School Accountability Report Card

Reported Using Data from the 2018-19 School Year

Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2019-20)

PRINCIPAL'S MESSAGE

At Mariemont Elementary School, we pride ourselves on truly being a community school! We value and nurture our relationships with our parents and families who are our partners in everything that we do each and every day. Staff, students and parents celebrate diversity and demonstrate that everyone will be treated with dignity and respect at all times. We are dedicated to providing a comprehensive, standards-based education for our students in a positive, safe, and caring environment. At Mariemont, great emphasis is placed on acquiring the skills necessary to become productive citizens in our ever-changing world. We strive to encourage, challenge, and inspire our children to be creative and responsible students who are committed to life-long learning.

MISSION STATEMENT

The mission of Mariemont Elementary School, created collaboratively with staff, parents and community through site strategic planning is as follows:

As a collaborative community committed to excellence, we at Mariemont Elementary School educate and inspire each student to become self-reliant, well-rounded, critical thinkers and life-long learners who positively contribute to society by providing all students with challenging, personalized instruction that integrates current technology and encourages innovation and creativity in a diverse, inclusive and dynamic learning environment.

SCHOOL PROFILE

Mariemont Elementary is one of 41 elementary/K-8 schools in the San Juan Unified School District.

The curriculum provided is aligned to the California Content Standards. The school supports cultural awareness on a daily basis through its diverse literature selections and other school activities. Mariemont's programs reflect the interests and needs of its students and the surrounding community.

- Mariemont is a district site for the Special Education Full Inclusion model. Our program serves 19 identified students each year. We also support two SDC classes which serve students with disabilities in the moderate to severe range.
- Mariemont's parent volunteers assist with our reading program, serve as tutors, edit and publish both our newsletters, and participate in the planning of the many activities that occur each year.
- Intervention is provided for K-5 students, as needed, in the areas of reading through small group instruction and the Fontas and Pinnell Intervention System.
- Performance opportunities are built into the classroom experience as well as various school-wide opportunities such as classroom/grade level plays or musicals, band for grades 4-5, and choir for grades 4-5.
- Family activities include, but are not limited to Fall Carnival, Kids Helping Kids Night, Book Fair, PJs & Pancakes, Science Fair, Family Science Night, Art Extravaganza, band/choir concerts, and Dinner/Open House.
- Enrichment is offered after school throughout the year. Incredible Adventures focuses on science, Kids Art, Missoula Theater Company, Spanish, Robotics and many more opportunities are provided throughout the year.

A. Conditions of Learning**State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

Year and month in which data were collected: September, 2018

San Juan Unified held a public hearing on September 25, 2018 and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information collected in September 2018 about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school. If you would like more information on the textbooks and instructional materials please visit our website: <http://www.sanjuan.edu/Page/23485> In July 2009, EC Section 60200.7. The State Board of Education has adopted frameworks for ELA/ELD, Math, Science and Social Sciences, and has identified an approved list of instructional materials available for adoption. For more information regarding San Juan's textbook adoption schedule, please visit our website: <http://www.sanjuan.edu/cms/lib8/CA01902727/Centricity/Domain/140/Textbook%20Piloting%20adoption%20Schedule.pdf>.

School Facility Conditions and Planned Improvements (Most Recent Year)

Mariemont Elementary School, originally constructed in 1953, was modernized during the 1995-96 school year. During the summer of 2000, a new heating and air-conditioning system was added. Currently, there is sufficient space to house the student population. Site custodial staff clean the buildings, along with district support for major/minor repairs. The district provides gardening and landscape services on a regular schedule. Regular fire/emergency drills are held, and badges are required for all visitors and personnel. During the summer of 2008 the exterior was painted through the Deferred Maintenance Program. In 2009, many changes were made including existing parking lot overlay, adding a new parking lot with wrought iron fencing, lighting, main water line replacement, sidewalk replacement, ADA upgrades and a new storm drain system. The school boasts a new drop-off and pick-up lane which was added in the back of the campus. This project consists of the lane itself, wrought iron fencing with landscaping, lights and security cameras. In addition, the site has recently finished a concrete project to prevent drainage issues. All restrooms site-wide were reconfigured and renovated in Summer 2013 using Measure J funds. This included all plumbing, fixtures, partitions, floors, walls, path of travel and upgrades to meet ADA requirements..

The Board of Education and the Superintendent's policy is to ensure that all students are provided with a safe and well-maintained learning environment. The board approved resolutions in 1998 and 2002 to adequately fund maintenance activities and preserve the repairs and improvements funded by two facility bond measures. The school buildings, classrooms and grounds are safe, clean and functional. An inspection of the facility was conducted in August 2019 and determined that there were no unsafe conditions that required emergency repairs. District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A computer automated work order process is used to ensure efficient service and that emergency repairs and health and safety repairs are given the highest priority. The Board of Education has adopted cleaning standards and custodial staffing requirements for all schools in the district. This school meets the Board's standards for custodial staffing and cleanliness. The school's custodians are trained in the proper use of cleaning chemicals and Integrated Pest Management techniques. They are managed day to day by the Principal with assistance from the district's maintenance department. The district participates in the State School Deferred Maintenance Program, with funding allocated for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems. Annually the district budgets \$2 million dollars for deferred maintenance activities.

School Facility Good Repair Status (Most Recent Year)

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19

Mathematics (grades 3-8 and 11)	60	64	34	35	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2019-20)

Parent involvement at Mariemont is an integral part of our school culture. Parents work actively in the classrooms to directly assist teachers and students. They also help provide transportation and supervision for many field trips which enable our students to enjoy an enriched educational experience.

