**Principal:** Jennifer Wilbanks

**Phone:** 916-681-1390

**Grade Span:** K-6

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

**DataQuest**

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

**Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### School Description and Mission Statement (School Year 2019 - 2020)

Welcome to Roy Herburger Elementary School – a California Honor Roll School! Here at Roy Herburger Elementary, our mission is to ensure high levels of learning for each student. Through mutual respect and purposeful communication, our children will grow and learn in a positive atmosphere where staff, students, and parents within our school community are enthusiastic about the teaching and learning process. Each day at Roy Herburger, students find a rich, culturally diverse environment and a dedicated and experienced staff focused on rigorous, engaging standards-based instruction in all subject areas.

Roy Herburger Elementary offers both academic enrichment and extra-curricular programs for students. Our campus is home to a beautiful school garden that doubles as an outdoor classroom, teaching students about food and nutrition and giving students hands-on experience with gardening and composting. Students are recognized for outstanding citizenship and academic achievement throughout the year, and students have opportunities to participate in GATE (Gifted and Talented Education) programs. We offer tutoring programs and after school enrichment opportunities like violin and band classes, and basketball, volleyball, and track.

Community and family involvement is the key to our success here at Roy Herburger Elementary. A strong Positive Behavioral Intervention and Support (PBIS) program is the backbone of our school, with amazing support from our parent volunteers and our Watch D.O.G.S. (Dads of Great Students) program. The Roy Herburger Parent Faculty Organization (PFO) organizes fundraisers and family events to strengthen the feeling of community, and families can be involved in decision making on campus through involvement with the School Site Council and English Learner Advisory Committee. We invite and encourage all families to get involved and have a voice here at Roy Herburger Elementary.

The staff and administration of Roy Herburger Elementary school is here to support your student and your family. Please do not hesitate to contact us at any time. We are so glad to have you as a part of this special and amazing school community!

Jennifer Wilbanks, Principal

### School Facility Conditions and Planned Improvements (School Year 2019 - 2020)

Roy Herburger Elementary has 37 classrooms, a multipurpose room, a library, computer lab, and an administration building. We have a large playground with a track and a smaller kindergarten playground. We have a beautiful school garden. Roy Herburger Elementary School opened in 2004.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

The district’s maintenance and grounds departments work in concert with the school site custodial team to ensure that school buildings, classrooms, and grounds are maintained at exceptional levels to provide a safe and functional environment for all students. The district utilizes the latest electronic work order system enabling site administration and custodians to communicate maintenance needs, urgent repairs, or necessary projects. Emergency repair needs are immediately resolved by either the school custodian or district maintenance staff. The school’s custodians work as a team and with the principal to develop a daily cleaning process and schedule. Each morning the custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary. The Board of Education has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office or at the district office.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

A shade structure was constructed on the playground early in the 2019-2020 school year.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students  
Grades Three through Eight and Grade Eleven  
Percent of Students Meeting or Exceeding the State Standards

Subject	School 2017 - 2018	School 2018 - 2019	District 2017 - 2018	District 2018 - 2019	State 2017 - 2018	State 2018 - 2019
English Language Arts/Literacy (grades 3-8 and 11)	67%	69%	55%	56%	50%	50%
Mathematics (grades 3-8 and 11)	60%	62%	45%	45%	38%	39%

Note: Percentages are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes students that did not receive a score; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using students with scores.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

#### Opportunities for Parental Involvement (School Year 2019 - 2020)

Roy Herburger Elementary has an active PFO (Parent Faculty Organization). We hold Back to School Night, Open House, Parent University, and other activities throughout the year. Other volunteer opportunities include working in your child's classroom, our school library, Watch D.O.G.S, School Site Council, and EL Advisory Committee. We recognize families through our Five Star Family program. For more information on parent involvement opportunities, please contact Mrs. Wilbanks at 916-681-1390.

### State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

#### School Safety Plan (School Year 2019 - 2020)

Your child's safety is extremely important to us at Roy Herburger Elementary. Students are supervised by a staff member from the moment they arrive on campus before school until they leave campus after school. Visitors are required to sign in at the office upon arrival as our school gates and classrooms are locked at all times. Staff and students take part in monthly practice of emergency drills. Our staff reviewed and updated our School Safety Plan in January 2020. An "Emergency Guidelines Flipchart," outlining a plan of action for emergencies such as earthquakes, fires, floods, and chemical spills is available in the school office and there is a copy hanging in every classroom. The District's Safety and Security Department works closely with our school site to provide a safe, secure environment for all students.

## Types of Services Funded (Fiscal Year 2019 - 2020)

At Roy Herburger Elementary School, we have a highly qualified staff to assist students with special learning needs. Our Learning Center provides services not only to special education students, but also general education students who need additional support to meet grade level standards. Bilingual Teaching Associates help our English Learners access the core curriculum. Gifted and Talented students participate in accelerated instruction by the classroom teacher. Students who need extra tutoring or homework help may participate in our extended day programs that focus on meeting individual academic needs. The Highly Intensive Living Skills program for grades K through 3rd is also part of our site. Full inclusion students and staff are integrated into the classrooms. Additional programs are assessed and provided as needed.

## Professional Development

For the 2019-2020 school year, our site has a professional development emphasis on Visible Learning. Also, teachers are receiving specific training on instruction for English Learners. Teachers meet at least once a month for a professional development workshop presented by a variety of instructional experts including district reading language arts and/or math coaches. In addition, our school has a weekly early-out Thursday schedule. Teachers use this time to meet and review student data and work, make determinations about students' strengths and weaknesses, and plan subsequent instruction to meet individual students' needs. Special education teachers have numerous opportunities to learn how to best meet the needs of students with learning disabilities by attending workshops and conferences. Finally, the District offers a variety of classes and workshops for our support staff: para-educators, school secretaries, school office assistants, and custodians that relate to their work.
