Principal's Message

Guadalupe Elementary School is a place where every student, parent, and staff member is accepted as an integral part of our community. We support each other and challenge one another to learn and grow, not only academically, but also emotionally and socially. While learning to read and to develop proficiency in math, science, and social studies is paramount, we also want our students to learn to care for themselves and others, develop their creativity through the arts, gain an appreciation for exercise and healthy living, and serve their community.

We were named a California Distinguished School for 2018 and a Gold Ribbon School in 2016, and we are proud of our most recent achievement on the Smarter Balanced Assessment, which highlights our students' high academic achievement, motivation to learn and strong family support.

We also take pride in our students' accomplishments in art, music, theater, and technology integration. Thanks to the generous support of our Home & School Club, students have opportunities to experience art through our Art Vistas, Clay programs, and music as well. More than 100 students participate annually in our before and after-school classes that include English Learners support, performing arts, engineering and design, sports, and academic clubs. Our Math Olympiad Team took first place in the district tournament for 2018, highlighting our students' motivation to learning beyond the classroom.

Our school strives to create a supportive climate in which every child's talents and interests are nurtured. We are proud of our Positive Behavior program, from which our students learn to become productive and caring citizens. In addition, parents (and grandparents!) volunteer to provide a monthly story and character lesson through the Project Cornerstone ABC Reader Programs. Students are recognized for their positive choices through our Gold Card program. Student leadership is valued and we take pride in our many programs that offer students opportunities to support our school and community. Students in upper grades may serve as Recess 101 Coordinators, and as school leaders through Student Council. Each of these programs provides a valuable contribution to ensure our school environment continues to be positive, safe and supportive.

Mission Statement

Our mission at Guadalupe School is to strive to have an active, ongoing partnership between staff, parents and the community, providing students with a safe, nurturing, child-centered environment. Guadalupe teachers commit their energy to the success of every student. Our Passion Statement affirms this commitment: We at Guadalupe will strive for our children to show growth in reading through confidence, engagement, and a love of learning. Together we will commit to this challenging opportunity with a positive attitude, optimism, and effective collaboration.

School Profile

Guadalupe Elementary School is located in the southern region of San Jose and serves students in grades kindergarten through five following a traditional calendar. At the beginning of the 2017-18 school year, 595 students were enrolled, including 14.1% in special education, 14.1% qualifying for English Language Learner support, and 4.2% qualifying for free or reduced-price lunch.

2018-19 Student Enrollment by Grade Level	
Grade Level	Number of Students
K	88
1	110
2	117
3	79
4	96
5	105
Total Enrollment	595

2018-19 Student Enrollment by Group	
Student Group	Percentage of Students
Black or African American	0.5%
American Indian or Alaska Native	0.3%
Asian	36.5%
Filipino	1.5%
Hispanic or Latino	10.6%
Native Hawaiian or Pacific Islander	0.0%
White	40.5%
Two or More Races	9.4%
Other	0.7%
Socioeconomically Disadvantaged	4.2%
English Learners	14.1%
Students with Disabilities	14.1%
Foster Youth	0.0%

Student Achievement

Physical Fitness

In the spring of each year, Guadalupe Elementary School is required by the state to administer a physical fitness test to all students in grade five. The physical fitness test measures each student's ability to complete fitness tasks in six major areas. Students who either meet or exceed the standards in all six fitness areas are considered to be in the "healthy fitness zone." The chart reported in this document reports only the percentage in each category, not a cumulative total of the results for categories 4 of 6 and 5 of 6. Comparative district and state results can be found at the CDE's website.

