School Description

School Description

Sierra Elementary School is one of sixteen schools in the Rocklin Unified School District. Sierra is the only elementary school in the district offering the International Baccalaureate Primary Years Programme, and is one of only three authorized IB/PYP schools in Northern California. Sierra Elementary serves students in kindergarten through sixth grade, with an enrollment of approximately 500. The school is located in the center of a dynamic and supportive community which expresses its values toward education through a high level of participation. Sierra Elementary School opened in 2001.

The staff of Sierra Elementary School provides an exemplary learning environment. Academic learning through the IB instructional philosophy of inquiry-based learning is the focus of the school. Commendably, the staff operates on the principle that a caring environment which fosters self-worth and individual development is the best road toward realizing such learning. The students are able to approach all facets of their learning with confidence and the assurance that this school is their home. The IB Learner Profile characteristics for behavior and learning are realized internally, leading to self-directedness and initiative. Finally, the staff welcomes the direct involvement of the community in these efforts. At Sierra Elementary School, parents and staff together are dedicated to creating a safe and orderly learning environment in which students interact positively with others and are able to develop responsibility, confidence, and self-worth while achieving their highest academic potential grounded in skills for success in the 21st century.

Parents play an important role in Sierra Elementary School through active participation and involvement in School Site Council and PTC. They share information with classes about professional lives, teach special skills, work on school and playground improvements, conduct fundraisers, and make donations. Over 200 parents and community members regularly volunteer their services in our classrooms. Sierra Elementary School has become a focal point and center for students and the community.

Mission Statement

The highest aspiration of Sierra Elementary, an International Baccalaureate World School, is to ensure that all young people are inspired to become confident, life-long learners who thrive intellectually and are globally-minded, compassionate, and balanced. Sierra is distinguished by:

- Academic rigor through guided inquiry instruction,
- Relevant and diverse learning opportunities, and
- A nurturing and supportive environment in collaboration with parents and community.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

School Facility Conditions and Planned Improvements (Most Recent Year)

Sierra Elementary School is a beautiful facility built in 2001. It is aesthetically pleasing as well as being an excellent environment for student learning. It is a school of which students, staff, and parents can be proud.

Sierra has a comprehensive safety and crisis intervention plan. District wide safety inspections are done on an ongoing basis throughout the year. The school grounds are closely monitored by staff before and after school as well as the school day. The Rocklin Unified School District policy for registration of visitors is strictly adhered to with all visitors signing in before they are allowed to visit the campus. Members of our community use our facilities every afternoon and evening.

The district takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. District maintenance ensures that the repairs necessary to keep the school sites in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 17-18	School 18-19	District 17-18	District 18-19	State 17-18	State 18-19
ELA	75	73	71	72	50	50
Math	62	64	63	63	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Cells with N/A values do not require data.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018-19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)

Parental involvement is available through our school's Parent Teacher Club and School Site Council, which have regular meetings and many opportunities to assist students and staff. A very involved Art Docent and Garden Docent program is in place with parents and community members serving the needs of our students. Parents are also encouraged to participate in the classroom and on class field trips. Contact the school office or classroom teacher for more information: (916) 788-7141.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

All schools in the Rocklin Unified School District have a Comprehensive School Safety Plan approved by the School Site Council. It includes an assessment of the current status of school crime, procedures to notify teachers of dangerous pupils, disaster procedures, child abuse reporting procedures, rules and procedures on school discipline, school wide dress code, policies regarding actions which would lead to suspension/expulsion, sexual harassment policy, procedures for the safe ingress and egress of pupils, and other school safety strategies and programs. It also includes an action plan for implementation of the plan. Date of last review/update: February 2019. Date last reviewed with staff: September 2019.

Types of Services Funded

Special Education, LCAP Supplemental, Title I, transportation, instructional materials, staff development, intervention classes, core K-12 classes, Gifted and Talented Education (GATE) & Career Technical Education (CTE).

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
