Principal's Message

Published January 2020

This report card provides parents and community with ongoing information about Hedrick Elementary School. The report card covers everything from student achievement and student discipline to school facilities and safety. We hope you find it an important and useful document. We invite any comments and/or suggestions that might help us in better serving our students. You may call us at (760) 352-4750 or email me at jsinclair@ecesd.org if you have any questions about this report.

School Vision

"Home of the Super Stars"

Hedrick strives to provide a premier learning environment that fosters high expectations and creates members of the global community who are well-prepared academically and socially for their chosen futures.

School Mission

"Proud to be a Hedrick Super Star"

Award-winning Hedrick Elementary School provides a positive learning environment with high academic and behavior expectations ensuring success for all students.

District & School Description

The El Centro Elementary School District is located in Imperial County, and is surrounded by thousands of acres of California's most productive farming land. El Centro Elementary School District is comprised of nine elementary schools, two middle schools, and one home school academy which educates approximately 5,700 students in transitional kindergarten through eighth grade per school year. The district is committed to preparing its students for the future and dedicated to excellence in the realm of academics. All programs within the district are founded on the principle that "children come first."

Hedrick Elementary School serves students in kindergarten through sixth grade. During the 2018-19 school year, the school had an enrollment of 551 students including 9.1% in special education, 36.7% qualifying for English Language Learner support, 0.4% homeless youth, 0.7% foster youth, and 80.8% qualifying for free or reduced price lunch.

Student Enrollment by Student Group and Grade Level 2018-19			
Student Group	% of Total Enrollment	Grade Level	# of Students
Black or African American	1.3%	Kindergarten	96
American Indian or Alaskan Native		Grade 1	81
Asian	0.6%	Grade 2	79
Filipino		Grade 3	84
Hawaiian or Pacific Islander		Grade 4	76
Hispanic or Latino	95.2%	Grade 5	61
White	2.4%	Grade 6	74
Two or More Races	0.6%		
Socioeconomically Disadvantaged	80.8%		
English Learners	36.7%		
Students with Disabilities	9.1%		
Homeless	0.4%	Total	
Foster Youth	0.7%	Enrollment	551

CALIFORNIA BUSINESS for Education EXCELLENCE

Local Control Accountability Plan (LCAP)

As part of the new Local Control Funding Formula, school districts are required to develop, adopt, and annually update a three-year Local Control and Accountability Plan (LCAP) that supports the priorities for the state of California. The following components of this SARC address some of the State's priorities:

State Priority 1: Basic (Conditions of Learning)

The SARC provides the following information relevant to the State priority:

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area for the pupils they are teaching.
- Pupils have access to standards-aligned instructional materials; and school facilities are maintained in good repair.

State Priority 2: State Standards (Conditions of Learning)

The SARC does not cover any of the requirements of State Priority 2.

State Priority 3: Parental Involvement (Engagement)

The SARC provides the following information relevant to the State priority:

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

State Priority 4: Pupil Achievement (Pupil Outcomes)

The SARC provides the following information relevant to the State priority:

- Statewide assessments (i.e., California Assessment of Student Performance and Progress (CAASPP) System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments (CAAs) for English language arts/literacy (ELA) and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards (CCSS) (for students with the most significant cognitive disabilities).
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

State Priority 5: Pupil Engagement (Engagement)

The SARC provides the following information relevant to the State priority:

- High school dropout rates
- High school graduation rates

State Priority 6: School Climate (Engagement)

The SARC provides the following information relevant to the State priority:

- Pupil suspension rates
- Pupil expulsion rates
- Other local measures on the sense of safety

State Priority 7: Course Access (Conditions of Learning)

The SARC does not cover any of the requirements of State Priority 7.

State Priority 8: Other Pupil Outcomes (Pupil Outcomes)

The SARC provides the following information relevant to the State priority:

- Pupil outcomes in the subject area of physical education.

Parent Involvement

Parents are encouraged to get involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making group, or attending school events.

Parents stay informed of upcoming events and school activities through flyers, parent conferences, progress reports, a monthly calendar, the school marquee, the school website, and Blackboard Connect (automated telephone message delivery system). Contact any school office staff member at (760) 352-4750 for more information on how to become involved in your child's learning environment.

