I DATA AND ACCESS

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2019-20)

It is our mission to facilitate student success by providing opportunities for students to become life-long learners, develop a sense of worth, master the skills of balanced, rigorous curriculum, and develop to their fullest potential as they prepare to become contributing citizens in a changing world.

Live Oak Elementary School is a suburban school located in the northwestern corner of Los Angeles County that services students in grades K-6. Live Oak is a STEAM focused school, where Science, Technology, Engineers, Art and Mathematics are our cornerstones. We have a science specialist to teach hands on science to all classes, we have been proactive in increasing our student to Chromebook ratio. We have one-to-one chromebooks in grades 3-6 and one-to-two chromebooks for K - 2 students), and we have been focusing on technology standards. We continue to integrate art throughout the curriculum and much of our site based professional development has been centered on technology and math. We believe that active and meaningful learning prepares the whole child for a successful future in a changing world. Our goal is to help our students become critical thinkers and problem solvers through creativity and collaboration. Our population is a diverse collection of families with just under 500 students and 19 teachers. We service the needs of students from a wide variety of backgrounds. We support students' academic and social development. It is our mission to assure every student has access to the core curriculum, and for those who face challenges we tap into resources to fill any gaps so that our students are 21st century learners. With the help of school support personnel like the school psychologist, the nurse, 3 instructional assistants, a DIS counselor, a Computer Lab Technician, a Library/Media Technician, an Adaptive Physical Education teacher, an Occupational Therapist, and a teacher for the Visually Impaired we strive for success with each student. In addition, our school is proud of the extensive support we have from our community. We also have a full time impact teacher, which oversees our Response to Intervention Program. The School's English Language Advisory Committee and School Site Council is called upon to give input in decision making and goal setting; our PTA provides enormous support to teachers and students through fundraising efforts, and the local Lions' Club is a regular supporter too. Additionally, the professional organizations of the employees (CSEA and CTA) work to promote student success, and the Castaic Education Foundation raises money to fund teacher grants they award each spring. We have a strong school community that is invested in developing children who are lifelong learners and who will reach their full potential by becoming productive, contributing members to society.

A. CONDITIONS OF LEARNING

STATE PRIORITY: BASIC

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

School Facility Conditions and Planned Improvements

Live Oak Elementary School was completed in 1989 and occupied that same year. It is the oldest facility in the District. The grounds and buildings are in good repair. In the summer of 2018, the main office received interior painting updates. In addition, there were roofing repairs done. Live Oak now has an electronic camera and buzz-in system in its front office to provide for extra security.

School Facility Good Repair Status

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The Overall Rating

B. PUPIL OUTCOMES

STATE PRIORITY: PUPIL ACHIEVEMENT

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide Assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students Grades Three through Eight and Grade Eleven

Subject	Percent of Students Meeting or Exceeding the State Standard					
	School		District		State	
	2017-18	2018-19	2017-18	2018-19	2017-18	2018-19
English Language Arts/ Literacy (grades 3-8 and 11)	52%	52%	60%	61%	50%	50%
Mathematics (grades 3-8 and 11)	45%	46%	44%	46%	38%	39%

NOTE: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

NOTE: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in ELA by Student Group

NOTE: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

NOTE: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

NOTE: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. ENGAGEMENT

STATE PRIORITY: PARENTAL INVOLVEMENT

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement - (School Year 2019-20)

Our school is proud of the extensive support we have from our community. The school stakeholder groups are very involved in decision making and goal setting. The English Language Advisory Committee (ELAC) is another means to help assure communication with parents and provide strategies to help their students succeed. The PTA provides enormous support to teachers and students through fundraising efforts and services. Fundraisers generate monies that are used to supplement activities in the classrooms. Food drives help those in our community who are experiencing difficult times. An invaluable aspect is the more than 7,000 service hours the PTA provides in classrooms and around the campus. Even parents who are not formally members in campus and community organizations are included in our school family. Family nights, Parent Conferences, and PTA sponsored and activities are well attended. Communication is also maintained through teacher newsletters, homework assignments, and the PTA newsletter. Live Oak Elementary works hard to include the community in the success of all of our students. Our students participate in community service through "Live Oak Serves" projects. It is our vision to advance students who are ready learners and capable leaders, and this goal requires input and backing from all members of our community. Additionally, parents representing a variety of student subgroups participated in our LCAP meetings held during the 2018-2019 school year.

STATE PRIORITY: SCHOOL CLIMATE

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.
