Council (Title I)
- School Advisory Council (Title I)
- School Site Council
- Parent Advisory Committee
- English Learner Advisory Council (ELAC)
- Gifted and Talented Education (GATE) Advisory Committee
- Parent Teacher Organization (PTO)

**Attend/Participate in:**

- Back to School Night
- Family Literacy Night
- Family Math Night
- Family Science Night
- Parent-Teacher Conferences
- Parent Workshops
- Student Performances

School-to-home communication is provided in both English and Spanish. The principal communicates via the Parent Link (text and email messages) several times during the school year which features information regarding school policy, special events, announcements, and helpful parent/student tips. Blackboard Connect, an automated telephone messaging system, is used weekly to quickly relay important announcements and reminders to every student's home. The school, PTO, and teachers have web sites available to keep parents apprised of school and classroom news and activities. Flyers, letters, the school marquee, and the Val Verde App are used to share special events information and/or remind parents of holidays and other calendared items.

## STUDENT ACHIEVEMENT DISTRICT BENCHMARK ASSESSMENTS

Val Verde Unified School District uses a variety of tools to evaluate and analyze student learning. District benchmark assessments supplement multiple measures of assessment to identify students' mastery of content, depth of knowledge, and skills. District benchmark assessments are aligned to the California State Standards and are comprised of both formative and summative assessments given in math, reading, and language arts. During the 2018-19 school year, all students in grades 1-5 were assessed multiple times utilizing a system of short-cycle formative assessments to identify content area mastery and specific gaps in the learning process. Students in grades 7-12 were evaluated quarterly throughout the year to determine course grades and levels of content mastery.

Multiple measures of assessment are used to identify student progress, understanding of state content standards, and mastery of subject area matter/concepts. These measures include: state summative assessments, benchmark assessments, grade level/department common assessments, classroom observations, teacher-created assessments, adaptive diagnostic assessments in reading and math, and early indicators of reading assessments. Collectively, the benchmark assessments and multiple measures aid teachers in 1) identifying areas where instruction may or may not be effective; 2) guiding classroom instruction practices and strategies; and 3) identifying students who need targeted academic assistance or intervention. Teachers and administrators are able to pinpoint any deficiencies or gaps in the learning process, identifying very specific skill sets and subject area content that needs to be retaught, reinforced, or revised to ensure every student obtains a solid foundation for future success in learning.

## CALIFORNIA ASSESSMENT OF STUDENT PERFORMANCE AND PROGRESS

The California Assessment of Student Performance and Progress (CAASPP) System includes the Smarter Balanced Summative Assessments (SBAC) for students in the general education population, and the California Alternate Assessments (CAAs) for students with the most significant cognitive disabilities. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternative achievement standards, which are linked with the Common Core State Standards (CCSS). CAASPP results are a measure of how well students are mastering California's standards in English language arts/literacy (ELA) and mathematics, and are given to grades three through eight and grade eleven. SBAC tests assess student performance in ELA/Literacy and mathematics utilizing computer-adaptive tests and performance tasks, and CAAs test items are aligned with alternative achievement standards which are linked with the Common Core State Standards (CCSS).

Note: ELA & Mathematics test results include the Smarter Balanced Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

The CAASPP results shown in this report include overall results comparing the school, district and state scores as well as the school's overall score in each applicable subgroup. Results are shown only for subgroups with ten students or more taking the exam. For those categories that are blank in the tables, no students met subgroup criteria. More information on CAASPP can be found on the California Department of Education's website [www.cde.ca.gov/ta/tg/cg/](http://www.cde.ca.gov/ta/tg/cg/).

## PHYSICAL FITNESS

In the spring of every other year, Lasselle Elementary School is required by the state to administer a physical fitness test to all students in the fifth grade. The physical fitness test measures each student's ability to complete six fitness tasks in six major areas. Students that either meet or exceed the standards in all six fitness areas are considered to be physically fit or in the "healthy fitness zone." Comparative district and state results can be found at the CDE's website [www.cde.ca.gov/ta/tg/pf/](http://www.cde.ca.gov/ta/tg/pf/).