Physical Fitness Test 2018-2019 Percentage of Students Meeting California Fitness Standards			
Grade Tested	Number of Standards Met		
	Four of Six	Five of Six	Six of Six
5th	20.2%	26.0%	40.4%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Federal Intervention Program

The passage of the Every Student Succeeds Act (ESSA), reauthorizing the Elementary and Secondary Education Act (ESEA) in December 2015, is part of the Federal Title I funding program designed to support additional staffing and programs to meet the needs of low-income, low achieving students, and other designated students. Schools may apply, based upon their student demographics, for one of two types of Title I funding: Title I Schoolwide or Title I Targeted Assistance. Title I Schoolwide schools use federal funds for the schoolwide improvement of student achievement. Title I Targeted Assistance schools use federal funds to help those students who meet specific program criteria. In 2018-19, Guadalupe Elementary School did not participate in the Title I program and therefore was not required to comply with program mandates.

California Assessment of Student Performance and Progress

The California Assessment of Student Performance and Progress (CAASPP) System includes the Smarter Balanced Summative Assessments (SBAC) for students in the general education population, and the California Alternate Assessments (CAAs) for students with the most significant cognitive disabilities. CAASPP results are a measure of how well students are mastering California's standards in English language arts/literacy (ELA) and mathematics, and are given to grades three through eight. SBAC tests assess student performance in ELA/Literacy and mathematics utilizing computer-adaptive tests and performance tasks.

The CAASPP results shown in this report include overall results comparing the school, district, and state scores as well as the school's overall score in each applicable subgroup. Results are shown only for subgroups with ten students or more taking the exam. For those categories that are blank in the tables, no students met subgroup criteria. More information on CAASPP can be found on CDE's website www.cde.ca.gov/ta/tg/ca/.

CAASPP Test Results in ELA and Mathematics All Students

	Percentage of Students Meeting or Exceeding State Standards					
	GES		District		California	
	17-18	18-19	17-18	18-19	17-18	18-19
ELA (Grades 3-5)	82.28	80.80	79.28	78.29	49.88	50.87
Mathematics (Grades 3-5)	84.90	82.27	75.06	75.98	38.65	39.73

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in ELA by Student Group (2018-19)

Student Group	Total Enrollment	# Tested	% Tested	% Meeting or Exceeding Standards
All Students	284	276	97.18	80.80
Male	139	137	98.56	75.91
Female	145	139	95.86	85.61
Black or African American	--	--	--	--
American Indian or Alaskan Native	--	--	--	--
Asian	112	105	93.75	91.43
Filipino	--	--	--	--
Hispanic or Latino	23	23	100	47.83
Native Hawaiian or Pacific Islander	--	--	--	--
White	115	115	100	74.79
Two or More Races	26	25	96.15	92
Socioeconomically Disadvantaged	18	18	100	50
English Learners	19	12	63.16	33.33
Students with Disabilities	33	32	96.97	40.63
Foster Youth	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Test Results in Math by Student Group (2018-19)

Student Group	Total Enrollment	# Tested	% Tested	% Meeting or Exceeding Standards
All Students	284	282	99.3	82.27
Male	139	138	99.28	79.71
Female	145	144	99.31	84.72
Black or African American	--	--	--	--
American Indian or Alaskan Native	--	--	--	--
Asian	112	111	99.11	94.59
Filipino	--	--	--	--
Hispanic or Latino	23	23	100	30.43
Native Hawaiian or Pacific Islander	--	--	--	--
White	115	118	100	80
Two or More Races	26	25	96.15	84
Socioeconomically Disadvantaged	18	18	100	44.45
English Learners	19	18	94.74	66.66
Students with Disabilities	33	32	96.97	46.88
Foster Youth	--	--	--	--

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Test Results in Science All Students						
	Percentage of Students Scoring at Proficient or Advance (meeting or exceeding standards)					
	Guadalupe		District		California	
	14-15	15-16	14-15	15-16	14-15	15-16
Science (Grade 5)	91	100	89	90	56	54

Note: Data not available past the 2015-2016 school year. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018-19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016-17 and 2017-18) and the CAA for Science was field tested in 2018-19.

Note: Science test results include the CAST and the CAA for Science. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA for Science divided by the total number of students who participated in both assessments.

