### **School Description**

Linda Verde Elementary will provide options and excellence in education, empowering all students to reach their full potential. We will successfully implement and integrate the Common Core State Standards and 21st Century Teaching with a focus on the 4C's – Collaboration, Creativity, Critical Thinking, and Communication. This implementation will be in all classrooms, in all grade levels, for all students and will result in increased student achievement and create 21st Century students who will successfully compete in our global society. In addition, Linda Verde currently offers a Dual Language Immersion program in Kindergarten through Fifth Grade. Each year, an additional grade level will be added. The Dual Language Immersion classes are a component of a school wide Cultural Academy, which focuses on Multi-Culturalism and global awareness.

Linda Verde Elementary has a collaborative staff that effectively teaches state standards with best practices and techniques. We work to provide a supportive and success driven climate for all students. Parents/Guardians and staff will maintain open communication and continue to develop a positive relationship to ensure success for our students.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

**Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)**

All textbooks were selected from the most recent list of standards-based materials adopted by the California State Board of Education and are consistent with the content and cycles of the curriculum frameworks adopted by the SBE. Textbooks are chosen after careful review and piloting by teachers and then are approved by the Board of Trustees. There are textbooks/instructional materials for each student in each subject. All adopted textbooks are in fair to new condition.

**School Facility Conditions and Planned Improvements (Most Recent Year)****General**

The district takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the Los Angeles County Office of Education. The results of this survey are available at the school office or at the district office.

**School Buildings**

Linda Verde was built in 1960 and modernized in 2006. The main building consists of the front, health, and principal's offices, staff lounge, cafeteria and library. There are 38 classrooms, 18 permanent and 20 re-locatable.

**Maintenance and Repair**

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

**Cleaning Process and Schedule**

The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the district office. The Supervisor of Operations works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

**Deferred Maintenance Budget**

Although the State no longer requires a Deferred Maintenance contribution, Lancaster School District is still dedicated to maintaining the facilities for our students. These expenditures would include but not be limited to roofing, plumbing, heating, air conditioning, electrical, painting, and flooring. For the 2019-20 school year, the district has budgeted \$940,000 for deferred maintenance projects.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

### CAASPP Test Results in ELA and Mathematics for All Students

#### Grades Three through Eight and Grade Eleven

#### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 17-18	School 18-19	District 17-18	District 18-19	State 17-18	State 18-19
ELA	21	23	32	31	50	50
Math	15	13	17	18	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

### CAASPP Test Results in Science for All Students

#### Grades Five, Eight, and Ten

Note: Cells with N/A values do not require data.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018-19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

### State Priority: Other Pupil Outcomes