## SCHOOL FACILITIES & SAFETY

### FACILITIES PROFILE

Lasselle Elementary School provides a safe, clean environment for learning through proper facilities maintenance and campus supervision. Original school buildings were constructed in 2005; ongoing maintenance ensures school facilities are kept safe and in good working condition and continue to provide adequate space for students and staff.

2018-19 Campus Improvements:

- Painting of the playground
- Installation of flooring where needed
- Addition of asphalt

2019-20 Campus Improvements in Progress:

- Painting of the exterior
- Installation of outdoor building lights
- Addition of 21st Century furniture in all classrooms

## SCHOOL INSPECTIONS

Lasselle Elementary School and the Val Verde Unified School District's Maintenance and Operations Department (M&O) work together to ensure student safety and uphold high cleaning standards. M&O supervisors and school administration inspect facilities on a continual basis to identify and resolve concerns in a proactive and timely manner. The most recent facilities inspection at Lasselle Elementary School took place on July 16, 2019. Schools are required by state law to report the condition of their facilities; the School Facility Good Repair Status table illustrated below identifies the state-required inspection areas and discloses the operational status in each of those areas. During fiscal year 2019-20, all restrooms were fully functional and available for student use at the time of the inspection.

## SUPERVISION AND SAFETY

Each morning as students arrive on campus, three supervision aides are stationed in the cafeteria parking lot and assigned teachers are located on the playground to provide supervision and monitor behavior. During recess and lunch, two supervision aides monitor student behavior and activities in the cafeteria and on the playground. Assigned teachers supervise during dismissal to ensure students leave campus in a safe and orderly manner.

Many individuals visit the campus as volunteers or to participate in school events. To maintain a safe and secure environment, all parents and visitors are required to check in at the school office upon arrival and present valid picture identification, obtain and wear a visitor's badge, and then return to the school office to sign out upon departure. All visitors must be cleared to enter and exit.

## SCHOOL SITE SAFETY PLAN

The Comprehensive School Site Safety Plan was developed for Lasselle Elementary School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. The Val Verde Unified School District partners with Hour-Zero for school emergency response planning, management, consulting, and training. Hour-Zero specialists support district and school staff with the ongoing development of a comprehensive emergency preparedness program to address critical components of emergency response planning and compliance with federal and state requirements.

Components of Lasselle Elementary's school safety plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, dress code policy, and bullying prevention policy. The school's most current safety plan was reviewed, updated, and shared with school staff in March 2019. Routine safety drills are held throughout the school year.

## MAINTENANCE & REPAIRS

School custodial staff and the district's maintenance department work together to ensure playing fields, classrooms, and campus grounds are well-maintained and kept safe and functioning for students, staff, and visitors. Maintenance and Operations (M&O) continues to employ an electronic work order process to facilitate and improve services to Lasselle Elementary School. Teachers and school staff communicate unscheduled maintenance needs, urgent repairs, or special projects to designated custodial and office support staff who prepare and submit work orders to M&O for resolution.

## DAILY CLEANING PRACTICES

One full-time day custodian, one part-time mid day custodian, and one full-time evening custodian are assigned to Lasselle Elementary School and work closely with the principal for routine maintenance, daily custodial duties, and special events. The principal and custodians communicate daily to discuss campus cleaning needs and safety concerns. Every morning before school begins, the custodian inspects facilities for safety hazards, graffiti, and other conditions that require immediate attention or removal prior to students and staff entering school grounds.

Custodians are responsible for cleaning campus grounds, classrooms, restrooms, and common areas to ensure facilities remain in good working condition, clean, and safe for students, staff, and visitors. The custodians are required to inspect restrooms a minimum of two times a day and subsequently document restroom inspections in their daily inspection log. All custodians follow approved district standards and procedures for routine custodial functions and campus maintenance. Groundskeepers are on campus once a week and are responsible for general gardening and maintenance work such as trash and debris removal, landscaping care, irrigation system maintenance, and playing field maintenance.

Each custodian is provided one week of intensive training upon employment. Thereafter, training is coordinated by district maintenance supervisors and custodial staff meetings are held twice annually. Training activities in use

of equipment and safety procedures are led by district risk management representatives, vendors, and department supervisors. The district's Operations Supervisor visits Lasselle Elementary School monthly to review custodial performance, discuss campus maintenance needs with the principal, evaluate conditions of the school facility, and follow up on outstanding work order requests.