A strong, active PTA provides substantial support for the school in the form of volunteer hours and funding. It is through our parents' fundraising that Mariemont has been able to accomplish some very important things that directly affect student learning and enjoyment of their school experience. PTA's fundraising has really moved Mariemont into the 21st century with advanced technology (wireless site, all teachers have laptops and DLP projectors, and all classrooms have Promethean interactive white boards with response systems, document cameras), improved landscaping, improved playground equipment with shade structures, a state-of-the-art sound system in our MP room, and a complete make-over of our library, all of which make our school a pleasant place for children, staff and community. In addition, PTA sponsors a wide variety of family and parent activities that occur throughout the school year. PTA volunteers also publish the Mariemont Flash, which is sent out electronically each week and update our school Facebook page on a regular basis.

Parents are also an active part of our Site Council. Parents are always encouraged to provide input about school programs and policies by responding to surveys and/or attending focus groups where priorities are determined.

Contact Information

Parents or community members who wish to participate in leadership teams, school committees, school activities, or become a volunteer in the classroom may contact the Principal, Elizabeth Wahl or their child's teacher, at Mariemont Elementary, 916-575-2360. Additional volunteer opportunities are available through our very committed and active PTA.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2019-20)

This school is linked directly to the San Juan Unified School District's Safe Schools Program. The Safe Schools Program has a Community Safety Specialist assigned to this school within a geographic zone that includes nearby schools. In addition, via a partnership with the Sacramento Sheriff's Department (SSD) and the Citrus Heights Police Department (CHPD), there are two uniformed deputy sheriff's and two uniformed CHPD officers assigned to patrol the school district including this school. The Deputy Sheriffs are assigned to patrol a geographic zone either on the east side of the district or the west side of the district. They are assigned specific schools within their assigned zone and respond to this school, or others, as safety needs dictate. The two CHPD Police Officers are School Resource Officers (SRO) who work identified schools within the City of Citrus Heights and respond as safety needs dictate. The two law enforcement agencies will overlap response when necessary. The Deputy Sheriff's and/or CHPD Officers are dispatched to critical incidents via the Safe Schools Dispatcher, a law enforcement dispatcher or via a direct report from a school staff member, school visitor or other person. This school has a school safety team which reviews safety matters that may affect the campus. Our school safety team meets regularly to discuss safety issues, update our site emergency plan, and to take steps to be proactive in preventing various types of school-related safety issues. Community Safety Specialists and law enforcement provides speakers to address students, staff and community groups on matters of school safety. Our safety team receives training, when requested, from Safe Schools or law enforcement. This school is responsible for updating our Comprehensive School Safety Plan (CSSP) by March 1st of every year per the Education Code. As part of the update, this school meets at least once per year with a law enforcement officer to review the CSSP, has the local fire department review the CSSP and we hold a community meeting to review the CSSP. The CSSP must be approved by the School Site Council before being submitted to the district safe schools manager. Every classroom has a standardized "Safety Folder" which serves as a guide for teachers, includes the site specific crisis response procedures and a district standardized emergency flip chart. This school conducts and keeps a record of all fire drills, lockdown drills, shelter in place drills and/or earthquake drills up to or in excess of what is required by the Education Code.

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

Types of Services Funded (Fiscal Year 2018-19)

The table provides a comparison of a school's per pupil funding from unrestricted sources with other schools in the district and throughout the state.

Supplemental/Restricted expenditures come from money whose use is controlled by law or donor. Money designated for specific purposes by the district or governing board is not considered restricted. Basic/unrestricted expenditures, except for general guidelines, is not controlled by law or donor.

Professional Development (Most Recent Three Years)

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement			9

Professional development is a key part of the continuous improvement process for educators. The goal of our quality professional development is to support the learning of teachers and paraprofessionals to positively impact student achievement. Annually, teachers and site administrators participate in professional development in a variety of opportunities. Seventy-five minutes per week are dedicated to staff collaboration and training planned by site leadership teams. The District also provides a cycle of continuous professional development for Administrators through Principal Networks as well as Leadership Academies.

The District provides professional development opportunities for teachers and administrators that support the implementation of Common Core State Standards in English language arts, mathematics, science, social studies, and the ELA/ELD Framework. Specific professional development initiatives include: Culturally Responsive Practices, Critical Literacy, TK-2 Reading, Supporting Independence and Engagement through Reading and Writing, Math to the Core, Expository Reading and Writing Course, and ELD Foundations. District departments, Center for Teacher Support, grant-funded projects, and the San Juan Teacher's Association sponsor additional training opportunities. Professional development opportunities are voluntary for teachers and are provided throughout the year in a variety of formats: during the school day, after school, on Saturdays, and during summer and vacation breaks. Many teachers and administrators also take advantage of opportunities with Sacramento County Office of Education, California Department of Education, the college/university programs, state/national education organizations, and private educational institutes.

What grounds the professional development in the district is the District Strategic Plan and the Local Control Accountability Plan. Professional Development is further determined using one or more of the following: (a) student achievement data, (b) staff survey data, and (c) district-identified goals. Professional development addresses the Common Core State Standards, teaching strategies, curriculum, assessment, technology, classroom management, safety, and leadership. Administrator training accompanies professional development in district focus areas, providing implementation support for teachers on site. Content-area coaches are available at some schools. Additional classroom support is provided to new and struggling teachers by consulting teachers from the Center for Teacher Support.

Paraprofessionals are encouraged to participate in professional development at the district and site level. Specifically designed training is also offered to non-instructional support staff such as clerical and custodial staff that includes both operational and instructional topics.
