School Description

The Eureka Union Elementary School District encompasses 14.8 square miles in Granite Bay and sections of Roseville, California. The District is comprised of three Transitional Kindergarten through third grade schools, two fourth through sixth grade schools, and two junior high schools. Oakhills Elementary School has an enrollment of approximately 473 Transitional Kindergarten through third grade students. Oakhills School is located in Granite Bay and is nestled in a residential community. The Oakhills campus includes two Special Education Classrooms, two Transitional Kindergarten classes, four Kindergarten classes, four first grade classes, four second grade classes, and five third grade classes.

Oakhills Elementary School was recognized as a Distinguished School in 2014 and a Gold Ribbon School in 2016. Our mission is to nurture the intellectual, physical, and emotional capacities of each student to the fullest extent. Oakhills School is committed to the development of the whole child by providing a safe environment in which students can achieve high self esteem with respect for others, develop a love for learning, and reach personal potential as knowledgeable, caring, responsible, and contributing citizens. We believe this to be possible when the school is in partnership with the students, parents, and community. We have high expectations for all students academically and challenge every student's learning. A rigorous academic program is embedded in student-centered learning opportunities that engage students in meaningful ways. Our school-wide Character Education program helps foster our positive school climate along with our Super Coyote positive behavior program. We encourage all students to develop mutual respect and tolerance for others, learn cooperation to achieve goals, and gain a love for learning that will last a lifetime.

Principal, Sarah O'Brien, leads a dedicated staff of twenty three classroom teachers, one SAI teacher, two SDC teacher, one school counselor, one school psychologists, two speech and language pathologists, one occupational therapist, and forty-four classified employees. The classified staff includes: a school secretary, an office clerk, two custodians, a computer tech, a library tech, a health assistant, kindergarten instructional aides, paraprofessionals, world language para educators, noon duty aides, and crossing guards. As a staff, we are committed to providing our students a nurturing environment that fosters academic, social, emotional, and physical development of each individual child.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

All core curriculum materials have been reviewed for alignment with the California Content Standards (Common Core State Standards) and Next Generation Science Standards, adopted by the State Board of Education (SBE). These materials have been evaluated, piloted, and selected by a committee of teachers, and subsequently adopted by our governing board. All students receive the appropriate and necessary curriculum and supplementary materials. Permanent books are loaned to students each year and collected at the end of the year. Consumable materials are provided to each and every student to support classroom instruction. For digital curriculum components, students without devices are allowed to loan a device for access at home.

Teachers may, according to need, augment these materials with activities, materials, web-based resources and utilize instructional strategies they have learned in workshops or curriculum classes.

School Facility Conditions and Planned Improvements (Most Recent Year)

Every year a comprehensive survey is distributed to every household with children in the Eureka Union School District and to every staff member in the District. That survey includes questions about student safety and about the maintenance and overall conditions of our facilities. The district also conduct annual inspection of facilities to inform prioritization of repairs and upkeep. This year, EUSD embarked on a comprehensive assessment of its facilities and updated its Facilities Master Plan.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 17-18	School 18-19	District 17-18	District 18-19	State 17-18	State 18-19
ELA	89	77	78	79	50	50
Math	84	84	67	70	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)

Our parents and community members play an integral role in providing support to promote the continued success of our school. At Oakhills, the partnership between parents and community members help foster a climate in which all students experience success and develop a lifelong love of learning. There is a high level of parent involvement through our School Site Council, Parent Teacher Club, Eureka Schools Foundation, Art Docent Program, Author Day, HERO lunch time activity coordinators, Book Fair, and Support Our Students Night. In addition, our classroom volunteers assist with learning activities including language arts, math, science, physical education, and technology. Parents play an important role in providing community support and participation to promote the continued success of our school. Through involvement in the School Site Council, Oakhills/Ridgeview School Parent-Teacher Club, various annual events and activities, and regular volunteering in classrooms, parents are an active and integral part of our school community. As classroom volunteers, parents serve as art docents, science docents and assist teachers in language arts, mathematics, physical education and computers. Parents also volunteer in site activities and events including Author Day, Book Fair, Field Day, various classroom and grade level events, and special activity days.