## CLASSROOM ENVIRONMENT

### CLASS SIZE

The Class Size Distribution table in this report illustrates the distribution of class sizes for each grade level, the average class size, and the number of classes that contain 1-20 students, 21-32 students, and 33 or more students.

## DISCIPLINE & CLIMATE FOR LEARNING

A safe, clean school and an effective learning program provide the basis for Lasselle Elementary School's discipline program. School staff support an environment that teaches students, through the daily curriculum, the skills to resolve conflicts and take responsibility for their decisions. The schoolwide discipline plan focuses on a positive approach to managing disruptive behavior; students are given the opportunity to learn from their mistakes and take responsibility in making good choices in an effort to take an active role in changing their behavior.

The Multiple Tiered System of Support (MTSS) has been implemented at Lasselle Elementary School. The Multiple Tiered System of Support was integrated with the SPOTS program. The Multiple Tiered System of Support provides intentional structures for student success through positive behavior expectations.

School and classroom rules are posted in each classroom. Students work together at the beginning of the year to collaborate and develop classroom rules. At the beginning of the school year, school rules, district policies, and academic expectations are (1) outlined in the "School Guide" (provided in both English and Spanish), (2) shared by teachers as part of the classroom orientation process and at Back to School Night, and (3) reinforced at behavioral assemblies.

Progressive disciplinary measures begin in the classroom when students are disruptive or demonstrating poor citizenship. When students continue having difficulty following school rules, teachers refer students to the principal for further intervention. Consequences and disciplinary action are based upon the student's past behavioral trend and severity of infraction.

Students demonstrating positive behavior or reaching academic goals are rewarded by their teachers with Character Count Cards. Once a month, teachers nominate one student from their class for the Student of the Month award; recipients are acknowledged for their outstanding efforts in academics and citizenship. Two students from the school are chosen each month for the Superintendent's Award in honor of their excellent efforts in academics and citizenship. At the end of each trimester, awards assemblies are held to recognize students for their achievements. Honors include Perfect Attendance, Honor Roll, and Principal's Honor Roll.

## ENRICHMENT ACTIVITIES

Students have the opportunity to participate in extracurricular activities. The extracurricular/enrichment activities offered at Lasselle Elementary include band, chorus, Associated Student Body (ASB), and GATE (Gifted and Talented Education).

## CURRICULUM & INSTRUCTION

### STAFF DEVELOPMENT

All curriculum and instructional improvement activities at Val Verde Unified School District are aligned to the California State Standards. The district's Educational Services Department selects staff development concentrations based on principal feedback, teacher survey results, California State Standards, district benchmark assessment results, and state standardized test results.

During the 2018-19 school year, Lasselle Elementary School held staff development training focused on:

- 6 C's for 21st Century Learning
- AVID
- Common Core State Standards
- Conceptual Math
- Early Literacy
- Multiple Tiered System of Support (MTSS)
- Response to Intervention (RtI)
- STEAM Training
- Technology Support

During the 2017-18, 2018-19, and 2019-20 school years, Val Verde Unified School District provided professional development on the following topics:

### Number of School Days/Topics Dedicated to Staff Development & Continuous Improvement

2017-18	3 days
<ul style="list-style-type: none"> <li>• Building Classroom Communities</li> <li>• Tiered Supports for Reading</li> <li>• ELA/ELD Reading &amp; Writing Across Content Areas</li> <li>• Deep Dive Electives</li> <li>• Future iReady</li> </ul>

During the 2019-20 school year, teachers also had the opportunity to participate in the following professional development trainings:

- Restorative Practices & Restorative Circles
- Classroom Management Techniques
- K-2 Literacy Intervention: Diagnostics & Instructional Strategies
- Inclusive Practices
- Redefining "Giftedness"
- Summer EL Institute
- Lego Education for STEAM Learning
- Math Instructional Routines "Capturing Quantities"

Val Verde Unified School District welcomes new teachers and provides intensive training to help them experience success in their new classrooms. For ongoing professional guidance, the district supports new and veteran teachers in developing their teaching skills. California Teachers Induction (CTID) program, a state-sponsored program, is designed for first- and second-year credentialed teachers and provides skills assistance over a two-year period. The Peer Assistance and Review program is designed to improve the education of students and increase the classroom performance of teachers, targeting both new and veteran teachers.

