School Accountability Report Card

Reported Using Data from the 2018-19 School Year

Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2019-20)

Hathaway is a neighborhood school that has been part of the Hueneme Elementary School District since 1962. Our diverse student population consists of approximately 533 students in preschool through fifth grade. We qualify for school wide Title I funding through the Consolidated Application. We currently serve English Learners, Gifted and Talented, Migrant, Emergency Immigrant, and Special Education students.

Our school mission is to provide a quality education by ensuring that each student is known and appreciated as an individual. Within a safe and orderly environment, students will be encouraged to strive for high levels of academic achievement and become productive members of our culturally diverse community.

To achieve our school mission and to meet accountability targets, we have implemented the following goals:

- Every child will be a proficient and independent reader by the end of third grade.
- English Learners will be equipped with the English language skills needed for academic success through daily English Language Development.
- Every child will meet mathematics and language arts grade-level standards.
- Integrate technology to enhance standards-based instruction.
- Provide early intervention for students who have not mastered grade-level standards which include in-class modifications, after-school academic programs and summer school.
- Provide sustained professional development and coaching focused on teaching and learning and core academic subjects. Training is aligned with the state curriculum frameworks and district-adopted standards.
- Provide parents with information and feedback on their child's academic progress and activities and encourage parents to become involved in the school's activities.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

Year and month in which data were collected: September 2018

Textbooks and instructional materials were selected from the most recent list of standards-based materials adopted by the State Board of Education (SBE) for grades K-8 and are consistent with the content and cycles of the curriculum frameworks adopted by the State Board of Education. Materials are available to 100% of our pupils. Zero percent (0%) of pupils in this district lack their own assigned textbooks and instructional materials.

School Facility Conditions and Planned Improvements (Most Recent Year)

Julien G. Hathaway School was opened in 1962 as the ninth school in the Hueneme Elementary School District. It was one of the district's first schools to be modernized in the late 1990s during which many upgrades were made, including networked computers in all rooms and offices, and attractive and comfortable classroom interiors. Recently we added a state of the art STEAM lab that replaced the old computer lab. Students in grades 2-5 have one to one devices and students in grades K-1 have 10 devices in their classrooms. There are 34 classrooms at Hathaway and a new portable restroom building was added to accommodate the new preschool classrooms. Julien Hathaway's office was recently remodeled to make the office more modern, functional and safe. Secure doors were added at the front entrance as well as in the office to ensure student and staff safety. A handicap ramp was added to the front entrance as well new ADA compliant drinking fountains were added in 2019.

Our day, two night custodians, and an additional 4 hour custodian clean classrooms on a daily basis. Routine maintenance is also done daily. The condition of our restrooms, floors, walls, roof, plumbing and electrical systems is consistently maintained and upgraded as needed. Litter and graffiti are dealt with immediately with the help of students, the custodians, and the groundskeeper. Together, school and district personnel work to ensure that the facility is maintained in a manner that ensures it is clean, safe and functional as determined pursuant to an interim evaluation instrument developed by the State of California Office of Public School Construction.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
English Language Arts/Literacy (grades 3-8 and 11)	27	24	28	29	50	50
Mathematics (grades 3-8 and 11)	18	17	18	18	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in ELA by Student Group

The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2019-20)

Contacts: Felicitas Perez, Principal —or— Gabriela Silva, PTA President

Phone Number: (805) 488-2217 ext. 1899

At Hathaway School, we work under the philosophy that the parent is the child's first teacher. Therefore, opportunities for parental involvement are varied and ongoing. Parents are encouraged to be in the classroom assisting the teacher and the students during daily lessons. Parent helpers assist with teacher preparation and in the library. The PTA invites parents to become involved through fundraising efforts, enrichment activities for the students and family/community/school evening events.

Parents at Hathaway are also involved as school leaders. We have an active School Site Council and English Language Advisory Committee with strong parental representation. Parents are curricular leaders at home by supporting their children's academic development and being involved in home/school connection programs.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2019-20)

Date of Last Review/Update: November 12, 2019

Date Last Discussed with Staff: November 18, 2019

The Hueneme Board of Education has directed that schools be prepared for any actual or anticipated disaster. Hathaway School has a Comprehensive School Site Safety Plan (available in the school office) which meets district and state requirements. Monitored and reviewed annually by the School Safety Committee comprised of administrators, teachers, parents and students, the plan outlines rules and procedures governing safety issues at the school. The safety plan includes disaster procedures, procedures for safe entry and exit of students, procedures for serious disciplinary problems, a sexual harassment policy, child abuse reporting procedures, school dress codes, and school discipline policies. Safety procedures and elements of the Comprehensive School Safety Plan are reviewed with school staff at the start of each school year.

Other factors promoting school safety include regular fire and earthquake drills, campus supervision, many CPR-certified staff members, and a well-planned communication system. Classrooms are equipped with first aid kits and fire extinguishers. We strive to maintain a safe and orderly school campus that supports a strong academic climate.

Professional Development (Most Recent Three Years)

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement			

Administrators, teachers and paraprofessionals participate in professional development focused on the California Common Core State Standards in order to improve their skills in teaching and assessment of student learning. The primary focus areas are instruction of grade-level content standards, intervention strategies for students who have not mastered standards, and assessment of student progress.

The primary area of focus for the most recent three-year period was:

- English Language Arts
- English Language Development
- Writing
- Mathematics
- C.H.A.M.P.S. Program (Conversation, Help, Activity, Movement, Participation, Successful Students)

Professional development is offered during the teaching day, on three student-free staff development days, during summer institutes, after school, and on weekends. Substitute teachers are provided and the negotiated hourly rate is offered for attendance.

During the school year, teachers are supported by classroom observations, staff meetings, and grade-level/content area collaboration. Professional learning agendas are based on student achievement data and teacher input. In reading/language arts and mathematics, student performance data is ongoing and evaluated using a common assessment. A Student Progress Report aligned to the California Common Core State Standards is sent to parents at the end of each trimester.