Local Control Accountability Plan (LCAP)

As part of the new Local Control Funding Formula, school districts are required to develop, adopt, and annually update a three-year Local Control and Accountability Plan (LCAP). The following components of this SARC address some of the priorities identified in the District's LCAP:

State Priority 1

Conditions of Learning (Basic Services)

The degree to which teachers are appropriately assigned and fully credentialed in the subject areas and for the pupils they are teaching; pupils have access to standards-aligned instructional materials and school facilities are maintained in good repair. Covered in Teacher Assignment, including the Teacher Credentials & Misassignments chart; Instructional Materials, including the Textbooks chart; and School Facilities & Maintenance, including the Campus Description and School Facility Good Repair Status charts.

State Priority 2

Conditions of Learning (Implementation of State Standards)

Implementation of academic content and performance standards adopted by the state board for all pupils. Not covered in the School Accountability Report Card.

State Priority 3

Parental Involvement

Efforts to seek parent input in decision making, promotion of parent participation in programs for unduplicated pupils and special need subgroups. Covered in Parent Involvement.

State Priority 4

Pupil Achievement

Performance on standardized tests, English learners that become English proficient and English learner reclassification rate. Covered in California Assessment of Student Performance and Progress, including the CAASPP charts.

State Priority 5

Engagement (Pupil Engagement)

School attendance rates, chronic absenteeism rates, and middle school dropout rates.

State Priority 6

School Climate

Pupil suspension rates, pupil expulsion rates, other local measures including surveys of pupils, and parents and teachers on the sense of safety and school connectedness. Covered in Discipline & Climate for Learning, including Suspension & Expulsion chart; and School Site Safety Plan.

State Priority 7

Conditions of Learning (Course Access)

Pupil enrollment in a broad course of study that includes all of the subject areas. Not covered in the School Accountability Report Card.

State Priority 8

Other Pupil Outcomes

Pupil outcomes in the subject areas. Covered in Physical Fitness, including the Physical Fitness Test chart.

Parent Involvement

Parents are encouraged to get involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making group, or attending school events.

Parents stay informed of upcoming events and school activities through the new electronic school marquee, the school website, School Messenger, Twitter, Home & School Club communications, and electronic communication. You can contact our Home & School Club through the main office at (408) 268-1030 for more information on how to become involved in your child's learning environment.

Opportunities to Volunteer

- Chaperone Field Trips
- Room Parent
- Art Vistas
- Ceramics
- Project Cornerstone Parents
- Lunch Bunch
- Community Building Fundraising Events
- School Garden
- Clerical Assistance

Committees

- School Site Council
- District English Learner Advisory Committee
- Home & School Club
- Parent Leadership Council

School Activities

- Movie Night
- Winterfest (Family Reading Night)
- Book Fair
- Walk-A-Thon
- Silent Auction
- Harvest Festival
- STEAM Night

School Facilities & Maintenance

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Guadalupe Elementary School's original facilities were built in the 1960s; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed on time. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority.

Most of our schools were constructed in the 50s through the mid-60s, but starting in 2001 a program to upgrade all facilities was

undertaken. The financing was made possible by the passage of Measure C bonds in 1999 by an 80% vote of the community and matching State funds. New media centers were constructed at each elementary site and new gymnasiums, locker rooms, and music rooms at the middle schools. All of the district's schools were completely modernized by spring 2006. Modernization included installing air conditioning, new lighting fixtures, new cabinets and teaching walls, new doors and hardware, and new cafeteria tables. It also included new finishes (ceiling tiles, wall coverings, carpeting, and flooring), upgrading the electrical system and restrooms with new fixtures and toilet partitions, replacing roofing and louvered windows, remodeling the administration wing, creating a new teachers' lounge and workroom, reconfiguring the parking lot with new drop-off zones, and additional parking at some sites along with ramps for the disabled.

On June 3, 2014, voters passed Measure J for needed school repairs, upgrades, and new construction. Through Measure J, Guadalupe has received new fencing around the perimeter of the school, an enhanced safety entryway and a new Makerspace that focuses on STEAM (Science, Technology, Engineering, Arts, Math).