Staff members are encouraged to attend professional workshops and conferences. New teachers, experienced teachers, mentor/teacher leaders, administrators, and support staff are encouraged to participate in workshops sponsored by the district and Riverside County

Office of Education. Professional and subject-specific offerings are consistent with the California State Standards.

Special education staff, resource specialist staff, bilingual aides, and instructional aides receive customized training to support the district's educational programs and develop strategies to increase effectiveness in teaching practices. Classified support staff receive job-related training from department supervisors and district representatives; training activities and workshops are designed to enhance and extend job performance. Long-term substitute teachers may be encouraged to participate in site-sponsored activities to enhance their understanding of Val Verde Unified School District's curriculum and classroom management practices.

## INSTRUCTIONAL MATERIALS

All textbooks used in the core curriculum throughout Val Verde Unified School District are being aligned to the California State Standards. Instructional materials for grades K-8 are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. Instructional materials for grades 9-12 are standards-based and approved by the district's Board of Education.

On September 3, 2019, the Val Verde Unified School District's Board of Education held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Education adopted Resolution No.19-20-10 which certifies as required by Education Code §60119.1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a standards-aligned textbook or instructional materials, or both, to use in class and to take home, 2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and are consistent with the cycles and content of the curriculum frameworks in mathematics, science, history-social science, and English/language arts, including the English language development component of an adopted program, 3) sufficient textbooks or instructional materials were provided to each pupil enrolled in foreign language or health classes, and 4) sufficient laboratory science equipment was available for science laboratory classes offered in grades 9-12 inclusive. Within a six-week period prior to adoption, parents may preview recommended instructional materials at the district office or the school's designated area.

In addition to the core subject areas, districts are required to disclose in their SARC's the sufficiency of instructional materials used for its visual/performing arts curricula. During the 2019-20 school year, Val Verde Unified School District certifies that each student, including English learners, enrolled in a visual/performing arts class has been provided with a textbook or supplemental materials to use in class and to take home. These materials comply with the California State Standards.

## SCHOOL LEADERSHIP

Leadership at Lasselle Elementary is a responsibility shared among the principal, teachers, and parents. The principal, assistant principal, instructional coach, and teachers are responsible for the day-to-day operations and overall curriculum. The school's leadership team, grade level teams, program facilitators, and School Site Council share in the decision-making and administrative processes to create an effective, safe, and nurturing learning environment.

The school's leadership team, comprised of the principal, assistant principal, grade level facilitators, and program facilitators, meets bimonthly to collaboratively address school issues, operational concerns, and staff development needs. Team members are responsible for supporting the site in leading program implementation within their areas of responsibility and serving as a liaison to their respective teams.

The School Site Council (SSC), consisting of school staff and parents, is a major governing body that meets monthly to address school programs, discuss progress in meeting school goals, and serve as a liaison between the community and school administration. On an annual basis, the SSC is responsible for reviewing and approving the school site plan, safety plan, and budget.

## SPECIALIZED INSTRUCTION

All curriculum and instruction is aligned to the California State Standards and approved by the State Board of Education. Every child receives a rigorous, well-balanced standards-aligned core program. Lasselle Elementary School structures its educational program so that all students receive instruction appropriate to their learning level. To ensure the success of every student, teachers use a variety of instructional techniques using research-based instructional materials and strategies.

## SPECIAL EDUCATION

Lasselle Elementary's special education program is staffed by three special education teachers and four special education paraprofessionals. Each student is provided instruction within and outside the general education environment based upon their IEP. The IEP ensures that students with disabilities have equal access to core curriculum and educational opportunities and is used to coordinate specially-designed instruction based upon individual academic, social, and behavioral needs. Each student's IEP is reviewed and updated annually by the IEP team.

## ENGLISH LEARNER INSTRUCTION

All of Lasselle Elementary's teachers are certified and trained to provide instruction for students identified as English Learners (EL). EL students receive English Language Development (ELD) instruction by their class teacher for 30 minutes a day as a supplement to their regular language arts curriculum. Using specially-designed *Wonders* by Houghton Mifflin materials, ELD instruction focuses on reading development, verbal language development, and vocabulary building. One bilingual aide collaborates with class teachers to provide in-class small group support based upon individual student needs. As students increase fluency in the English language, Lasselle Elementary School continues to monitor student performance through ELPAC results, benchmark assessments, and classroom observation to adjust instruction as needed to ensure continued success in acquiring the English language and proficiency in reading/language arts.

