School Accountability Report Card

Reported Using Data from the 2018-19 School Year

Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2019-20)

The mission of Lakeview Elementary is to inspire all students to be passionate, continuous learners and to prepare them with the skills to achieve their goals and flourish as responsible, caring citizens in a global community.

Lakeview Elementary School received the California Distinguished School Award in 2018. Our beautiful school sits atop a hill in the midst of a newly developed subdivision overlooking views of the surrounding hills, attractive neighborhoods, and Folsom Reservoir. The campus was opened in August 2005 and is one of seven schools in Rescue Union School District. Located 28 miles east of Sacramento in the foothills of the Sierra Mountains, Lakeview serves a student body of approximately 570 students in grades Transitional Kindergarten through fifth grade. The enrollment continues to grow as our reputation for offering excellence in education travels throughout the community, prompting new families to relocate to nearby neighborhoods. Lakeview is a place where our school motto, "Soaring to Success," is a true reflection of what is taking place each and every day.

Lakeview Elementary School prides itself on a positive school climate and a commitment to ensuring success for all students. Social Emotional Learning is a priority for our school and our District. The curriculum is challenging and encompasses varied teaching strategies to best meet the needs of all learners. The curriculum and instruction are differentiated for both gifted students and those students with special needs. Under the guidance of dedicated staff members, students acquire high levels of knowledge, skills, and understanding that will open doors of opportunity and prepare them for thought and action in the wider world. Each student is known as a person and a learner who experiences the joys and challenges education brings. Further, we strive to ensure all children develop the skills, attitudes, and behaviors necessary to become principled, ethical citizens who are contributing members of society.

Twenty-seven teachers work to support our wonderful Lakeview student body, alongside two secretaries, one librarian, three custodians, two nurses, two part-time counselors, one school psychologist, two Special Education teachers, 14 instructional aides, one speech/language pathologist and one principal. Our librarian is available eight hours a day, each school day. A District nurse is on campus one day each week, while our site nurse assists with medical and health related issues daily. Our psychologist is on site two days each week. Our counselors serve Lakeview students three days each week. Our speech/language pathologist offers services to students five days per week. Our Special Education teachers are on site daily with seven full-time aides to serve those students with identified learning disabilities. Our support program serves students, using both the pull-out and push-in models to meet their individual needs in the least restrictive environment. Our all-day kindergarten program offers one two hour aide for each class. Our Learning Intervention Program provides three specialized instructional aides to support those in need of intervention. Our English Learner aide supports EL students three days each week, as well.

Leadership opportunities are provided to all 4th and 5th grade students through our IMPACT student government program. Currently, 70 students learn and practice leadership skills while working on interest-based service teams. Our school is engaged in year two of the Positive Behavior Support Intervention (PBIS) training and planning. This process of refining procedures and expectations will further enhance our positive learning environment. The Student Success Team (SST) approach is utilized to evaluate assistance to children needing additional support. The Student Success Team, which consists of the parents, teachers, counselor, psychologist, nurse, teachers, and administrator, meets as needed to develop educational assistance plans for children who have been referred by their teacher or parents.

Differentiated opportunities for gifted students are provided as an integrated part of the school day. Classes are offered to provide extensions and enrichment for all students before/after school. All Lakeview classroom teachers are certified in GLAD (Guided Language Assessment & Development) to allow all students access to even more research based language-rich instructional strategies. K-3 teachers have been trained in SIPPS phonics and sight words research-based instruction. Through SIPPS, all K-3 students receive strong, leveled instruction in reading foundation skills.

The School Plan for Student Achievement will continue to support three reading intervention aides, additional curriculum materials (including, SIPPS - Systematic Instruction in Phonological Awareness, Phonics and Sight Words), in grades K-3, to offer students strong, leveled, research-based phonics, and educational opportunities to support and enhance student achievement. Lakeview Elementary School community is proud of the accomplishments achieved at our school.

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)	78	80	66	65	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2019-20)

Parents are viewed as valued partners in their children's education. At Lakeview, this partnership is strongly advocated! Parent volunteers are both encouraged and welcomed on a regular basis. Parent input and contributions to our learning community are an integral part of our decision-making process. The Lakeview School Site Council (SSC) and Parent Teacher Organization (PTO) are two groups that encourage community involvement. The PTO organizes wonderful events and fundraisers, designed to offer financial support and bring families together in a positive, child-centered, social setting. Math, science, physical education, technology, language arts, and after school enrichment opportunities have been the focus of our PTO during the school year and will continue for the 2019-20 school year. The SSC develops Lakeview's School Plan for Student Achievement and works with the school staff, PTO, and community to set yearly goals and objectives in reading/language arts, math/science and health, wellness, citizenship, and fitness. The PTO supports our annual goals by donating funds to help supplement the cost of programs and resources.

