School Description

Principal's Message

I'd like to welcome you to Walnut Grove Elementary School's Annual School Accountability Report Card. In accordance with Proposition 98, every school in California is required to issue an annual School Accountability Report Card that fulfills state and federal disclosure requirements. Parents will find valuable information about our academic achievement, professional staff, curricular programs, instructional materials, safety procedures, classroom environment, and condition of facilities.

It is a privilege and an honor to serve as the principal of Walnut Grove Elementary School. We have over 715 students and our staff of 60 classified and credentialed professionals are committed to meeting our students' needs. Through ongoing collaboration, our staff have developed a learning environment that exemplifies high academic standards and age appropriate socio-emotional development. We see our students' parents and guardians as important partners in our children's education and are constantly working to make our school a positive, welcoming and inclusive place where everyone can learn.

Our school-wide Positive Behavioral Interventions and Supports (PBIS) and Response to Instruction and Intervention (RTI) Approach is centered on ensuring all students learn at high levels and grow as autonomous learners. In this approach, our highly skilled staff at Walnut Grove meet student needs through frequent data analysis and responsive, differentiated planning and instruction.

Walnut Grove Elementary School has received the California Distinguished School Award and was recently awarded the Silver Certificate for PBIS! We are very proud of our students and how they are excelling academically and modeling our school rules- The 3 Rs: We are Responsible, Respectful and Ready to Learn!

We have made a commitment to provide the best educational experience possible for Walnut Grove Elementary School's students, and welcome any suggestions or questions you may have about the information contained in this report or about our learning community.

Mission Statement

To capitalize on our continuous improvement process to enhance student achievement.

Our Goals...

- To create a collaborative and inclusive school culture
- To provide a balanced curriculum that attends to the arts, the sciences and to character development
- To promote high levels of academic achievement while meeting the needs of all learners
- To create children fit to command through the 21st century and beyond

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

Instructional Materials

All textbooks used in the core curriculum at Walnut Grove Elementary School are currently being aligned to the California State Standards. Instructional materials are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education.

The district follows the State Board of Education's six-year adoption cycle for core content materials (English/language arts, math, science, and social science).

On Tuesday, September 24, 2019, the Pleasanton Unified School District's Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution 2019-2020.004 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, and (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts.

In addition to core subject areas, districts are required to disclose in their SARCs the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2019-20 school year, Pleasanton Unified School District provided each student, including English learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

School Facility Conditions and Planned Improvements (Most Recent Year)

School Facilities & Maintenance

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Walnut Grove Elementary School's original facilities were built in 1968; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority. In the last 12 months, the following improvements have been completed:

- Made modifications to the front parking lot for student safety

Every morning before school begins, the custodian inspects facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One part-time day custodian and one evening custodian are assigned to Walnut Grove Elementary School. The day custodian is responsible for:

- Classroom cleaning
- Cafeteria setup/cleanup
- Groundskeeping
- Restroom cleaning
- Trash removal

Restrooms are checked throughout the day for cleanliness and subsequently cleaned as needed. The evening custodian is responsible for:

- Classroom cleaning
- Office area cleaning
- Restroom cleaning
- Trash removal
- School activities-setup/cleanup

The principal communicates with custodial staff daily concerning maintenance and school safety issues.

Deferred Maintenance

Walnut Grove Elementary School participates in the State School Deferred Maintenance Program, which provides dollar-for-dollar matching funds to assist school districts with major repairs or replacement of existing school building components. Deferred maintenance projects generally include roofing, plumbing, heating, air conditioning, electrical systems, interior/exterior painting, and floor systems.

Facilities Inspection

The district's maintenance department inspects Walnut Grove Elementary School on an annual basis in accordance with Education Code §17592.72(c)(1). Walnut Grove Elementary School uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on 12/28/18. No emergency repairs were needed and no unsafe conditions were found. During fiscal year 2018-2019, all restrooms were fully functional and available for student use.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

Math	83	77	77	75	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Staff Development

All training and curriculum development activities at Walnut Grove Elementary School focus on our school goals and are aligned to the Common Core State Standards. During the 2017/18, 2018/19 and 2019/20 school years, Walnut Grove Elementary School held staff development devoted to:

- Positive Behavioral Interventions and Supports (PBIS)
- Response to Instruction and Intervention (RTI)
- Professional Learning Communities
- Analyzing Assessment Data
- Goal Setting in Relation to Student Achievement
- Common Core Curriculum Development
- Illuminate Data Management System Training
- Professional Development on Districtwide Adopted Curriculum

Decisions concerning selection of staff development activities are performed by all staff using data such as teacher input, district benchmark results, and data analysis to determine the areas in which additional professional learning may enhance classroom instruction and increase student achievement levels. Walnut Grove Elementary School supports ongoing professional growth throughout the year on staff development days and Wednesday morning collaborations. Teachers meet in grade level teams to conduct data analysis to identify areas of need. Teaching staff are provided the opportunity to participate in district-sponsored staff development workshops or training session as 1) a supplement to site-based staff development, 2) for reinforcement of or follow-up on previous training, or 3) follow-up training for newly implemented programs/curricula.

During the 2017/18, 2018/19 and 2019/20 school years, Walnut Grove Elementary School's teachers attended the following events coordinated by Pleasanton Unified School District:

- Creating a Positive School Culture and Proactive Discipline Practices - PBIS
- Learning at High Levels for All Students - RTI
- Workshop Model Professional Learning for Reader's, Writer's and Mathematician's Workshops
- Lucy Calkins - Units of Study - Reading and Writing Instruction
- NWEA MAP Growth Assessments
- Balanced Literacy
- Special Education Staff Development
- Summer Institute for Educators
- Google in Education California Summit
- Universal Design for Learning (UDL) and the Common Core Standards
- Social-Emotional Learning
- Safety and Emergency Preparedness

Walnut Grove Elementary School offers support to new and veteran teachers through peer coaching and mentoring. Instructional aides are provided targeted training focused on teaching strategies and curriculum content. Substitute teachers are invited to participate in designated staff development activities. All staff are encouraged to attend professional workshops and conferences. Classified support staff receive job-related training from department supervisors and district representatives.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
