School Accountability Report Card

Reported Using Data from the 2018-19 School Year

Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2019-20)

Green Valley School is located in the beautiful foothills on the western slope of the Sierra Nevada Mountains in Rescue, CA. We opened our doors in 1978 and continue to provide a safe, clean and well-maintained facility for our 386 students in Transitional Kindergarten through 5th grade. We offer a balanced, rigorous instructional program which includes academic challenge as well as intervention. Beginning with the 2017-18 school year, we offer a full day kindergarten program. Green Valley was recognized as a Gold Ribbon School in 2016.

We employ 18 classroom teachers, one full time Special Education teacher, two Title I Bilingual Para-educators, a part time Title I Intervention Teacher and one part time Science Prep Teacher. We offer band classes to students in grades 4 and 5. Our teachers are highly qualified and dedicated to holding both our students and themselves to high standards. Our support staff includes our principal, two secretaries, two school counselors, librarian, Health Aide, two and a half custodians, 13 para-educators and six yard supervisors. We receive district staffing support for the following positions: Music Teacher, School Nurse and District Psychologist. Our teacher to student ratio averages 24:1 in our classrooms. A speech and language specialist is provided by the El Dorado County Office of Education. Green Valley School also houses a Charter Extended Day program and a State Pre-School from the El Dorado County Office of Education.

Our district-adopted curricular materials include Benchmark Reading, GO Math, Step-Up to Writing, Scott Foresman Science and Social Studies, Handwriting Without Tears (K-2), and D'Nealian Handwriting (3-5). ELA instruction is supplemented with SIPPS, Read Live (Naturally), Reading Counts, core literature, guided reading and Sonday. Math instruction is supplemented with ST Math, Reflex Math and Timed Math. Science instruction is supplemented with Stemsopes and Mystery Science. Academic differentiation is provided through a variety of methods. Strategic and intensive intervention and leveled grouping is provided during our results-driven Intervention Program, which runs 27 weeks out of the school year. During Intervention time, the Learning Center is also used to support students with intervention needs. Teachers continue to receive staff development and collaboration time to work on Content Standards. Sixteen of our eighteen teachers have been certified in Guided Language Acquisition Development (GLAD) instructional strategies.

Due to Green Valley School's population of socio-economically disadvantaged students, we are a Title I school. As a Title I school, we receive additional funding from the Federal Government. Our cultural demographics include 31.87% Hispanic/Latino, 2.07 Asian, 1.04% Filipino, 6.48% multi-ethnic, and 58.29% White. 19.5% of our student population are classified as English Learners. Our students are offered many enrichment opportunities which are supported by fundraisers, school donations and our PTO. We offer competitive sports teams for cross country (3-5), volleyball (4-5) and basketball (4-5). Choir is available before school for students (2-5). Dance (TK-5) is offered in the spring, and the Arts Attack program is offered in every class at Green Valley School. Students have the opportunity to audition and perform in a school-wide talent show. Students can also participate in Student Council/IMPACT (4-5). We also participate in the County wide Spelling Bee. Students in grades 4 and 5 also have the opportunity to participate in Oral Interpretation and Nature Bowl. All grade levels attend field trips, which offer rich opportunities for hands-on, standards-based learning.

Green Valley has a fully equipped computer lab with 31 computers to support students in Grades K-2. All Kindergarten through 2nd grade students receive weekly instruction in the lab from their classroom teacher; they also have a set of 6 devices (laptops and/or chromebooks) in their classroom. In addition there is one full class set of Chromebooks for second grade classrooms to share. Grades 3-5 are equipped with a class set of Chromebooks so each student is assigned a device for use in the classroom. All classrooms have projectors and document cameras. Nine classrooms have Smart Boards and our library is equipped with a big screen TV. Internet based instructional programs, such as Read Live, ST Math, Reflex Math and Star Fall More, provide a balance for supplemental instructional support.