Every morning before school begins, the custodian inspects facilities for safety hazards or other conditions that need attention before students and staff enter school grounds. One day custodian and one evening custodian are assigned to Guadalupe Elementary School.

The day custodian is responsible for:

- Lunch area setup and cleanup
- Groundskeeping
- Restroom cleaning
- General maintenance

Restrooms are checked throughout the day for cleanliness and subsequently cleaned as needed.

The evening custodian is responsible for:

- Classroom cleaning
- Office area cleaning
- Restroom cleaning

The principal communicates with custodial staff daily concerning maintenance and school safety issues.

Campus Description	
Year Built	1960s
Acreage	10.68
Square Footage	28,799
Quantity	
Permanent Classrooms	18
Portable Classrooms	6
Restrooms (sets)	3
Multipurpose Room/Cafeteria	1
Outdoor Covered Patio	1
Library/Media Center	1
Makerspace (STEAM)	1
Staff Lounge	1
Staff Workroom	1

Facilities Inspection

The district's maintenance department inspects Guadalupe Elementary School on an annual basis under Education Code §17592.72(c)(1). Guadalupe Elementary School uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection was completed on Monday, September 23, 2019. Deficiencies noted in the school inspection survey were addressed by the district's maintenance department. During the fiscal year 2018-19, all restrooms were fully functional and available for student use at the time of the inspection.

School Facility Good Repair Status Most Recent Inspection: September 2019			
Item Inspected	Repair Status		
	Good	Fair	Poor
A. Systems	X		
B. Interior			X
C. Cleanliness	X		
D. Electrical	X		
E. Restrooms/Fountains	X		
F. Safety	X

H. External	X		

Repair Needed and Action Taken or Planned	
Item	Comment
B - Interior	Library, Staff room, and rooms A1, A3, A4, B2, B8, D1, D4, D5, D6, K1, K2 have damaged or worn carpet D2 floor tiles are missing or damaged

Overall Summary of School Facility Good Repair Status			
Exemplary	Good	Fair	Poor
	X		

Rating Description:

Good: The school is maintained in good repair with a number of non-critical deficiencies noted. These deficiencies are isolated, and/or result from minor wear and tear, and/or are in the process of being mitigated.

Campus Supervision

School administration and teaching staff place a high priority on providing adequate adult supervision on campus before, during, and after school. As students arrive on campus each morning, teachers and the safety patrol are strategically assigned to designated entrance areas and the playground. During recess, teachers and support staff supervise playground activities. The principal and noon supervisors monitor lunchtime activity in the cafeteria and on the playground. At the end of the day when students are dismissed, the principal, teachers, and the safety patrol monitor student behavior to ensure a safe and orderly departure.

Guadalupe Elementary School is a closed campus. During school hours, all visitors must sign in at the school's office and wear identification badges while on school grounds.

School Site Safety Plan

The Comprehensive School Site Safety Plan was developed for Guadalupe Elementary School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most recent school safety plan was reviewed and updated in October 2019, and approved by School Site Council in November 2019. Staff responsibilities and safety plan updates were discussed with staff in November 2019.

Classroom Environment

Discipline & Climate for Learning

Guadalupe Elementary School's discipline policies are based upon positive behavior management programs designed to promote responsibility, respect, and safety as well as minimize classroom disruptions. Teachers identify and explain behavior expectations to their students and discuss consequences for poor or disruptive behavior in the classroom. Guadalupe Elementary School employs a progressive approach in managing students who make poor choices in behavior, do not follow school rules, or are disruptive in the classroom.

Suspensions & Expulsions			
	16-17	17-18	18-19

Class Size

The Average Class Size and Class Size Distribution table in this report illustrates the distribution of class sizes by grade level, the average class size, and the number of classes that contain 1-20 students, 21-32 students, and 33 or more students. Calculations exclude classrooms of 50 or more students.