Curriculum & Instruction

School Leadership

The administrative team is comprised of the principal, who works closely with the support staff, teachers, and school staff. Principal Jamie Sinclair is responsible for the day-to-day operations of the school and the overall instructional program.

Specialized Instruction

All curriculum and instruction is being aligned to the California State Standards approved by the State Board of Education. The instructional program is structured so that all students receive instruction appropriate to their learning level. Teachers use a variety of research-based instructional strategies and techniques using state-approved instructional materials to ensure academic success.

Students learning English receive English Language Development instruction. All classrooms are Structured English Immersion (SEI) and English learners may be clustered during ELD instruction to receive targeted instruction at their proficiency level. Teachers providing ELD utilize appropriate supplemental materials such as Imagine Learning, a computer based instruction. Students are monitored through the ELPAC exam given once a year, teacher observation and benchmark assessments; results are used to evaluate and adjust individualized learning strategies.

Hedrick Elementary School's special education program is staffed by special education teachers and instructional assistants. Instruction is provided in the least restrictive environment based on each student's Individual Education Plan (IEP). Students have access to a comprehensive curriculum and are mainstreamed into the general education class with in-class support in both small group and individual settings. The IEP team meets annually to establish goals and objectives, define academic instruction, evaluate the effectiveness of the student's plan, and make instructional adjustments as necessary.

Hedrick Elementary School takes advantage of the district's participation in the Imperial County Office of Education's Special Education Local Plan Area (SELPA), which provides a pool of professional resources and expertise in the field of special education.

Hedrick Elementary School provides a variety of intervention and enrichment programs to support students' efforts to achieve academic success and reach grade level expectations. Using Interim Assessment Blocks (IAB), as well as, district benchmark assessments, state test results and end-of-unit exams, teachers and administrators can identify students who are struggling or performing below state proficiency grade level standards. For those students who need extra help in any subject area, a Student Study Team pulls together school and family resources to identify and develop strategies to help students improve academic and/or behavioral performance. Intervention strategies include:

- Imagine Learning (ELD)
- Accelerated Reader
- Reading Foundation Rotations (1-3)
- After School Programs
- iRead Program (K-2)
- Accelerated Math
- Small Group Intervention (1-2)

Supplementary instructional materials are purchased as needed to support intervention programs. Classroom teachers monitor student performance on district benchmark assessments and end-of-unit tests to measure ongoing academic progress and adjust instructional needs.

Enrichment Programs

Hedrick Elementary School offers After School Education and Safety (ASES) which consists of art, sports, and tutoring programs to kindergarten through sixth grade students who need a safe place to stay after school while parents are working.

Staff Development

All training and curriculum development activities in the El Centro Elementary School District are aligned to the California State Standards.

During the 2018-19 school year, Hedrick Elementary School held site-based professional development devoted to:

- Art Training
- AVID Strategies
- College & Career Readiness
- Common Core State Standards
- Data Teams
- ELA & Math Training
- Integrated Technology Instruction
- Next Generation Science Standards (NGSS)
- Positive Behavior Intervention & Support
- Unit Planning

During the 2017-18, 2018-19 and 2019-20 school years, El Centro Elementary School District provided districtwide professional development training on the following:

2017-18 & 2018-19 Trainings:

- Curriculum Embedded Technology Training
- Next Generation Science Standards Training
- Math Lesson Studies
- Intro to New Financial System, AED Training, Technology Updates
- iRead Training
- Synergy Grade Book
- WonderWorks Intervention Curriculum
- Wonders ELA/ELD Curriculum
- Journeys ELA/ELD Curriculum
- StudySync ELA Curriculum
- Positive Behavior Intervention & Support
- Co-Teaching Training
- Illuminate Data and Assessment
- Synergy Online Report Cards
- ELPAC
- Schoolwide AVID
- California School Dashboard
- Dual Immersion Team Training
- CAASPP Training
- History-Social Studies Framework
- Art Workshops
- English Learner Institute
- System 44 Intervention Training for Special Education Teachers
- Read 180 Universal Intervention Training
- Data Teams Training
- Universal Design for Learning (UDL) Site Team Training
- Renaissance Star Reading, Math, and Early Literacy Training

2019-20 Trainings:

