## **School Accountability Report Card**

### **Reported Using Data from the 2018-19 School Year**

#### **Published During 2019-20**

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### School Description and Mission Statement (School Year 2019-20)

Nestled in the hills of El Cerrito, overlooking the San Francisco Bay, Madera Elementary School is a high-achieving school within the large West Contra Costa Unified School District. Madera serves a diverse population in grades K-6. Ethnic, cultural, linguistic and academic diversity is one of the many characteristics we love about our school. Many students speak a language other than English at home and within their cultural communities. In each class, there is a wide range of abilities, with students who far exceed grade-level expectations, others for whom schoolwork is a challenge, and everything in between. We have a full-inclusion program, supporting children with autism spectrum disorders and other disabilities. This tapestry of people reflects the broader community in which we live and contributes much to help us become people who are more compassionate and understanding.

Madera strives to give all our children access to a high-quality education that will prepare them with the skills needed to be successful in future academic endeavors and as global citizens who make a positive contribution to their communities and world. We are a learning community in which teachers, staff, parents, and students are working, learning and growing together in ways that foster creativity, high-level thinking, and thoughtful interactions. We acknowledge and respond to students' unique strengths and needs by providing an engaging, challenging curriculum that addresses individual differences and develops academic competence and confidence.

The Madera Elementary Foundation raises funds needed to support our many school programs that directly benefit students, programs such as a whole-school morning running club, weekly music classes, a renowned garden program, art classes, assemblies, technology, and classroom field trips, materials and more.

Our school community supports our collective effort to provide opportunities for inquiry and integrated, experiential learning, indoors and out, sharing the belief that children need to explore, interact with and learn to appreciate the world around them. With a shared vision and collective effort, we are, as our motto states, "One school, one community, one team: learning and growing together."

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

### Teacher Credentials

Teachers	School 2017-18	School 2018-19	School 2019-20	District 2019-20
With Full Credential	19	22	23	1241

## School Facility Conditions and Planned Improvements (Most Recent Year)

WCCUSD takes great effort to ensure that all schools are clean, safe, and functional. To assist in this effort, the school uses the Facility Inspection Tool (FIT) developed by the State of California OPSC. Maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. The school personnel also works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

## School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

Year and month of the most recent FIT report: November 2019

System Inspected	Rating	Repair Needed and Action Taken or Planned
<b>Systems:</b> Gas Leaks, Mechanical/HVAC, Sewer	Good	
<b>Interior:</b> Interior Surfaces	Good	Secure the metal shelving in the staffroom.

System Inspected	Rating	Repair Needed and Action Taken or Planned
<b>Cleanliness:</b> Overall Cleanliness, Pest/ Vermin Infestation	Good	Remove the tables from the front of the fire extinguisher in the MPR.  Clear all storage items in the exit path hallway by the stage next to the kitchen i.e. piano, plywood, and other furniture.
<b>Electrical:</b> Electrical	Good	Check the security system pad in portable 20. It looks like the battery is low.
<b>Restrooms/Fountains:</b> Restrooms, Sinks/ Fountains	Good	
<b>Safety:</b> Fire Safety, Hazardous Materials	Fair	Install two fire extinguishers by the MPR exit doors.  Clear any items stored inside the main electric room inside A110 and A119.  Any kind of flammables must be stored in the fireproof cabinet provided to the school site last year.
<b>Structural:</b> Structural Damage, Roofs	Good	
<b>External:</b> Playground/School Grounds, Windows/ Doors/Gates/Fences	Good	Repair the utility room door A113.  Check the door at the ceiling inside utility room A119. It must be kept closed.
<b>Overall Rating</b>	Good	

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in ELA and Mathematics for All Students

#### Grades Three through Eight and Grade Eleven

#### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
English Language Arts/Literacy (grades 3-8 and 11)	73	74	36	36	50	50
Mathematics (grades 3-8 and 11)	72	69	24	25	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

### CAASPP Test Results in ELA by Student Group

#### Grades Three through Eight and Grade Eleven (School Year 2018-19)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Not Tested	Percent Met or Exceeded

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018-19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

## State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

### California Physical Fitness Test Results (School Year 2018-19)

Grade Level	Percentage of Students Meeting Four of Six Fitness Standards	Percentage of Students Meeting Five of Six Fitness Standards	Percentage of Students Meeting Six of Six Fitness Standards

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

### Opportunities for Parental Involvement (School Year 2019-20)

Parents are a valued, integral part of the Madera school community. There are many, many opportunities for parent and community involvement at the school, both in the classroom and out, in ways large and small. We rely on parents to drive or chaperone on field trips, provide supervision on the playground at lunchtime and to help with projects, specific lessons, and adult support during enrichment programs such as art and library.

Our active Parent Teacher Association (PTA) hosts events throughout the year including monthly membership meetings that serve to maintain and build upon our long-standing, strong sense of community.

Parents also serve on the Madera Elementary Foundation (ME!) that works to provide needed financial resources to provide school programs that directly benefit our students.

The Dad's Club is another vital organization within the school. This group helps with audio/visual technology, provides assistance for set-up and clean-up of events, hosts work parties and helps with various other school building projects. They are instrumental in helping to foster the highly participatory community that we enjoy.

Our School Site Council (SSC) is composed of five parents or community members, the principal, three classroom teachers, and one other staff member (Education Code Section 52852). This leadership team oversees the educational program and school site budget as outlined in the Madera School Site Plan.

Within these groups are various sub-committees such as Diversity, Equity and Inclusion, and Safety. These subcommittees provide focused support for specific areas of interest to our school community.

In short, all parents are invited to share their time and talents as they are able, as active participants who contribute to the overall well-being and high success of our children.

### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

## School Safety Plan (School Year 2019-20)

The purpose of the School Site Safety Plan is to provide a unified template for school sites to respond and recover from an emergency, disaster, or event resulting in the disruption of normal school operations.

The School Site Safety Plan guides a coordinated school staff response to an emergency, disaster, or event and aids in directing emergency response activities toward reaching an agreed-upon goal. School Site Safety Plan procedures are scalable in order to address incidents that may develop over time and those that may occur without warning.

The objectives of the School Site Safety Plan are as follows:

1. Protect the safety and welfare of students, school staff, and visitors.
2. Provide for a safe and coordinated response to emergencies.
3. Protect the District's facilities and properties.
4. Enable the District to restore normal conditions with minimal confusion in the shortest time possible.
5. Provide for the interface and coordination between sites and the District Emergency Operations Center (DEOC).
6. Provide for the interface and coordination between the District EOC and the Cities of Richmond, El Cerrito, San Pablo, Pinole, Hercules, and Contra Costa County Emergency Operations Center (EOC).
7. Provide for the orderly conversion of pre-designated District sites to mass care sites, when necessary.

The Comprehensive School Safety Plan is updated annually. Our school safety plan was last annually reviewed, updated, and discussed with school faculty and a student representative in January 2020. A copy of the Comprehensive School Safety plan will be available for review on the district's website in February 2020.

Number of school days dedicated to Staff Development and Continuous Improvement	6	6	6

At the site level, professional development is planned on an annual basis. Our school focuses on pedagogy using a workshop model for reading and writing; integration of science, technology, engineering, arts and mathematics (STEAM); Number Talks and other strategies to develop skill in the mathematics practices and increase academic discourse; and, child development and social-emotional learning. Teachers actively learn collaboratively through book study, workshops, conferences and visits to neighboring schools within and outside our district.