Average Class Size and Class Size Distribution				
Grade	2017-2018			
	Average Class Size	Number of Classes*		
		1-20	21-32	33+
K	20.0	1	4	
1	22.0	1	4	
2	20.0	4		
3	24.0		4	
4	27.0		3	
5	30.0		4	

*Number of classes indicates how many classes fall into each size category (a range of total students per classroom).

***"Other" category is for multi-grade level classes.

Average Class Size and Class Size Distribution				
Grade	2018-2019			
	Average Class Size	Number of Classes*		
		1-20	21-32	33+

4	25.0		3	
5	26.0		3	
Other**	9.0	1		

*Number of classes indicates how many classes fall into each size category (a range of total students per classroom).

***"Other" category is for multi-grade level classes.

Curriculum & Instruction

Staff Development

All training and curriculum development activities at Guadalupe Elementary School revolve around the California State Content Standards and Frameworks. During the 2018-19 and current school years, Guadalupe Elementary School held staff development devoted to:

- Piloting the FOSS science curriculum
- Implementation of Notice and Note language arts strategies
- Implementation of Guided Reading and Writers Workshop
- Implementation of the "Eduprotocols" teaching frameworks
- Positive Discipline
- Incorporating STEAM strategies into the curriculum
- Shelter in Place Training
- ICS (Incident Command System) Training
- Sexual Harassment Training & Mandated Reporter Training

Average Class Size and Class Size Distribution				
Grade	2016-2017			
	Average Class Size	Number of Classes*		
		1-20	21-32	33+
K	21.0	1	4	
1	24.0		3	
2	20.0	1	4	
3	24.0		4	
4	27.0		3	
5	31.0		3	1

*Number of classes indicates how many classes fall into each size category (a range of total students per classroom).

***"Other" category is for multi-grade level classes.

Decisions regarding the selection of staff development activities are made to enhance classroom instruction and increase student achievement levels. Guadalupe Elementary School supports ongoing professional growth throughout the year on minimum days. Teachers meet in grade-level teams to focus on Common Core Standards implementation, grade level planning, and differentiation to meet the varying needs of students. Teaching staff is also provided the opportunity to participate in district-sponsored staff development workshops or training sessions such as 1) a supplement to site-based staff development, 2) reinforcement of or follow up on previous training, or 3) follow-up training for newly implemented programs/curricula.

During the 2018-19 and current school years, Guadalupe Elementary School's teachers attended the following events hosted by the Union Elementary School District on districtwide staff development days:

- Content Specific Instructional Strategies
- Technology
- Behavioral and Social Emotional Learning Strategies
- STEAM (Science, Technology, Engineering, Arts, Math)
- English Language Development

Guadalupe Elementary School's teachers also have the opportunity to participate in district offered supplemental training and workshops offered throughout the year, including:

- Online courses through various institutes and programs offered by the Santa Clara County Office of Education, and through Union BELL
- Union University sessions on topics including technology integration and that are content specific
- Consultant- provided professional development on content specific strategies such as guided reading, Eduprotocols, and Writing Workshop
- Technology leadership program

Guadalupe Elementary School offers support to new and veteran teachers through peer coaching and mentoring. Instructional aides are provided with targeted training focused on teaching strategies and curriculum content. Substitute teachers are invited to participate in designated staff development activities. All staff are encouraged to attend professional workshops and conferences. Classified support staff receives job-related training from department supervisors and district representatives.

Instructional Materials

California requires that core curriculum align to the California Content Standards and Frameworks. All of our instructional materials align with the California Content Standards and Frameworks through a combination of core and supplemental materials.

On Monday, September 9, 2019, Union Elementary School District's Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution No. 19-20-04 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, and (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts.

In addition to core subject areas, districts are required to disclose in their SARCs the sufficiency of instructional materials used for their visual/performing arts and health curricula. During the 2019-20 school year, Union Elementary School District provided each student, including English learners, enrolled in a visual/performing arts class or receiving health instruction with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

Professional Staff

Counseling & Support Staff

Guadalupe Elementary School employs professional, highly qualified staff that provide additional services and support centered on the whole student academically, physically, and mentally. The Counseling and Support Services table in this report illustrates the availability of non-instructional support staff to Guadalupe Elementary School students. Full-time equivalent (FTE) is a standard measurement used to identify an employee's regular workload every week. For example, an FTE of 1.0 designates a full-time position and the employee is on campus and available all day every day of the week; an FTE of 0.5 indicates that the staff member is available and on campus a portion (50%) of the week.