- Building Positive School and Classroom Culture
- CPR and First Aid - PE Teachers
- Department Collaboration Meetings
- District Writing Buckets
- District Curriculum Guide Updates (ELA, ELD and Math)
- Support for New Teachers in ELA Curriculums, Math Curriculums, Online Gradebook and Report Cards, Science Kits
- PEAKing English language Arts and Math Instruction
- Reading and Math Intervention Program Trainings
- Reading Foundations Including Phonics and Phonemic Awareness
- Technology Integration with District Initiatives and Curriculum
- Trauma Informed Practices
- Digital Badging Trainings in District Curriculum and STAR Assessments
- Reading Foundations
- New Social Studies Curriculum
- Math Lesson Studies
- Math 180 Training
- Math 180, Read 180, System 44, and Do the Math Coaching Support

- iRead Site Team Trainings
- Schoolwide AVID
- Universal Design for Learning (UDL)
- Co-Teaching

Decisions concerning selection of staff development activities are performed by all staff using tools such as teacher input and data analysis to determine the areas in which additional teacher training may enhance classroom instruction and increase student achievement levels. Hedrick Elementary School supports ongoing professional growth throughout the year on minimum days and early release days. Teachers meet in grade level teams to conduct data analysis to identify areas of need.

Hedrick Elementary School offers support to new and veteran teachers through peer coaching and mentoring. Instructional aides are provided targeted training focused on teaching strategies and curriculum content. All staff are encouraged to attend professional workshops and conferences. Classified support staff receive job-related training from department supervisors and district representatives.

Instructional Materials

All textbooks used in the core curriculum at Hedrick Elementary School are aligned to the California State Standards. Instructional materials are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. The District follows the State Board of Education's adoption cycle for core content materials (English/language arts, math, science, and social science).

On Tuesday, October 9, 2018, the El Centro Elementary School District held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Governing Board adopted Resolution #100918-2062 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English Learners, in the District to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, and (2) sufficient textbooks and instructional materials were provided to each student, including English Learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/Language Arts, including the English Language Development component of an adopted program, and 3) each pupil enrolled in a foreign language has sufficient textbooks or instructional materials that are consistent with the content and cycles of the curriculum frameworks adopted by the State Board for those subjects.

Textbooks			
Year Adopted	From Most Recent State Adoption?	Publisher and Series	Percent of Pupils Who Lack Their Own Assigned Textbooks and/or Instructional Materials
Reading/Language Arts			
2017	Yes	Houghton Mifflin Harcourt/Scholastic: <i>Big Day</i>	0%
2017	Yes	Houghton Mifflin Harcourt: <i>California Journeys</i>	0%
2017	Yes	McGraw-Hill: <i>California Wonders</i>	0%
Math			
2017	Yes	Houghton Mifflin Harcourt/Scholastic: <i>Big Day</i>	0%
2014	Yes	Houghton Mifflin Harcourt: <i>California Go Math!</i>	0%
Science			
2018	Yes	ECESD NGSS Science Kits	0%
Social Science			
2019	Yes	DBA American Legacy Publishing: <i>Studies Weekly</i>	0%

In addition to core subject areas, districts are required to disclose in their SARC's the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2018-19 school year, El Centro Elementary School District provided each student, including English Learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

Classroom Environment

Discipline & Climate for Learning

Hedrick Elementary School's discipline policies are based upon Positive Behavioral Interventions and Supports (PBIS), a multi-tiered approach to social, emotional and behavioral support. This schoolwide positive behavioral management plan is used as a guide to develop school rules, develop behavioral management programs, promote responsibility, promote respect, and minimize classroom disruptions. Disciplinary intervention is managed by school administration in a fair, firm, and consistent manner based upon the nature of each situation.

Suspensions and Expulsions

Students Receiving Migrant Services	--	--	--	--	--	--	--	--	--	--

Note: ELA & Mathematics test results include the Smarter Balanced Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

An asterisk (*) appears in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**California Assessment of Student Performance and Progress
Test Results in English Language Arts/Literacy (ELA) and Mathematics in Grades 3-8**

Note: Cells with N/A values do not require data.