The Oakhills School Site Council is made up of parents and staff who assist in the development of the comprehensive Single School Plan for Student Achievement, which outlines the direction of the school community. The composition of the School Site Council includes six parents, four certificated staff, one classified staff member, and the site administrator. All parents are welcome and encouraged to attend monthly meetings. Oakhills Elementary School engage targeted and consistent efforts to seek input and involvement of parents of designated groups that are typically underrepresented, e.g. English Language learners, Students with Disabilities, and Socioeconomically Disadvantaged students. This is accomplished through various ways, emails, newsletters, websites, and phone calls. Additionally, through the district, Parent Educator Workshops are offered on such important topics as Effects of Technology on the Brain, Raising Happy and Resilient Students, and e-Cigarettes, the Vaping Scourge. This year, the district has offered parent workshops on Common Core Math, Next Generation Science Standards, and School Safety.

Our Parent-Teacher Club (PTC) welcomes all parents to become involved in our school community. The PTC Executive Board meets monthly and holds three General Meetings annually. All parents are welcome and encouraged to attend these meetings. Our PTC sends regular communication to parents and staff through E-News and can be reached at ptc.ohrv@gmail.com

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

Oakhills Elementary School has on file a Comprehensive School Site Safety Plan (CSSSP) that incorporates all elements of the district's Board Policy, the School Improvement Plan, the Student-Parent Handbook, and the Site Crisis Management Plan. This mandated comprehensive school safety plan was approved by a committee composed of certificated and classified employees and parents. The CSSSP addresses a wide range of safety issues including student discipline, safe entry and exit to the campus, crisis intervention models, physical plant safety, and long-term safety management and planning. The CSSSP is reviewed and revised annually. A printed copy is available for viewing in the school office. All CSSSPs are also uploaded on the EUSD website at: <http://www.eurekausd.org/Departments/School-Site-Plans/index.html>

Professional Development provided for Teachers

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	4	3	3

Eureka Union School District certificated and classified staff members participate in various professional development opportunities aligned with district goals, as specified in its LCAP (Local Control Accountability Plan). These goals were developed upon stakeholder input and analysis of various student outcome measures, primarily CAASPP (California Assessment of Academic Student Performance and Progress). For the last 3 years, all certificated staff members participated in at least three district-wide professional development days per year focused on the implementation of the California Content Standards (ELA and Math), Next Generation Science Standards (NGSS) and research-proven instructional strategies. Throughout the year, various afternoon workshops were also provided to address different topic areas: Differentiation, Universal Design for Learning, Visual Literacy, Vocabulary Instruction and others. EUSD has also promoted a balance of growth opportunities in all MTSS domains - academic, socioemotional, and behavioral. This year, the district focused on practices that promote diversity awareness and appreciation, equity, and inclusion.

Summer institutes also provide teachers opportunities to extend knowledge and skills, plan and collaborate. During the summer of 2019, K-8 teachers were provided training on NGSS, new History & Social Studies Frameworks, STEM, using technology in the classroom, socio-emotional development, etc. Additionally, during the year, teachers participated in several regional and state conferences.

Types of Services Funded

Eureka Union School District is guided by its mission of "Working Together for Excellence - Every Student, Every School, Every Day" and hence, its budget is focused on supporting high-quality instruction in the classroom. The classroom is protected from funding cuts as much as possible to maintain EUSDs high academic performance. In a study conducted, the Eureka Union School District was found to have the highest percentage of budget dollars concentrated in the classroom (teachers, aides, materials, equipment) relative to other districts in the region. EUSD also believes in the education of the whole child, and its budget reflects this commitment. Several programs exist to support and promote socioemotional development and positive behavioral outcomes. EUSD has the highest counselor to student ratio in the region.

For struggling and at-risk students, academic intervention support is available at all sites. Students and teaching staff also have access to technology to help make teaching and learning more effective. There are instructional aides available for providing direct support, whether push-in or pull-out, to struggling students. The district coordinates and provides support to programs that serve students representing different populations: SpEd, GATE, and EL. Each school site provides unique programs and resources based on identified needs.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
