### Mission Statement

All Laguna Vista Elementary School students will participate in a high-quality, standards-based educational program that develops the total child and fosters a life-long love of learning for successful futures built with knowledge, enthusiasm, and pride.

### Principal's Message

As principal, I have the privilege of introducing you to the annual School Accountability Report Card for Laguna Vista Elementary School. Laguna Vista was named a 2015 California Distinguished School. Our school serves Preschool and Transitional Kindergarten through fifth-grade students. This report provides parents with information about the school's instructional programs, student support services, academic achievement, materials, facilities, and the staff. Information about the Ocean View School District is also provided.

Parents play an important role in the school. Knowledge of the school's educational program, student achievement, and curriculum development can assist both school and parents in ongoing program improvement. We have made a commitment to provide the best educational program possible for our students. Our excellent staff is dedicated to ensuring that Laguna Vista Elementary School is a welcoming, stimulating environment where students are actively involved in meeting academic standards and developing positive citizenship values.

### School Profile

Centrally located between Santa Barbara and Los Angeles, the city of Oxnard is home to the Laguna Vista Elementary School community. Laguna Vista Elementary School is part of the Ocean View School District, which serves the unincorporated area of Ventura County from the Los Angeles County line to Port Hueneme, and from the southeastern portion of Oxnard to the Point Mugu Naval Air Station.

The Ocean View School District, covering 80 square miles, includes three elementary schools, one junior high school, and one early education school. The district was established in 1870, making it one of the oldest in Ventura County. Laguna Vista Elementary School serves students in Preschool and Transitional Kindergarten through grade five who proudly call themselves the Sea Lions. Student body demographics are illustrated in the chart.

### Types of Services Funded

In addition to the general state funding as generated by the Local Control Funding Formula (LCFF), Ocean View School District receives federal funding for categorical programs. The district received federal aid for the following support programs:

- Special Education
- Title I

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

\* Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

\*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

### Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

The school district held a public hearing on September 10, 2019 and confirmed that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption.

The table displays information collected in September 2019 about the quality, currency, and availability of the standard-aligned textbooks and other instructional materials at the school.

### School Facility Conditions and Planned Improvements (Most Recent Year)

Laguna Vista Elementary School provides a safe, clean environment for students, staff, and volunteers. The school is situated on 11 acres. School facilities were built in 1962. They span 40,400 square feet, and include 25 permanent classrooms, a library/media center, grassy play fields, a blacktop playground, administrative offices, restrooms, and storage rooms. Every classroom is equipped with computers and iPads for teacher and student use. The facility strongly supports teaching and learning through its ample classroom and playground space, and a staff resource room. The chart displays the results of the most recent school facilities inspection information.

### Cleaning Process

Laguna Vista Elementary School provides a safe and clean environment for students, staff, and volunteers. The district governing board has adopted cleaning standards for all schools in the district. Basic cleaning operations are performed on a daily basis throughout the school year with emphasis on classrooms and restrooms. A joint effort between students and staff helps keep the campus clean and litter-free. The principal works daily with three custodians to develop sanitation schedules that ensure a clean, safe, and functional learning environment.

### Maintenance and Repair

A scheduled maintenance program is administered by the district to ensure that all classrooms and facilities are well-maintained and provide a suitable learning environment. At the time this report was published, 100% of restrooms on campus were in good working order. Graffiti is removed immediately and damage to school property repaired prior to the arrival of students whenever possible. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

### Deferred Maintenance Budget

The district participates in the State School Deferred Maintenance Program, which provides matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically this includes roofing, plumbing, heating, electrical systems, interior or exterior painting, and floor systems. For the 2018-2019 school year, the district allocated \$500,000 in funds for the deferred maintenance program.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

### CAASPP Test Results in ELA and Mathematics for All Students Grades Three through Eight and Grade Eleven

#### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 17-18	School 18-19	District 17-18	District 18-19	State 17-18	State 18-19
ELA	31	27	30	27	50	50
Math	22	24	18	17	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

### CAASPP Test Results in Science for All Students

#### Grades Five, Eight, and Ten

Science	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018-19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

### 2018-19 Percent of Students Meeting Fitness Standards

Grade Level	4 of 6	5 of 6	6 of 6
5	16.0	21.3	20.0

Note: Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The achievement level percentages are calculated using only students who received scores.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

### Opportunities for Parental Involvement (School Year 2019-20)

Parents and the community are supportive of the education program at Laguna Vista Elementary School. The Parent Teacher Club (PTC) works to build family involvement and a strong sense of community and raises funds which support numerous programs and activities including musical and cultural assemblies, augmenting the school's technology resources, supporting the school's instructional program, and extending library services. Parent volunteers are welcome in all classrooms.

Through partnerships with the U.S. Navy and Cal State University Channel Islands, Navy and college volunteers assist teachers in the classroom and provide additional help to students in reading and mathematics. Fleet and Family Services of Naval Base Ventura County holds sessions of Military Kids Club at Laguna Vista Elementary School for students in first through fifth grade. The club helps students with topics unique to military families such as deployment and frequent moves. Family Focus also holds classes each trimester for military connected students to help them build resiliency skills.

### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### School Safety Plan

Parents and community members are welcomed to the school. We ask that anyone wishing to be on campus during school hours notify staff ahead of time. Laguna Vista Elementary School is a closed campus.

All visitors must sign in at the office and wear identification badges while on school grounds. During lunch, breaks, and before and after school teachers, instructional aides and duty assistants monitor the campus to ensure student safety.

The state requires all schools to develop a School Safety Plan. Components of the School Safety Plan include the following: child abuse reporting procedures; teacher notification of dangerous pupils procedures; disaster response procedures; procedures for safe entering to, and exiting from, school; sexual harassment policy; suspensions and expulsion policies; crime assessment; dress code; and safe schools policy.

The School Site Safety Plan is updated annually. The plan makes provision for dealing with a wide variety of emergency situations. The plan was designed to assist in preparing for emergencies, managing emergency response efforts, and maintaining a safe school environment. The plan is updated and reviewed with school staff annually in August.

### Professional Development provided for Teachers

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement			

At Ocean View School District, a plan for professional development is instituted each year. For the last eight school years, the district offered three staff development days outside of the student calendar. Topics for staff development included common core instruction training for all teachers focused on using text evidence and rigor in instruction, technology training in the use of iPads in the classroom, inclusive practices, digital student presentation tools, and training in implementing the 21st century skills of collaboration, critical thinking, communication and creativity. Additional support and training was provided in the area of the Arts, Physical Education and Dual Language Instruction. Ongoing staff development is delivered at every school site.