The SST (Student Success Team) approach is utilized at Green Valley to provide assistance for students who are needing academic, emotional or behavioral assistance. The team consists of the parents, classroom teacher, resource specialist, school psychologist, school counselor and school administrator. When needed, the school nurse and speech teacher are available to join in the meetings. Green Valley School values the input of our parents and community and the SST process is just one example of how we work together for the mutual benefit of the child. We work together with our parent community to provide outstanding educational opportunities for our students. Students are also recognized for accomplishments at awards assemblies throughout the school year.

During the 2018-2019 school year Green Valley celebrated 40 years of excellence. Our theme for the 2019-2020 school year is "Building Success". We build academic success in our classrooms daily as well as building successful citizens. At Green Valley, we have a positive, proactive philosophy. We are in our third year of implementing PBIS (Positive Behavior Interventions and Supports) at Green Valley. PBIS is an evidence-based approach for developing positive behavior in students and a positive climate for learning. Students are taught and practice "The Gator Way" which is to Be Respectful, Be Responsible and Be Safe. We have student videos that demonstrate "The Gator Way" in all areas of our school (ie: lunchroom, library, office, field etc.) Students are explicitly taught the expectations for all areas of the school. Students earn Gator Way Tickets for positive behavior. Tickets are entered into a weekly drawing for our Wheel Spin as well as used to purchase rewards from their classroom store. Teaching behavior expectations and rewarding students for following them is a more positive approach than waiting for misbehavior to occur before responding. PBIS establishes a climate in which appropriate behavior is the norm. This year we are implementing the next tier of PBIS which includes Check In Check Out (CICO). CICO is for students who need a more individualized behavior system. They Check In at the start of the day with an adult and out again at the end of the day. These students have specific goals they are working to achieve and are given daily feedback on their progress toward mastering those goals. We are also implementing restorative practices as part of our PBIS program. Staff is being trained on restorative chats and classroom teachers use restorative circles in their classrooms. Our school counselors teach weekly guidance lessons to all classes using the Second Step curriculum. Lessons are grade level specific and focus on body language, social skills and cues, communication skills, building friendships and self esteem. Our counselors also work with groups of students on specific strategies or areas of need (ie: friendship groups, divorce groups, grief etc.) Character traits are featured each month and students from each grade level are honored during awards assemblies for demonstrating strong citizenship.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

School Facility Conditions and Planned Improvements (Most Recent Year)

School buildings and grounds at Green Valley provide a clean, positive environment that is conducive to teaching, instruction and learning. Staff and student restrooms are clean but in need of new flooring. Floors, walls, roofs, and plumbing are maintained on a regular schedule. All efforts to ensure building safety, cleanliness, and adequacy have been successful.

At Green Valley Elementary School we are continually committed to the improvement of the school's facilities. We strive to make the facility as great as it can be. Over the last few years we have improved our facility in many different and important ways. All of the playground shade structures are now repaired and in full working condition. Our parent teacher organization has completed a seating area around our outdoor stage area. We have an ADA handicapped accessible outdoor lunch table. We were recently able to update our sound system in the Plumb Center. We are proud of our school facilities at Green Valley, and it is our desire to continue to improve the campus for our students. We look forward to our upper field being resurfaced and replanted sometime in the near future. The lower campus E wing portables are in very poor condition and need to be replaced or removed including the E wing restroom.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

Year and month of the most recent FIT report: 1/9/20

System Inspected	Rating	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	
Interior: Interior Surfaces	Poor	Replace old surfaces
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	Good	
Electrical: Electrical	Poor	Lighting needs to be replaced
Restrooms/Fountains: Restrooms, Sinks/ Fountains	Fair	Removed portable restroom
Safety: Fire Safety, Hazardous Materials	Good	
Structural: Structural Damage, Roofs	Poor	Dry rot, portables need to be replaced
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	Fair	
Overall Rating	Poor	

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19

Mathematics (grades 3-8 and 11)	57	53	66	65	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2019-20)

