Executive Director's Message

This year, our leadership team decided to move forward with a revised set of core values that better represents Sage Oak and our future development. Sage Oak's core values moving forward are as follows:

- **Student-Centered:** Our fundamental value is to provide a student-centered academic program. We ensure our parents and students are supported so that they are able to meet their educational goals.
- **Accountability:** We build trust with stakeholders by staying compliant with state and federal regulations and operating with integrity and transparency.
- **Service:** We value relationships and understand that we are here to provide a high level of service to our community, students, parents and one another.
- **Growth Mindset:** We focus on working hard, learning continuously and pushing ourselves to reach new heights. We stay current on best practices, educational trends and strive to offer innovative and engaging opportunities for our students.
- **Standard of Excellence:** We strive for a standard of excellence in all that we do. We equip students and staff with the necessary tools, resources and support to help them achieve their full potential.
- **Personalization:** We personalize each student's educational plan and experience by tailoring curriculum and instructional strategies to maximize academic growth.

In collaboration with parents, teachers, students and the school's leadership team, we cultivate lifelong learners by recognizing students' and parents' needs for educational options. We balance flexibility with accountability and high academic excellence for families seeking a nontraditional, personalized educational experience. We understand the need for partnership in order for students to attain their personal academic goals.

Areas of Vision:

PERSONALIZATION: We will provide an educational experience of personalized learning and

The academic choice, within the state guidelines. Our learning model will afford families the peace of mind that they are participating in a program that will keep their students on track for learning, regardless of the school they attend.

SUPPORT: Our priority is to support individualized student learning by collaborating with the parent educator and the student. We will utilize staff strengths, professional development opportunities and community resources to support our students in their journey to become lifelong learners and reach academic excellence.

ACCOUNTABILITY: We are committed to maintaining sustainability through academic, fiscal and legal accountability. We will meet the criteria necessary to achieve renewal, ensure audit compliance annually and continued compliance with legal regulations governing our school.

GROWTH: We are strongly committed to serving our community which will establish us as a leader in the independent study model. We will set ourselves apart through expertise, parent support and high academic achievement which will benefit our stakeholders.

Awards and recognition

We have earned the Western Association of Schools and Colleges (WASC) accreditation and we are National Collegiate Athletic Association (NCAA) certified. We remain members of the National Honor Society and we are now a certifying organization of the President's Volunteer Service Award and new this year, we are a participating school for the President's Academic Excellence Award Program.

Independent Study

Our independent study program provides a flexible, personalized learning environment where teachers and parents partner together and collaborate to ensure the success of each student. We believe that educational success depends on positive student engagement and high levels of interaction with subject matter content, highly qualified and effective credentialed teachers, community vendors and fellow learners. We apply this philosophy by providing focused academic support from professional educators in collaboration with parental guidance and instruction. As a result, our students receive the benefits of freely scheduled, flexibly paced and individually targeted instruction.

Accomplishments for the 2018-19 School Year

During the 2018-19 school year, we fostered relationships amongst parents and students by offering community-building opportunities. We hosted more Sage Oak Socials in various regions throughout the year, increased participation in STEM day, and offered our first annual Parent Summit. The Parent Summit was an event dedicated to providing resources and innovative teaching strategies to Sage Oak parents and families through a keynote speaker, vendor fair and presentations conducted by Sage Oak teachers on various topics. STEM (science, technology, engineering, math) day is an event that gives students the opportunity to present science and technology-centered projects and participate in hands-on STEM activities.

School Accountability Report Card

In accordance with state and federal requirements, the School Accountability Report Card (SARC) is put forth annually by all public schools as a tool for parents and interested parties to stay informed of the school's progress, test scores and achievements.

Mission Statement

Community Collaborative Charter will harness the power of a flexible learning environment and modern educational technology to serve learners with diverse backgrounds and goals who seek an education alternative that stimulates and supports independent learning. Through the power and flexibility of its standards-based online curriculum, combined with superior individualized support, Community Collaborative Charter will provide an inspirational learning environment with enriched, rigorous academics and high standards to empower students to become self-motivated and competent lifelong learners who will make a positive impact in their communities.

Our mission is to create a diverse and individualized learning environment that supports every student and strengthens relationships between families, programs, authorizers and the community. With a strong foundation of award-winning educator experience, we provide organizational and professional support to charter programs so that they can focus on creating customizable learning for any student.

Average Class Size and Class Size Distribution

Community Collaborative Virtual- Sage Oak is a non-site-based program, therefore no data is shown for average class size and class size distribution.

School Safety

The school safety plan was last reviewed and updated with staff in March 2020. The safety plan may be viewed on request.

The school safety plan ensures Emergency Preparedness at learning period meetings, test sites, field trips, staff meetings and at the school office. It also encompasses required trainings and school expectations in regards to a mandated reporter, sexual harassment, bloodborne pathogens and active shooter. The expectations of conduct for students/parents/guardians/staff, bullying and hate crime reporting are also included.

Enrollment by Grade

The bar graph displays the total number of students enrolled in each grade for the 2018-19 school year.

Executive Director's Message, *Continued from page 3*

Goals for the 2019-20 School Year

In an effort to further improve our academic achievement, Sage Oak has adopted a goal-setting model from Steven Covey called a Wildly Important Goal (WIG). Based on an analysis from student achievement data, Sage Oak has chosen a mathematics-based goal focused on increasing our percentage of students meeting grade-level standards in the Smarter Balanced assessment. Each department within Sage Oak has a smaller goal that will help the school as a whole to meet the larger WIG. This goal-based model aligns with our school's mission, vision and values, as well as our Local Control and Accountability Plan (LCAP) and WASC goals and we look forward to working toward this improvement.