This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018-19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

Student Achievement

California Assessment of Student Performance and Progress (CAASPP)

The California Assessment of Student Performance and Progress (CAASPP) System includes the Smarter Balanced Summative Assessments (SBAC) for students in the general education population, and the California Alternate Assessments (CAAs) for students with the most significant cognitive disabilities. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternative achievement standards, which are linked with the Common Core State Standards (CCSS). CAASPP results are a measure of how well students are mastering California's standards in English language arts/literacy (ELA) and mathematics, and are given to grades three through eight and grade eleven. SBAC tests assess student performance in ELA/Literacy and mathematics utilizing computer-adaptive tests and performance tasks, and CAAs test items are aligned with alternative achievement standards which are linked with the Common Core State Standards (CCSS).

The CAASPP results shown in this report include overall results comparing the school, district and state scores as well as the school's overall score in each applicable subgroup. Results are shown only for subgroups with ten students or more taking the exam. For those categories that are blank in the tables, no students met subgroup criteria. More information on CAASPP can be found on the California Department of Education's website www.cde.ca.gov/ta/tg/ca/.

Physical Fitness

In the spring of each year, Hedrick Elementary School is required by the state to administer a physical fitness test to all students in grade five. The physical fitness test measures each student's ability to complete six fitness tasks in six major areas. Students that either meet or exceed the standards in all six fitness areas are considered to be physically fit or in the "healthy fitness zone." Comparative district and state results can be found at the CDE's Website www.cde.ca.gov/ta/tg/pf/.

**California Physical Fitness Test Results
2018-19**

Grade Level	% of Standards Met:		
	4 of 6	5 of 6	6 of 6
Fifth	22.8%	21.1%	14.0%

Note: Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Professional Staff

Teacher Assignment

During the 2018-19 school year, Hedrick Elementary School had 22 teachers who met all credential requirements in accordance with state guidelines. The chart below identifies the number of teachers at both the school and district who are 1) fully credentialed; 2) without full credentials; 3) teaching outside subject area of competence; 4) misassignments for English learners; 5) total teacher misassignments; and 6) vacant teacher positions. The term "misassignments" refers to the number of positions filled by teachers who lack legal authorization to teacher that grade level, subject area, student group, etc.

Teacher Credentials and Assignments						
	Hedrick			ECESD		
	17-18	18-19	19-20	17-18	18-19	19-20
Total Teachers	22	22	22	229	231	245

Teachers without Full Credential	1	0	4	5	6	32
Teaching Outside Subject Area (with full credential)	0	0	0	0	2	3
Misassignments of Teachers of English Learners	0	0	0	2	0	0
Total Teacher Misassignments*	0	0	0	2	0	0
Teacher Vacancies	1	0	0	2	6	0

*Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc. *Total Teacher Misassignments includes the number of Misassignments of Teachers of English learners.*

Counseling & Support Staff

Hedrick Elementary School provides professional, highly qualified staff who provide additional services and support centered on the whole student academically, physically, and mentally. The Counseling and Support Services table in this report illustrates the availability of non-instructional support staff to Hedrick Elementary School's students.

Full-time equivalent (FTE) is a standard measurement used to identify an employee's regular work load on a weekly basis. For example, an FTE of 1.0 designates a full-time position and the employee is on campus and available all day every day of the week; an FTE of 0.5 indicates that the staff member is available and on campus a portion (50%) of the week.

Facilities & Safety

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Hedrick Elementary School's original facilities were built in 1955, and ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority. In the last 12 months the following campus improvements have been completed:

- Asbestos abatement of Rooms 6 & 18
- Installation of new carpeting in Rooms 6 & 18

2019-20 Campus Improvements:

- Asbestos abatement in Room 12
- Installation of new carpeting in Rooms 12 & 26
- Installation of a new LVT in Kinder Room 2

Academic Counselors and Other Support Staff		
2018-19		
	No. of Staff	FTE*
Academic Counselor	0	0.0
Librarian	1	1.0
School Nurse	As Needed	
Psychologist	1	1.0
Speech/Language/Hearing Specialist	1	0.5
Counselor	1	1.0
Reading Coach	1	1.0
Computer Lab Technician	1	1.0
District Safety Coordinator	As Needed	

**One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50% of full time.*

Every morning before school begins, the custodian inspects facilities for safety hazards or conditions that need attention prior to students and staff entering school grounds. Two full-time custodians are assigned to Hedrick Elementary School. The custodians are responsible for:

- Cafeteria setup/cleanup
- Office area cleaning
- Remada eating area cleaning
- Trash removal
- Sidewalk cleaning
- Open/Close of school
- Deliver supplies
- Classroom cleaning
- Restroom cleaning

The principal communicates with custodial staff daily concerning maintenance and school safety issues.