Green Valley Elementary School has an active parent community. Parents are actively involved and interested in every aspect of their children's education, from classroom assistance to participation in parent organizations. Parents are an integral part of School Site Council, English Language Advisory Committee and Safety Committee. The members of these organizations are committed to making informed decisions that effect student learning. The school participates in the Intel volunteer program. Our Intel parents volunteer numerous hours at the school site, working in classrooms, attending field trips and participating in the PC Pals program. Their volunteerism not only provides them an opportunity to work with children; it also generates a monetary donation from Intel to Green Valley. Green Valley Elementary School's Parent Teacher Organization sponsors a variety of activities throughout the school year and they are well attended. PTO is an integral part of our school, sponsoring a variety of activities throughout the year. Membership is open to all who are interested in Green Valley School. Additional PTO information may be obtained by calling the school at (530) 677-3686.

Contact Person: Michelle Winberg

Contact Phone No. 530-677-3686

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2019-20)

A positive learning environment is fundamental to an effective school. All students are encouraged to be respectful, be responsible and to be safe. Gator Manners are modeled and promoted by all staff. Staff members work to teach our students how to "fill buckets," by treating others with kindness. Measures to deal with discipline, tardiness and truancy are an important part of our program. There are many encouraging and motivating activities taking place in the school. School-wide positive incentives include awards assemblies and honor roll. Gator Way Tickets are given to students who demonstrate the Gator Way (Respectful, Responsible, Safe) both in and out of the classroom. Gator Way Tickets are used by students to "purchase" rewards of their choice such as reading a story to another class, games with the principal etc. Recess activities are provided (ex. Drawing Club, Game Day, Music Mania, Mileage Club and School Community Service) to allow our students more choices for free time and peer interaction. IMPACT, our student leadership organization, offers leadership skill building and opportunities to provide service.

Green Valley School's award assemblies program is used throughout the school to recognize children for a variety of achievements, including academic achievement and school involvement.

We currently have two and a half full-time custodians. Policies are in place regarding campus safety so that during recess and lunch periods adequate supervision is provided to protect the students. Fire drills are conducted monthly as part of our disaster preparedness plan; lockdown and duck and cover drills are also held at least twice each year. All efforts to ensure building safety, cleanliness, and adequacy have been successful. Green Valley School Site Council has implemented a Site Safety Plan whose two major goals this year are to provide a positive school climate modeled by staff and students and provide a physically safe environment. The plan is reviewed annually and updated as needed.

Note: Cells with N/A values do not require data.

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

Types of Services Funded (Fiscal Year 2018-19)

All Rescue schools receive equal allocations, per student, of LCFF Base Funding. This funding helps support students by providing supplemental instructional materials, supplies, and other needs. Funding for support services, such as maintenance of buildings and grounds, utilities, and student transportation, is budgeted for at the district level and provided to each school site based on the varying needs of the individual school.

In addition to the Base Funding described above, schools in the Rescue Union School District receive Supplemental funding roughly proportional to the number of unduplicated pupils (English Learners, Socioeconomically Disadvantaged, and Foster/Homeless Youth) they serve. Furthermore, school sites receive allocations from other state and federal categorical programs, including Title I and Title II. The purpose of these categorical programs range from improving the quality of the total instructional program for all students to addressing the unique needs of special groups of students. Title III funds are budgeted for at the district level, but provide direct support to the school sites. Title III funds are used to employ bilingual instructional assistants and an EL Coordinator who provides professional development and instructional support as well as monitors the progress of our English learners.

Number of school days dedicated to Staff Development and Continuous Improvement			2

Early Release days and District Days are used for professional development and teacher collaboration. During these meetings, teachers work to analyze assessment data and target key standards. In addition, they plan, develop and improve effective instructional strategies. Staff development related to instructional practices, curriculum, technology, CA State Standards, and other educationally related matters are provided for all teachers. Green Valley teachers have been trained and certified in Guided Language Acquisition Development (GLAD) strategies. Teachers work in grade level teams to build GLAD instructional units, EL strategies and analyze assessment data each trimester. At the elementary sites, five minimum days are scheduled for parent conferences and three days for report card preparation.