## GIFTED AND TALENTED EDUCATION

Lasselle Elementary School offers a Gifted and Talented Education program for students who have been recognized as high achievers by their teachers and through district testing. GATE students are clustered by grade level to receive accelerated, differentiated instruction that offers more depth and complexity throughout the curriculum. GATE students are invited to participate in after-school activities held once a week. These theme-based activities focus on special projects.

## AVID

Lasselle is an AVID elementary school. AVID Elementary is a foundational component of the AVID College Readiness System and supports AVID's mission to close the achievement gap by preparing all students for college readiness and success in a global society. Based on the same learning foundation that underlies AVID Secondary, AVID Elementary is designed to be embedded into the daily instruction of all elementary classrooms across entire grade levels to maintain school wide structures. AVID Elementary's implementation of resources, trainings, and philosophy are all grounded in the idea that growth mindset can be taught to students. It is through the growth mindset that AVID students succeed in following their dreams and fulfilling their aspirations. AVID Elementary takes a systemic approach through the use of WICOR (Writing, Inquiry, Collaboration, Organization, Reading) and an explicit focus on high expectations, rigor, and developing a college readiness culture.

Goals:

- 1) Writing essential standards; level of rigor
- 2) Unit/lesson planning; sharing strategies; CFA
- 3) Collectively provide interventions for those who need additional time and support
- 4) Extension/enrichment

## INTERVENTION PROGRAMS

Lasselle Elementary School supports intervention programs to meet the needs of those students not meeting state proficiency standards in reading, language arts, and math. Response to Intervention (RtI) Teams comprised of school administrators, teachers, and parents work together to identify individualized intervention strategies and monitor progress of students having difficulty with academic or social development. Formal intervention programs include:

- Think Together: students are referred by teachers or their parents to the program. Students are engaged in a highly structured program that provides homework assistance, tutoring, enrichment, recreational activities, and sports. Think Together is offered after school until 6:00 p.m. five days a week.
- Impact Substitute Teachers (two): substitute teachers in the morning and in the afternoon provide support to regular classroom teachers who conduct small group intervention in reading and math.
- Impact Tutors (two): During the school day intervention is provided to students through differentiated small group instruction. The tutors utilize instructional resources and strategies that address each student's academic needs based on their Istation ISIP assessment results

## PROFESSIONAL STAFF

## SUPPORT SERVICES STAFF

Support services staff consist of psychologists, nurses, health technicians, and special education service providers. Through close collaboration, this expert team is instrumental in improving student attendance and achievement through the identification, referral, and remediation of health and/or emotional concerns.

The psychologist assists with academic, social, and emotional issues, provides assessments to determine eligibility for Special Education services, and facilitates coordination of Individual Education Plans (IEP). The school nurse conducts health screening programs. Health technicians provide basic aid. As a participating member of the Riverside County Special Education Local Plan Area (SELPA), Val Verde Unified School District and Lasselle Elementary School have access to a full complement of professional resources and services to meet the individual needs of its students with disabilities.

# DISTRICT EXPENDITURES

## SALARY & BUDGET COMPARISON

State law requires comparative salary and budget information to be reported to the general public. For comparison purposes, the State Department of Education has provided average salary data from school districts having similar average daily attendance throughout the state.

## EXPENDITURES PER STUDENT

For the 2017-18 school year, Val Verde Unified School District spent an average of \$11,189 of total general funds to educate each student (based on 2017-18 audited financial statements and in accordance with calculations defined in Education Code §41372). The table in this report 1) compares the school's per pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the district and throughout the state, and 2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding expenditures and salaries can be found at the CDE web site at [www.cde.ca.gov/ds/fd/ec/](http://www.cde.ca.gov/ds/fd/ec/) and [www.cde.ca.gov/ds/fd/cs/](http://www.cde.ca.gov/ds/fd/cs/). (The figures shown in the table below reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)