School Safety Plan (School Year 2019-20)

Important to each staff member at Lakeview School, is the climate we create through warm, positive, and uplifting interactions on a daily basis. We have established operating principles that serve as foundation for our attitudes and behavior. We believe happy teachers (and staff) foster happy children. Programs are in place to recognize positive choices and reinforce our expectations for appropriate behavior. A discipline program is in place that emphasizes the importance of learning from our mistakes and taking responsibility for our actions.

Lakeview's Safe School Plan includes goals and objectives relative to school climate and the safety of the physical environment. Our Safety Committee (a sub-committee of School Site Council) meets to offer input for our annual Safe School Plan updates. Safety information is shared and input is requested from our parent community, SSC and PTO.

For the safety of our students, monthly drills are conducted to practice safe evacuations, duck and cover procedures and lockdown procedures. The El Dorado Hills Fire Department assists with some drills. An emergency preparedness plan is in effect. Campus supervision is provided according to policies established by the District Board of Trustees. All efforts to ensure building safety, cleanliness, and adequacy have been successful.

Students in fifth grade serve as Safety Patrol Officers. They accompany adult staff members in monitoring the campus for safety before and after school.

We currently have two full-time custodians and one part-time custodian who work diligently to keep the school in “tip top” shape. To maintain the beauty of our facilities and grounds, custodians work to ensure cleanliness, both inside our rooms and throughout our campus.

Our school-wide character program promotes positive character traits such as respect, caring, responsibility, trustworthiness, fairness, and good citizenship. Teachers work to promote the monthly character trait and teach students how to exhibit positive behavior.

The three personal standards, Show Respect, Make Good Decisions and Solve Problems are taught to all students. Eagle Manners are taught and encouraged, as well. A school-wide quiet signal is practiced daily and used for safety and procedures. Grade level expectations assemblies (SOAR assemblies) are held throughout the year, where students are also recognized for positive behavior. Anti-bullying lessons, as well as social-emotional lessons are delivered to all classes by our counselors.

Year 2 of Positive Behavioral Intervention Support (PBIS) is being implemented this year to further enhance student understanding and staff consistency of our school procedures and expectations.

Our 4th and 5th grade student leadership group, IMPACT, works to provide school service and community service, while learning and practicing leadership skills.

Types of Services Funded (Fiscal Year 2018-19)

All Rescue schools receive equal allocations, per student, of LCFF Base Funding. This funding helps support students by providing instructional materials, supplies and other needs. Funding for support services, such as maintenance of buildings and grounds, utilities, and student transportation, is budgeted for at the district level and provided to each school site based on the varying needs of the individual school.

In addition to the Base Funding described above, schools in the Rescue Union School District receive Supplemental funding roughly proportional to the number of unduplicated pupils (English Learners, Socioeconomically Disadvantaged, and Foster/Homeless Youth) they serve. Furthermore, school sites receive allocations from other state and federal categorical programs, including Title I and Title II. The purpose of these categorical programs range from improving the quality of the total instructional program for all students to addressing the unique needs of special groups of students.

Professional Development (Most Recent Three Years)

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement			

Early Release Professional Development/Teacher Collaboration days are scheduled every Wednesday throughout the school year. During these meetings, teachers work to analyze assessment data and target key standards. In addition, they plan, develop and improve effective instructional strategies. Staff development related to instructional practices, adopted curriculum, technology, and other educationally related matters are provided for all teachers.

Teachers receive professional development and will work collaboratively on a regular, ongoing basis to target key standards, analyze formative assessment data and develop effective instructional practices.

All Lakeview teachers are certified in GLAD (Guided Language Acquisition Design) and receive follow-up coaching/training each year.

K-3 teachers were trained in SIPPS (Systematic Instruction of Phonological Awareness, Phonics and Sight Words) this fall, by trainers from the El Dorado County Office of Education, allowing all K-3 Lakeview students to receive critical phonics/sight word instruction at their assessed level.

All 3-5 grade teachers are released one half day, yearly, to meet and plan with the principal. The intent of this time is to analyze their quality instruction, consistency, pacing for SBAC, differentiation of instruction and parent communication strategies.

Five minimum days are scheduled for parent conferences and three minimum days are scheduled for report card preparation.