Continuing our goal of fostering relationships amongst parents and students, this year we are increasing socials and events to include our "Walk Through History" event and we expect to see higher attendance at our STEM day event and Parent Summit in 2020.

Enrollment by Student Group

The total enrollment at the school was 2,428 students for the 2018-19 school year. The pie chart displays the percentage of students enrolled in each group.

California Physical Fitness Test

Each spring, all students in grades 5, 7 and 9 are required to participate in the California Physical Fitness Test (PFT). The Fitnessgram is the designated PFT for students in California public schools put forth by the State Board of Education. The PFT measures six key fitness areas:

1. Aerobic Capacity
2. Body Composition
3. Flexibility
4. Abdominal Strength and Endurance
5. Upper Body Strength and Endurance
6. Trunk Extensor Strength and Flexibility

Encouraging and assisting students in establishing lifelong habits of regular physical activity is the primary goal of the Fitnessgram. The table shows the percentage of students meeting the fitness standards of being in the "healthy fitness zone" for the most recent testing period. For more detailed information on the California PFT, please visit www.cde.ca.gov/ta/tg/pf.

California Assessment of Student Performance and Progress (CAASPP)

For the 2018–19 school year, the CAASPP consists of several key components, including:

California Alternate Assessments (CAA) test includes both ELA/literacy and mathematics in grades 3–8 and 11. The CAA is given to those students with the most significant cognitive disabilities whose current individualized education program (IEP) designates an alternate assessment.

Smarter Balanced Assessments include ELA/literacy and mathematics in grades 3–8 and 11. Smarter Balanced Assessments are designed to measure student progress toward college and career readiness.

The assessments under CAASPP show how well students are doing in relation to the state-adopted content standards. On each of these assessments, student aggregate scores are reported as achievement standards. For more information on the CAASPP assessments, please visit www.cde.ca.gov/ta/tg/ca.

CAASPP by Student Group: English Language Arts and Mathematics

The table on the following page displays the percentage of students that met or exceeded state standards in English language arts/literacy and mathematics for the school by student groups for grades 3–8 and 11.

The "percentage met or exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAA divided by the total number of students who participated in both assessments.

Note: The number of students tested includes all students who participated in the test whether they received a score or not. However, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Sage Oak offers pathways for health science and medical technology, business and finance, arts media and entertainment, education and child development and family services. For the introductory level courses students explore the chosen pathway through an online course. The concentrator course may be taken online, however, most concentrator courses and all capstone courses are taken at our partner community colleges.

Graduation and Dropout Rates

This table displays the graduation and dropout rates for the most recent three-year period for which data is available. The four-year adjusted cohort graduation rate is the number of students who graduate in four years with a regular high school diploma divided by the number of students who form the adjusted cohort for the graduating class. From the beginning of grade 9 (or the earliest high school grade), students who are entering that grade for the first time form a cohort that is "adjusted" by adding any students who subsequently transfer into the cohort and subtracting any students who subsequently transfer out. For more information, please visit <http://dq.cde.ca.gov/dataquest>.

Textbooks and Instructional Materials

The credentialed teacher works individually with each student, along with their parents, to create their educational plan, which includes selecting the curriculum. The curriculum is chosen based on state standards, the student's learning style, and working level, and the educational philosophy being followed. The teachers have multiple options for curriculum, including the state-approved material list, as well as curriculum associated with various educational philosophies. The school has provided teachers and parents with a list of recommended standards-aligned, research-based curriculum for all content areas.

In addition, the parents and teachers are trained on multiple educational philosophies, including but not limited to curriculum alignment, daily learning schedules, course plans and the research behind each philosophy.

The teachers also have access to a curriculum director to help in the selection of the appropriate materials for each student.

English learner (EL) students have access to a standards-aligned English language development curriculum.

Intervention students have access to standards-aligned intervention curriculum in the areas of mathematics and reading, as well as tutoring.

In addition, the school provides access for all students to online grade-level standards curriculum through MobyMax, i-Ready, BrainPop, Gizmos, Goalbook, YUP and Road Trip Nation.

There are many vendors to choose from when selecting a curriculum. We have a searchable vendor database (<http://www.sageoak.education/vendors/vendor-list>) that shows the various options.

Availability of Textbooks and Instructional Materials

The following lists the percentage of pupils who lack their own assigned textbooks and instructional materials.

Percentage of Students Lacking Materials by Subject		2019-20 School Year

"In collaboration with parents, teachers, students and the school's leadership team, we cultivate lifelong learners by recognizing students' and parents' needs for educational options."

Parental Involvement

We have a parent advisory council that meets several times a year to provide input on the operations of our school. Additionally, our parents serve as day-to-day teachers and are highly involved in the personalized learning plan of the students in our schools. They decide what learning philosophy to follow, and with the support of their credentialed teacher, select curriculum and classes to best support their individual needs.

For more information on how to become involved at the school, please contact Stephanie Gormarko, parent coordinator, at SGormarko@sageoak.education.

Quality of Textbooks

The following table outlines the criteria required for choosing textbooks and instructional materials. All curriculum and materials available are aligned with state and grade level standards.

Quality of Textbooks	
2019-20 School Year	
Criteria	Yes/No
Are the textbooks adopted from the most recent state-approved or local governing-board-approved list?	Yes
Are the textbooks consistent with the content and cycles of the curriculum frameworks adopted by the State Board of Education?	Yes
Do all students, including English learners, have access to their own textbooks and instructional materials to use in class and to take home?	Yes

School Facilities

Community Collaborative Virtual - Sage Oak Charter School's program is home based. Therefore, the administrative office is the only facility.

Public Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available at a workstation, and the ability to print documents.