Campus Description	
Year Built	1955
	Quantity

# of Portable Classrooms	8
# of Restrooms (student use)	6
Library	1
Multipurpose Room/Cafeteria	1
Outdoor Covered Patio	2
Staff Work Room/Lounge	1
Computer Lab	1

Campus Supervision

School administration and teaching staff place a high priority on providing adequate adult supervision on campus before, during, and after school. As students arrive on campus each morning, pupil supervisors are strategically assigned to designated entrance areas, the bus drop off/pick up area and playground. Breakfast is provided in the students' classroom after P.E. During morning recess, teachers supervise playground activity. The principal and pupil supervisors monitor lunch time activity in the cafeteria and on the playground. At the end of the day when students are dismissed, pupil supervisors monitor student behavior to ensure a safe and orderly departure.

Hedrick Elementary is a closed campus. During school hours, all visitors must sign in at the school's office with a state issued ID to be scanned through Lobby Guard, and wear identification badges while on school grounds.

SARC Data & Internet Access

DataQuest

DataQuest is an online data tool located at <http://dq.cde.ca.gov/dataquest/> that contains additional information about Heck Elementary School and comparisons of the school to the district, the county, and the state. DataQuest provides reports for school accountability, including but not limited to, CAASPP results, Physical Fitness results, Suspensions and Expulsions, Dropout & Graduation Rates, enrollment, and staffing statistics.

Public Internet Access Location

Parents may access Hedrick Elementary School's SARC and access the internet at any of the county's public libraries. The closest public library to Hedrick Elementary School is the El Centro Public Library.

External	✓			Girls RR & 19 - Trip hazard on the walkway; 9 & 6 - Exterior water cover is broken in grass
Overall Summary of School Facility Good Repair Status				
	Exemplary	Good	Fair	Poor
Overall Summary		✓		

Percentage Description Rating:

Good: The school is maintained in good repair with a number of non-critical deficiencies noted. These deficiencies are isolated, and/or resulting from minor wear and tear, and/or in the process of being mitigated.

School Site Safety Plan

The Comprehensive School Site Safety Plan was developed for Hedrick Elementary in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's safety plan is reviewed, updated, and discussed with school staff in January 2020.

Facilities Inspection

The district's maintenance department inspects Hedrick Elementary on an annual basis in accordance with Education Code §17592.72(c)(1). Hedrick Elementary uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on May 4, 2019. Deficiencies noted in the school inspection survey were corrected immediately by the district's maintenance department. During fiscal year 2018-19, all restrooms were fully functional and available for student use.

District Expenditures

Salary & Budget Comparison

State law requires comparative salary and budget information to be reported to the general public. For comparison purposes, the State Department of Education has provided average salary data from school districts having similar average daily attendance throughout the state. (Note: 2017-18 salary comparison data was the most recent data available at the time this report was published.)

Expenditures Per Student

For the 2017-18 school year, El Centro Elementary School District spent an average of \$12,338 of total general funds to educate each student (based on 2017-18 audited financial statements and in accordance with calculations defined in Education Code §41372). The table in this report 1) compares the school's per pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the District and throughout the state, and 2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding salaries can be found at the CDE website at www.cde.ca.gov/ds/fd/ec/ and www.cde.ca.gov/ds/fd/cs/. (The figures shown in the table below reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)

Teacher and Administrative Salaries 2017-18		
	ECESD	State Average of Districts in Same Category
Beginning Teacher Salary	55,141	49,378
Mid-Range Teacher Salary	83,508	77,190
Highest Teacher Salary	107,594	96,607
Average Principal Salaries:		
Elementary School	129,815	122,074
Middle School	-	126,560
Superintendent Salary	206,835	189,346
Percentage of Budget For:		
Teacher Salaries	36	36
Administrative Salaries	7	6
