

**Central Gaither Elementary School
School Accountability Report Card
Reported Using Data
from the 2018-19 School Year
Published During 2019-20**

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2019-20)

Central Gaither School is a ten acre site located twelve miles south of Yuba City and is part of the Yuba City Unified School District. It serves students from town as well as those from the rural community. The school originally opened in 1922 and was rebuilt in 1955 after a flood destroyed much of the original buildings. During the 2019-2020 school year, approximately 108 students will be served by Central Gaither School in grades kindergarten through five, which operates on a traditional schedule. All Central Gaither students benefit from diversity, cultural awareness, and great sense of community pride.

The mission of Central Gaither School is to provide a strong instructional program for all students to ensure academic excellence. We strive to provide those educational experiences which will give students the skills necessary to function successfully and independently as adults. We believe that all students can learn and the school strives to provide every opportunity for maximum student achievement. The school also provides students with a supportive, caring, and safe environment that develops self-esteem, self-motivation, and a sense of responsibility. The staff believes that education is a collaborative effort among home, school, and community, and with each segment's support, students will become successful, responsible citizens. The school goals that we have set to help us to reach our mission are currently focused on increasing academic achievement for all students in English Language Arts, Mathematics, literacy, and technology. Students will attend school in a clean and modernized facility. Central Gaither provides a school garden to improve school climate and discipline, along with providing improvements to the landscape. Students will participate in activities promoting physical and cognitive development and be recognized for their efforts and accomplishments in academics, attendance, character, physical education, and student leadership. Central Gaither provides continuous methods of communication to connect with and involve parents, staff, and the community with a clear focus on improving student achievement. We monitor progress toward meeting these goals during staff/professional learning community (PLC) meeting days throughout the year where we analyze student data. We also discuss and review progress toward goals with our School Site Council, Parent Club, and our English Language Advisory Committee (ELAC) regularly.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

School Facility Conditions and Planned Improvements (Most Recent Year)

Central Gaither School was reconstructed in 1955 and has since undergone complete modernization. There are 16 classrooms, 6 of which are relocatable buildings, and one multi-use room with a kitchen and stage area. The office is a building with four separate offices. Additionally, there is a staff room, supply room, and barn for storage. During the summer of 2018 the campus was painted, a security gate was installed, roofing was completed, and the floors were stripped and waxed. Planned improvements in 2019 included the PE track being sprayed for weeds and the surface scraped.

Central Gaither utilizes one full time head custodian and one part time custodian that clean all school buildings/rooms daily. Custodial staff is on campus from 6:30 am to 7:00 pm daily and when needed for night time events. Yard duty supervisors, teachers, the administrator, and after school program staff provide supervision for students before, during, and after school to ensure safety. A Health Aide is available daily from 9:30 to 1:00. A nurse is on campus one half day per week.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

Year and month of the most recent FIT report: 11/15/2019

Overall Rating	Good	

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19

Mathematics (grades 3-8 and 11)	22	22	29	30	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

The Central Gaither School community, staff, and parents understand that cooperation, teamwork, and communication are essential elements in meeting the educational needs of students. Community members and parents are involved in many ways. Teachers welcome parents into their classrooms to serve as volunteers. The Parent Teacher Association (PTA) assists with planning and coordinating several fundraisers throughout the year, including but not limited to, Halloween Costume Drive, Harvest Festival, Jump-a-Thon, Posada, Spring Carnival, and the Winter Festival. The funds raised are used for field trips, Red Ribbon Week materials, and miscellaneous other enrichment opportunities throughout the year. In addition to the PTA, parents participate on the English Learner Advisory Committee (ELAC) and/or serve on the School Site Council (SSC). Central Gaither School also benefits from the generosity of local businesses and organizations. Many have supported the annual 5th grade trip to Shady Creek Outdoor Education Camp and provided services and goods for fundraising events.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2019-20)

The Safety Plan stresses the procedures for ensuring student safety during emergencies. Revisions to the Safety Plan are reviewed with the whole staff annually. The school is in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire, earthquake, and lock-down drills are conducted on a regular basis throughout the school year. Each classroom has an emergency binder with an emergency plan and evacuation information inside. The binders also contain relevant student information. The safety plan is updated yearly. The most recent date of revision was August 27, 2019.

Central Gaither School provides a safe, clean environment for students, staff, and volunteers. Students are supervised by teachers and administrators before and after school. During lunch and recess, yard duty personnel and school staff supervise students. There is a designated student drop off and pickup area at the main entrance of the school. All visitors must sign in at the office, where they receive a badge that must be displayed at all times.