Counselors & Support Staff 2018-2019		
Title	Number of Staff	FTE
Academic Counselor	0	0
Counselor (employee)	1	0.5
Health Clerk	1	0.75
Library Media Assistant	1	0.75
Nurse	1	*
Psychologist	1	1
Speech/Language/ Hearing Specialist	3	0.5

*As needed

Note: One Full Time Employee (FTE) equals one staff member working full time, or two staff members who each work 50% of full time.

Teacher Assignments

During the 2018-19 school year, Guadalupe Elementary School had 32 teachers who met all credential requirements under state guidelines. The chart below identifies the number of teachers at both the school and district who are 1) fully credentialed; 2) without full credentials; 3) teaching outside subject area of competence; 4) misassignments for English learners; 5) total teacher misassignments; and 6) vacant teacher positions. The term "misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

Teacher Credentials and Assignments				
Teachers	Guadalupe			UESD
	17-18	18-19	19-20	19-20
Total	31	32	33	317
With Full Credential	31	32	33	317
Without Full Credential	0	0	0	0
Teaching Outside of Subject Area Competence (with full credential)	0	0	0	0
Misassignments of Teachers of English Learners	0	0	0	0
Total Teacher Misassignments*	0	0	0	0

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

District Expenditures

Salary & Budget Comparison

State law requires comparative salary and budget information to be reported to the general public. For comparison purposes, the State Department of Education has provided average salary data from school districts having similar average daily attendance throughout the state.

Teacher and Administrative Salaries 2017-2018		
Category	UESD	State Average for Districts in Same Category
Beginning Teacher Salary	\$61,451	\$45,741
Mid-Range Teacher Salary	\$83,188	\$81,840
Highest Teacher Salary	\$107,123	\$102,065
Average Principal Salary (Elementary)	\$145,842	\$129,221
Average Principal Salary (Middle)	\$165,154	\$132,874
Superintendent Salary	\$254,414	\$224,581
% of Budget for Teacher Salaries	39%	36.0%
% of Budget for Administrative Salaries	5.0%	5.0%

For detailed information on salaries, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Expenditures Per Student

The table in this report 1) compares the school's per-pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the district and throughout the state, and 2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding salaries can be found at the CDE website at www.cde.ca.gov/ds/fd/ec/ and www.cde.ca.gov/ds/fd/cs/. (The figures shown in the table below reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)

In addition to general fund state funding, Union Elementary School District receives state and federal categorical funding for special programs. For the 2018-19 school year, the district received categorical, special education, and support programs funds for:

- Class Size Reduction, Grades K-3
- Education Protection Account
- Lottery: Unrestricted and Instructional Materials
- Medi-Cal Billing Option
- Locally Defined: Home & School Club and Miscellaneous Site
- Special Education
- Mandated Cost Block Grant/One-Time Funds
- Title I
- Title II
- Title III

SARC Data

DataQuest

DataQuest is an online data tool located at <http://dq.cde.ca.gov/dataquest/> that contains additional information about Guadalupe Elementary School and comparisons of the school to the district, the county, and the state. DataQuest provides reports for school accountability, including but not limited to, CAASPP results, Physical Fitness results, Suspensions and Expulsions, Dropout & Graduation Rates, enrollment, and staffing statistics.

Public Internet Access Location

Parents may view a hard copy of Guadalupe Elementary School's SARC and access the internet in the main office of the school. The internet can also be accessed at any of the county's public libraries. The closest public library to Guadalupe Elementary School is Vineland Branch Library, a branch of San Jose Public Library.

Address: 14500 Blossom Hill Road, San Jose

Phone Number: (408) 808-3029
