Principal's Message

Rancho Rosal is an exemplary school made possible by a dedicated team of parents, teachers, staff, and students. Our school is an example of excellence in education. Teachers work together in Professional Learning Communities (PLC) to provide a quality educational program where students learn at high levels. Instruction is differentiated so that every student has the opportunity to reach his or her full potential. "Building a 21st Century School for a 21st Century Student" is a central idea at Rancho Rosal. Beyond academics, students also learn the importance of being responsible and caring people who lead with integrity. We focus on creating a positive school culture that addresses students' social-emotional well being with a school-wide positive behavior plan, social-emotional curriculum, and a focus on student leadership. We build on the concepts of respect, responsibility, and cooperation. Like our mascot, the stallion, our school represents pride and strength. Our students are challenged daily to master academic standards, be creative thinkers, problem solvers, communicators, caring individuals, and lifelong learners. Mastery is measured by ongoing and recurring authentic and standards-based assessments. Working as a Professional Learning Community, student achievement will be supported by research-based instructional strategies.

Rancho Rosal Mission Statement

At Rancho Rosal Elementary we empower our students to learn at high levels, lead with integrity, and grow to their potential.

School Profile

Pleasant Valley School District consists of eleven schools serving grades transitional kindergarten through eight. Rancho Rosal Elementary is the district's newest elementary school, opening its doors in January 2007. During 2018-19, 611 Transitional kindergarten through fifth-grade students were enrolled at the school, with classes arranged on a traditional schedule calendar. The student body demographics are 50% white, 36 % Latino, 5% Asian, 3% black/African American. Our English Language Learners represent 10% of the student population. Socioeconomically disadvantaged students represent 28% of the student population. Rancho Rosal's special education program includes RSP and SDC making up 16% of the student population. Rancho Rosal receives tremendous support from our very active Parent/Teacher Association and local community business leaders.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

Instructional Materials (School Year 2019-20)

The school district held a public hearing on October 17, 2019, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home.

Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption.

School Facility Conditions and Planned Improvements (Most Recent Year)

School Facilities

Rancho Rosal Elementary was originally constructed in 2006 and is comprised of 21 permanent classrooms, 12 portable classrooms, one multipurpose room, a library, a Maker Space, a staff lounge, a computer lab, and two playgrounds.

Cleaning Process

One full-time and two part-time custodians ensure that the cleaning of the school is maintained to provide for a clean and safe school.

Maintenance and Repair

District maintenance staff ensure that the repairs necessary to keep the school in good repair, and works orders are completed in a timely manner. A work order process is used to ensure efficient service and highest priority is given to emergency repairs.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 17-18	School 18-19	District 17-18	District 18-19	State 17-18	State 18-19
ELA	61	62	62	64	50	50
Math	55	54	49	51	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)

Parent Involvement

Rancho Rosal Elementary greatly benefits from its supportive parents who volunteer in classrooms and participate on the School Site Council and English Learner Advisory Committee. Our Parent Teacher Association supports the school through fundraising and volunteerism, providing a wide range of enrichment for our students such as P.E., art, technology and field trips. The School Site Council and English Learner Advisory Committee help inform decisions about school budgets and programs.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

The Safety of students and staff is a primary concern of Rancho Rosal Elementary. The school is always in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The School Site Safety plan is reviewed and updated in the fall of each year by the School Safety Committee. All revisions are communicated to both the classified and certificated staff annually during fall and spring. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire and disaster drills are conducted on a regular basis throughout the school year. Lockdown drills are held as needed. Students are supervised by Campus Supervisors during lunch and recess, and teachers before and after school. There is a designated area for student drop off and pick up. Visitors must sign in at the office and receive a badge; unauthorized visitors are not permitted on campus.

Professional Development provided for Teachers

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	3	3	3

Staff Development

As part of the cycle of continuous improvement, opportunities for training and staff development are provided at both the district and individual school sites to administrators, teachers, and classified staff. Professional development is ongoing and based on teacher surveys, principal observation, and on examining ways to best support the planning, instruction, and assessment of Common Core State Standards and adopted curricula. The district offers professional growth opportunities in curriculum, teaching strategies, and methodologies. Teachers are also provided with time to assess student achievement and work collaboratively to design instruction that is aligned to California State Standards utilizing adopted curricula. The district offered three or more staff development days a year for the past three years.

Types of Services Funded

Students at Rancho Rosal receive Primary Hour reading intervention Monday-Wednesday for one hour each trimester. Math intervention is offered for students not mastering grade level standards for 2nd through 5th grade. Students are identified by teachers based on assessment data collected and analyzed through Professional Learning Communities (PLC).

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
