School Description

The Vision of Pathway Elementary Community Day School is to provide all students with a positive, structured environment focused on behavioral and academic improvement, where students can learn and practice skills to promote their success in secondary school, college, career and the community at large. The Mission of the school is to serve the At-Risk Youth of Central Unified School District.

Pathway Elementary Community Day School is located in Southwest Fresno. Students' grade levels range from K-6th grade. A Pathway student arrives through suspended expulsion, full expulsion, SARB placement, a district-level referral and/or court/probation placement. Pathway's goal is to have 100% of students be able to transition back to their school of origination or a mainstream school to continue their educational and behavioral goals. Calls are made home daily for absent students and parents stay informed on academic work completed via the online grade system Parent Portal and regular contact from school staff. Students and/or parents may contact teachers or staff at any time to check on their child's development. Pathway elementary has an RSP teacher that is shared with the secondary campus. Central Unified provides a school psychologist and an intervention counselor 5 days per week as well. Pathway Elementary has one full-time teacher and 2 full-time aides.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

Central Unified Schools maintain current and standards-aligned instructional materials in good repair, for all students. Materials are locally adopted and reflect programs currently approved by the State Board of Education. All materials currently adopted reflect the most recent SBE adoptions and support the current California Frameworks.

Every student, including English Learners, Special Education, and other special populations have their own textbook. In the case of class sets, those sets augment individual texts that have been issued to individual students. These class sets are made based on a commitment of the district administration and the governing board and are not the product of any state requirement.

All instructional materials are subject to a school and district review process. Materials may be piloted and all materials that are selected and recommended for local adoption are reviewed by teachers, administration, and any parents who wish to review the materials. The Central Unified Board of Trustees reviews and adopt based on the recommendation of the district adoption committees and Educational Services.

School Facility Conditions and Planned Improvements (Most Recent Year)

Pathway Elementary sits on 1.5 acres. There are no current construction projects. The table below shows the results of the school's most recent inspection using the Facility Inspection Tool (FIT). This inspection determines the school facility's good repair status. District maintenance staff ensures that repairs necessary to keep the school in good repair and work orders are completed in a timely manner. For all items inspected that were found to not be in 'good repair', work orders have been created and maintenance will be done before the end of the 2019-20 school year. The overall rating for this school is 'fair'.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

ELA	--	--	44	44	50	50
Math	--	--	31	33	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

School Safety Plan

The Site Emergency Response Plan is reviewed annually by Pathway staff and the review date for this year took place during August of 2019. Necessary revisions are made to reflect current issues regarding student and school safety. Pershing School staff is well versed in how to respond to various crisis situations that may arise. The School Site Council approved the Plan on October 3, 2019.

Key Elements of the Site Emergency Response Plan for Pathway include taking a proactive position in school safety by fostering positive relationships with students. Our goal is for every student to have a positive relationship with at least 1 adult on campus. Students and staff take part in monthly fire drills and scheduled earthquake and lockdown drills. Staff is on proactive duty during student breaks and the school grounds are kept clean and attractive. Two-way radios and surveillance cameras are provided.

Pathway Elementary's staff development focuses on the effects of trauma and poverty on youth, how to best meet the academic and social-emotional needs of students and behavior modification. The areas selected were based on the needs of our students and teachers as well as research into best practices in relation to teaching at-risk youth.

Pathway Elementary's staff attend conferences and receive training through the following organizations and activities: Central USD Educational Services, CDE, FCSS, and other providers. The staff meets bimonthly to participate in the school's staff development training. Pathway Elementary's staff attends a variety of District sponsored in-services and meetings during the school year. At these conferences, staff members receive valuable information and

training in their subject regarding the implementation of Common Core Standards and curriculum. The administration participates in the District's CIAC training and the Principal's Institute.

The Principal and the Guidance Instructional Adviser conduct regular classroom drop-ins and provide critical information to teachers regarding their observations. The Principal meets with teachers on a regular basis to discuss best teaching practices and to provide assistance with instructional strategies and planning. The Principal and the Guidance Instructional Adviser provide the teaching staff with relevant data to assist them with targeting areas of strengths and weaknesses. Administration assists teachers with data analysis and provides guidance during scheduled staff meetings.
