School Accountability Report Card
Reported Using Data from the 2018 - 2019 School Year
Published During 2019 - 2020

For: Helen Carr Castello Elementary

Address: 9850 Fire Poppy Dr, Elk Grove, CA 95757

Principal: Megan Drown-Jones

Phone: 916-686-1725

Grade Span: K-6

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2019 - 2020)

Helen Carr Castello Elementary

A school with a mission to EXPLORE, DREAM, and DISCOVER!

At Helen Carr Castello Elementary School, we are committed to building a culture of academic excellence and enrichment; maintaining a climate that is welcoming, safe, and nurturing; and celebrating cultural and educational diversity!

Helen Carr Castello Elementary truly provides a unique and wonderful educational experience for children: a safe campus, a warm learning environment, exciting and creative educational opportunities, and rigor and breadth of instruction.

Our district's mission is to provide a learning community that challenges ALL students to realize their greatest potential. We focus on supporting our students in reaching our district's goals. Our success in implementing the district's mission can be evidenced through our school's special strengths. These include an outstanding team of teachers, a visual and performing arts and science focus. Our before and after school enrichment programs include art, drama, track, band, coding, STEM, mathletes, homework club, leadership, volleyball and basketball. We continue as a Watch D.O.G.S. school, and participate in the National Elementary Honor Society. We have a rigorous and differentiated curriculum supporting all student needs in the regular school day and in after school classes.

As a school, we prioritize maintaining a safe and orderly campus. Additionally, we emphasize student unity, cooperation, and respectful behavior. We truly believe in the support and acceptance of each child's uniqueness.

We are proud of the programs that we build for students. In the past year, we have enhanced our visual and performing arts, character education, summer school, and enrichment programs. Our student leadership program continues to thrive. Our success is a tribute to the partnership that exists between the staff, the community, and the students.

Thank you and please feel free to contact and/or visit the school.

School Facility Conditions and Planned Improvements (School Year 2019 - 2020)

This school has 36 classrooms, a multipurpose room, a library, a science lab, and an administration building. The campus was built in 2005.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

The district’s maintenance and grounds departments work in concert with the school site custodial team to ensure that school buildings, classrooms, and grounds are maintained at exceptional levels to provide a safe and functional environment for all students. The district utilizes the latest electronic work order system enabling site administration and custodians to communicate maintenance needs, urgent repairs, or necessary projects. Emergency repair needs are immediately resolved by either the school custodian or district maintenance staff. The school’s custodians work as a team and with the principal to develop a daily cleaning process and schedule. Each morning the custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary. The Board of Education has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office, or at the district office.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

This year we had a shade structure built on the black top using Measure M monies.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: Percentages are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes students that did not receive a score; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using students with scores.

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes students that did not receive a score; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using students with scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2019 - 2020)

Our partnership with parents sustains our school's sense of community. Parents are encouraged to support their children's schooling by attending school functions such as Back to School Night, student performances, parent conferences, and Open House. Parents are invited to join our very active PTA which hosts numerous events for our school. Parents also play an important role in governance and decision making through the School Site Council, GATE, & EL advisory groups. For more information please call Ms. Jones or PTA president at 916-686-1725.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2019 - 2020)

At Helen Carr Castello we believe that nothing should get in the way of learning. The safety of our students is this school's first priority. Our Positive Behavioral Interventions and Supports (PBIS) plan dictates behavioral expectations and positive incentives. We believe that these positive assets make a difference in our students' well-being. An Emergency Handbook outlining a plan of action for earthquakes, fires, floods, and chemical spills is kept in the office. Emergency drills are conducted monthly. Staff assists with before and after school supervision. The campus gates are locked during school hours. All visitors must register through the front office. Our Safety Plan was updated in December 2019. The district's Police Services Department works closely with our school to provide a safe, secure environment for all students.

Types of Services Funded (Fiscal Year 2019 - 2020)

At Helen Carr Castello Elementary, we have highly qualified staff members to assist students with specialized learning needs. Our Learning Center services not only special education students, but also general education students who need additional support to meet grade level standards. We support our struggling and/or "at risk" students through our WIN (what I need), mentors, and after school tutoring and homework programs. Gifted and Talented/Accelerated students participate in differentiated and accelerated instruction during class time, summer school, and in extended day opportunities. We have a National Elementary Honor Society chapter at our school site. This program provides additional opportunities for our top scholars.

Professional Development

For the 2019 - 2020 school year, Helen Carr Castello Elementary has a professional development emphasis on the Common Core State Standards, Progress Monitoring, and developing as a Professional Learning Community. New teachers who have been teaching fewer than two years are supported by the district's beginning teacher (BTSA) program. They meet regularly with an experienced mentor to discuss their successes, challenges and new ideas for their classrooms. Finally, the district offers a variety of classes for support staff. Instructional aides, school secretaries, office clerks, and custodians may take classes that relate to their work such as learning new computer skills and learning to work more efficiently and in ergonomically correct ways.
